Driver Sought In Hit-Run Fatality

Lloyd L. Taylor, 29, Killed While Walking Along Route 162

Authorities of the area are searching for a hit-run vehicle that struck and killed a Granite City man walking along Route 162 Monday night. This week's accident toll in the Quad-Cities included the fatality and eight persons hurt in five of 16 crashes.

Lloyd L. Taylor, 29, of 18 Bradley street, was killed when he was struck by a hit-and-run vehicle while he was walking

LYOYD L. TAYLOR Killed on Highway

along Route 162 two miles west of Highway 157 after 11:30 p.m. Monday.

It was his usual practice to take a walk, and he was returning home from the area of Stalling's school when he was struck, according to his mother.

Mr. Taylor, who was found on the highway by a passing motorist, was pronounced dead at the scene at 1 a.m. Tuesday by Robert G. Thomas, Madison county coroner.

Thomas reported that Mr. Taylor suffered multiple fractures of the chest which punctured his heart and lungs. An inquest is to be conducted in about two weeks.

The Madison county sheriff's office, which investigated, said the victim was found at 12:40 a.m. lying face down in the westbound lane of the highway, and that there were no skid marks.

Born in Harrison, Ark., Mr. Taylor resided in the Quad-City area since 1953. He was employed as a laborer for one year at Dow Chemical Co. in

(Continued on page 7, col. 5)

BIRTHS..

Births recorded at St. Elizabeth Hospital:

GIRLS

Mr. and Mrs. Edward Foley Jr., 111 Garechese homes, Madison, July 21, Lucia Marie, six pounds, 11 ounces.

Mr. and Mrs. William Hildreth, 3140 Wayne avenue, July 21, Lori Deanna, seven pounds, 11 ounces.

Mr. and Mrs. Wallace Burke, Collinsville, July 21, Anastasia Jo, six pounds, 11 ounces.

Mr. and Mrs. John Salles, 918 McCambridge avenue, Madison, July 21, Margaret Tracy, six pounds, 13 ounces.

Mr. and Mrs. Randall Odum, 711 N. 27th place, July 22, Laura Renee, nine pounds, one ounce.

Mr. and Mrs. James Denford, St. Louis, July 23, Victoria Lee, eight pounds, three ounces.

Mr. and Mrs. Gary Laird, 5260 Nameki road, July 23, Shannon Leigh, six pounds, three ounces.

Mr. and Mrs. Jack Pilger, South Roxana, July 23, Steve Alan, seven pounds, six ounces.

Mr. and Mrs. Paul Roberts, 2825 Birch avenue, July 24, seven pounds, six ounces.

Venice Schools Run Deficit; Plan Special Budget Meet

Confronted with a \$130,000 deficit in the educational fund for the year just ended, along with a series of other mounting financial problems, Venice school board members agreed Monday night to call a special meeting next week to adopt a 1969-70 operating budget and to determine if they will call a special election on a proposal to increase the district's tax levy.

In other moves involving the district's financial status, the board authorized School Supt. John Pier to levy a special rate of five cents per \$100 assessed valuation to finance work required under the state Fire Safety Code, and approved a recommendation for a five-cent increase in the cost of a lunch to help cut a growing deficit in the cost of cafeteria operation.

Next week's special budget meeting tentatively was set for Monday night. Supt. Pier said the time will

GC Budget May Top \$3,000,000 For '69-70

\$35 Monthly Pay Hike For Police Accepted; Other Talks Tonight

Granite City council members now are considering a \$3,086,549 budget for the 1969-70 fiscal year which is practically one-fourth over. The new budget proposal includes the \$32,000 amount for employee pay increases that was set up in May by Mayor Partney.

The council's budget is \$149,645 higher than the mayor's, and nearly \$250,000 more than last year's budget. It exceeds the city's anticipated income by about \$250,000.

The city's fiscal year began May 1, and the deadline for adoption of the new budget is July 31. Since May 1, even with the numerous sewer breaks, the city has been operating without a budget and while awaiting income from the current collection of taxes, has been using surplus sales tax and parking meter funds as well as borrowing \$120,000 from the now nearly-depleted working cash fund. The June 30 WCF balance was \$17,529.

County to Place Hold Orders on 5 Jail Breakers

Madison county authorities will not seek the immediate return of five prisoners who escaped from the county jail at Edwardsville and who were captured late Tuesday night at Toledo, O.

The five are charged in Ohio with armed robbery and with attempt to maim or kill, in connection with a gun battle with police and a high speed chase which led to their capture.

Local authorities feel Ohio may have a stronger case, according to the Madison county sheriff's office, and a hold order will be placed for return here when full disposition is made in Ohio.

The men, who broke out of the county last Friday morning, are Louis Joseph Aratari, 25, of Albany, N.Y.; Robert Joseph Mouser, 27, of San Susanna, Calif.; Joe Mac Sparrow, 31, of Bethalto; Robert Orville Bridges, 29, of East Alton; and Franklin DeWayne Hutson, 30, of St. Louis.

List Charges

Aratari, alias Tony DeMarco, was being held on a charge of aggravated battery as he attempted to strike arresting Granite City officers with a sledge hammer after he was trapped in a vacant house in East Granite last month. He was shot by Police Chief Ronald Veizer and was hospitalized.

Early last year, a similar incorporation proposal was defeated 67 to 88.

New Village Petition Hearing Tomorrow

Scheduled for 11 a.m. tomorrow in the circuit court at Edwardsville is a hearing on petitions filed seeking incorporation of an area of Chouteau township as the Village of Chain of Rocks.

Judge Howard White of Jersey county is to conduct the hearing on a request for a special election in a 437-acre area west of Mitchell.

The area includes the Sunny Dell Acres and Rae Gene Acres subdivisions on either side of West Chain of Rocks road and the east and west boundaries of the Chain of Rocks Canal.

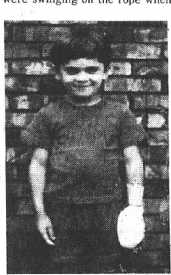

Early last year, a similar incorporation proposal was defeated 67 to 88.

A Wild Ride on a Rope GC Boy, 5, Rescued from Top of Power Pole

A Granite City boy, five, escaped with his life when he was swept up by a rope to the top of a high-tension utility pole at 2:45 p.m. Monday at Kate and Propes streets, behind the old Kate street post office branch, where a power substation is located.

He is Jason Cooper, son of Madison county Sheriff's Deputy and Mrs. Cooper, 2405 Jerden avenue. The boy suffered only rope burns to his left hand as the result of the experience.

He and two other boys were playing around a cable truck used to set up the pole and were swinging on the rope when

JASON COOPER, 5

a cable crew at 24th street and Washington avenue started to pull a cable from the truck through the top of the pole. The older boys let go and dropped off the rope, but Jason was afraid to drop and held on.

He suddenly was whisked about 150 feet through the air up to a height of about 40 feet. A pulley apparently kept him from striking power lines carrying 33,000 volts of electricity.

Manages a Feeding

Jason was able to swing his body around, his foot managed to find a small iron strap supporting insulators, and he grabbed the pole with his arms and hung on for dear life. He certainly used his head then, his father told the Press-Record.

A neighbor, Miss Rita Hennessy, 2453 Jerden avenue, who saw the boy being pulled up, ran from her home to the scene and yelled words of advice, telling him to stay put and not to touch anything. He followed her instructions.

As she stood at the foot of the pole, planning to break the

POWER POLE PERCH of Jason Cooper, five, showing the cable (arrow), along which he was whisked about 150 feet through the air from the ground. He found a footing on a narrow metal strip supporting insulators for 33,000 volt transmission lines to await rescue by a lineman. A power substation is in the background.

fall if the boy should lose his hold, she yelled to Jason's sister, Patricia, to call the fire department.

Firemen were unable to maneuver their aerial ladders through the wires, and as Sgt. (Continued on page 3, col. 3)

Employers Prepare for State Income Tax

Quid-City area employers were preparing today for the vast job of additional bookkeeping made necessary by adoption of the new Illinois 2.5% income tax to be applied against individual incomes, following distribution of instructions and report forms by the Illinois Department of Revenue.

Employers will be required to begin withholding the state's salary tax from employees' salaries Aug. 1 under a system that, for the most part, follows the federal income tax withholding procedure of the federal

income tax system. Tax tables for computation of amounts to be withheld were included among material being received by employers today.

All employers are required to register as a withholding agent with the state department of revenue and will be assigned the same identification number as his federal employer number.

In general, employers will withhold 2.5% of the compensation paid to each employee, reduced by applicable exemption for the payroll period. Unlike federal income tax withholding, no standard deduction and no itemized deductions are permitted for Illinois withholding.

An employee subject to withholding is entitled to an exemption of \$1000 multiplied by the number of exemptions (dependents) to which he is entitled for federal income tax withholding. He may elect to forego all

or part of the exemption. Employers also will be required to make monthly payments to the Illinois Department of Revenue of amounts required to be withheld.

A form (IL-591) must be filed with the monthly return. Quarterly reports on form IL-941 also must be made, with reporting dates and reporting requirements following the federal system as much as practicable.

Withholding also must be filed by Jan. 31 of each year and employees must be given IL-941 forms by Jan. 31, showing amount of wages paid and amount of tax withheld, similar to the federal procedure.

2 DAYS WITH A QUAD-CITY TRAFFIC FATALITY

Propose Renewal in Venice, Madison Beautification

The Quad-City main thoroughfare beautification plan being studied by the Women's Division of the Chamber of Commerce of the Tri-Cities includes varied proposals for improved visual effects.

Fourteen areas along Broadway, Madison avenue and Namcok road were analyzed by Harland Bartholomew and Associates, a planning, engineering, landscape architecture and urban renewal firm with offices at St. Louis, Atlanta, Memphis, Richmond and Chicago.

Area A, Broadway from the railroad crossing to the Venice McKinley Bridge and the railroad crossing, is considered especially important because it is the primary gateway to this community from St. Louis.

The Great River Road and installation of a traffic underpass will alter the area between the McKinley Bridge and the railroad tracks, the Bartholomew study notes.

The left side of Broadway contains three public and semi-public buildings. The Lee Park area has scattered trees and is most attractive, it is felt.

The south frontage on Broadway contains old buildings that are rundown, with a mixture of commercial and residential; this area would be eligible for some type of urban renewal action, the engineers report.

Potential projects include landscaping the area around the new expressway and the new connection to Broadway; planting two large canopy trees and a front yard hedge at the Venice Methodist Church; replanting small trees around park, library and city buildings and the post office, with utility lines eventually relocated underground or in alleys.

For any building demolition carried out in Area A, it is believed that the U. S. Department of Housing and Urban Development would share two-thirds of the cost.

Area B, Broadway from Klein (Continued on page 3, col. 1)

3-Year Pact By Schools, 7 Unions

257 Employees Given Pay Increases, More Benefits Last Night

New three-year agreements were approved by the Granite City school board last night for seven of its eight employee groups. Long exception is the teacher union, which has voted to not work, submitting a joint resignation letter.

In addition to improved fringe benefits, the board voted hourly pay hikes of 20 cents in 1969-70 and 15 cents each of the next two years for cafeteria workers, who total 102.

Hourly increases over the next three years of 25, 20 and 20 cents were voted for 88 custodians, 51 secretaries and a maintenance staff of 16—four general maintenance workers (custodians) and 12 craft maintenance personnel—painters, carpenters, chauffeurs and laborers.

No Teacher Resignations

Supt. Bob J. Davis said after last night's session that no individual resignations have been received in response to the board's request that teachers decide their status by tomorrow.

The district was contacted this week by Attorney Robert Francis seeking details of past, present and future school district finances for Local 743 of the American Federation of Teachers. Supt. Davis and Harold G. Baker Jr., special counsel of the district, were instructed last night to supply the data.

It was noted that part of the financial information is available now and the remainder should be completed by the middle of next week. Baker said the disclosure decision reflects "the spirit of complete cooperation" felt by the board and administrative staff toward faculty members.

The school term is scheduled to start Tuesday, Aug. 26, and Local 743 has suggested that talks resume Friday, Aug. 22. The district has asked that negotiations be resumed by Aug. 8.

Budget Aug. 27, Sept. 29

The board decided last night to take tentative 1969-70 budget action Aug. 27 and to take final action and adopt the new tax levy Sept. 29.

In announcing that agreement had been reached with Building Employees Local 98 (custodians, cooks and secretaries) and the Carpenters, Laborers, Teamsters and Painters unions, Supt. Davis said the new pact covers wages and working conditions for all but craft and school personnel through June 30, 1972.

"These negotiations have gone well, which I believe is an indication of a good working relationship with our employees," he commented.

A new element of the agreements is inclusion of district-financed hospitalization, medical and major medical insurance.

Cost-of-Living Provision

Extra pay for cost-of-living rises was set at a maximum of \$150 in the 1969-70 year and \$25 for each half of 1% in the following two years, without a specific limit.

Sick leave has been 10 days each year for the first three years of employment, and 15 days added annually thereafter up to 75 days, after which the accumulated amount will increase five days yearly. In the

(Continued on page 7, col. 8)

18 Quad-Cityans To Be Drafted

A group of 18 Quad-City youths is to report tomorrow morning to the county selective service office at Edwardsville for armed forces induction.

A 180 tomorrow, 50 Quad-Cityans are to report for pre-induction physical examinations. Earlier this month, 47 Alton area youths were drafted, and the Edwardsville area's quota this month is for six men to report tomorrow.

Of this year's 30 local men have been drafted, compared to 114 during the first half of 1968. In July 1968, only one local youth was drafted.

SP4 DONALD M. MINK Died in Vietnam

GC Soldier is Killed, Another Wounded in Vietnam

A second Granite City soldier was killed in less than a week and another wounded in action in mishaps occurring in Vietnam.

Killed in a military vehicle mishap was Sp4 Donald M. Mink, 20, and Sp4 James Holland, 21, was wounded in the neck and paralyzed in a weapons accident.

Earlier this week the parents of Army Pfc Benjamin Sullivan, 19, were notified that he had been killed in action in Vietnam, and funeral services are to be conducted tomorrow in Abilene, Kan.

Sp4 Donald Mink

Sp4 Donald Kenneth Mink, 20, son of Mr. and Mrs. Robert Mink of 2724 Birch avenue, died in Vietnam on Friday as a result of injuries sustained in an accident while riding in a military vehicle, his parents were this week notified by the U. S. Defense Department.

According to the telegram, Mink was either thrown or fell out of the vehicle and was immediately taken to the base hospital at Cu Chi, near the Iron Triangle, where he died the same day. He was not engaged in a military operation at time of the accident. No other details were available.

The young serviceman would have observed his 21st birthday today. He entered the U. S. Army in July 1968 and had volunteered to go to Vietnam last March while stationed at Ft.

Sp4 Donald M. Mink Died in Vietnam

Bragg, N. C. He was assigned to the 25th Infantry Division and was working in the post office at the Army base in Cu Chi.

Born in Germany, Mink was graduated from Farmington high school, Farmington, Mo., in June 1966. He was a member of St. Margaret Mary Catholic Church.

His brother, Robert Mink, who has completed his service time with the Army and now is home, was wounded in the foot and hand as a result of explosion of a hand grenade just three months after he arrived in Vietnam.

The father, Robert Mink, a

PFC Sullivan Killed in Combat

career Army man, retired from the service in 1959 after serving 24 years.

Other than his parents and brother, Robert, he is survived by two other brothers, Charles Mink of Jefferson City, Mo., and a sister, Mrs. Mary Compton of Granite City.

Funeral arrangements are pending at Pieper Funeral Home.

Sp4 James Holland

Sp4 James Holland, 21, son of Mr. and Mrs. James Holland, 2837 Cleveland Blvd., was wounded last Saturday when he

Sp4 James Holland Wounded in Neck

was shot in the neck in a weapons accident about 22 miles north of Saigon.

He is reported to be paralyzed from the chest down in a military hospital in Saigon. His parents are awaiting receipt of further details.

Sp4 Holland, a military policeman, was a member of the Second Field Force. He arrived in Vietnam 11 months ago and was due to return home on March 29, 1968.

His mailing address is: Sp4 James Holland, 55392943, Hos-

Madison Objects To County Denial On Landfill Use

The city of Madison will contest the denial of its request for a zoning change and a special use permit for landfill purposes of a tract of land on Chouteau Island.

The city's petition was denied last week by the Madison county board of supervisors, on the recommendation of the county zoning board of appeals, on the basis that swampy ground was not suitable as an extension to the old M.A.L. landfill operation.

At a city council meeting Tuesday night, Mayor Stephen Maeras contended that the city was permitted to amend its original petition, filed about four months ago, deleting the filled sewer break hole on Johnson road.

He noted that since the petition was filed, the M.A.L. operators had sold their interest in the landfill.

"The city alone wants to reclaim the land, for which it is paying taxes," the mayor complained. "We want to drain that land."

"Landfills are legal, so we should be allowed to operate a landfill if we want to," the mayor stated. "The question is, is it cultural and is separated from the old landfill by West Chain of Rocks road."

The city council referred the matter to its legal department for action deemed appropriate.

Dow Access Road

Mayor Maeras told the council that hopes of obtaining a new access road to the Dow Chemical Co. plant look bright following a recent conference with state officials.

He said officials of the State Business and Economic Development Department and the Illinois Commerce Commission are sympathetic.

The industry is seeking a new access road, as the current route along Weaver street in Venice is inadequate for heavy truck traffic and constitutes a danger to children attending school in that area.

The mayor said efforts are being made to obtain the cooperation of General Steel Industries, Fox Brothers and the Owens-Illinois Co. in working out an acceptable plan.

The council awarded a contract to Dron Electric Co. to install electric traffic signals at Sixth street and McCambridge avenue on a sole bid of \$11,000. It was \$86 below the engineer's estimate and was approved by the state highway division.

The signals will replace a school traffic signal at the location. The city and Nameoki township are to divide the cost.

The council's purchasing committee and city comptroller were instructed to negotiate purchase of a tree mulcher-chipper for the city.

The mayor said that, with the equipment, dead trees and limbs could be mulched and chipped and taken to a landfill for disposal.

The city has been hauling the trees and limbs to an old dump near Horseshoe Lake, but the owner has closed the dump to outsiders dumping and burning garbage there, Mayor Maeras explained. Meanwhile, the revenue bills are not very popular behind the old pumping station.

Sewer Backups and Breaks Continue to Plague City

Three letters from Granite Cityans seeking settlement from the city for damages to their property resulting from faulty sewers were referred to City Atty. Scroggins by city council members Monday night.

William Jakich, 2304 Woodlawn avenue, estimated damage to property in his basement at \$650 due to a sewer backup, while Pat Stuart (Ridings), 1536 Clark avenue, did not specify an amount for damage in her home where floor tile in the basement and sewage-soaked plasterboard partitions will have to be replaced to rid the house of sewer backup stench.

Carl Spiroff, 3117 Davis avenue, is seeking \$23 for a new tire and wheel and wheel alignment for his auto which was damaged when it hit a water-filled sewer break hole on Johnson road.

Council members indicated the city may have been at fault in the Woodlawn avenue backup since the city was pumping water from Cloverleaf sanitary sewer line on July 12 to keep sewage from flowing onto Maryville road. Jakich did not have his basement floor plug in, and several council members pointed out city officials were negligent in not advising the homeowners of the pumping.

Jakich said his losses included a turkey and other food.

Other survivors include two daughters; three sons; two brothers; seven grandchildren and six great-grandchildren.

Her husband, Henry Camerer died in 1949. Five children, a brother and a sister preceded her in death.

Interment was in Richmond Cemetery, near Eldred.

Rites Today for Sister Of Granite City Man

Funeral services were held at 2 p.m. today at the Baptist Church in Mt. Gilead, for Mrs. Margaret Frances Camerer, 92, of Mt. Gilead, a sister of Allen Wilhmy of Granite City.

Mrs. Camerer died at 7:45 p.m. Monday at Boyd Memorial Hospital, Carrollton, where she had been a patient since May 29.

Vandal Uses BB Gun

Robert A. Smith, 4365 Kirkpatrick Homes, reported at 12:20 a.m. Wednesday that the living room window, screen and a storm door screen of his apartment were shot with a BB gun.

The council awarded a contract to Dron Electric Co. to install electric traffic signals at Sixth street and McCambridge avenue on a sole bid of \$11,000. It was \$86 below the engineer's estimate and was approved by the state highway division.

The signals will replace a school traffic signal at the location. The city and Nameoki township are to divide the cost.

The council's purchasing committee and city comptroller were instructed to negotiate purchase of a tree mulcher-chipper for the city.

The mayor said that, with the equipment, dead trees and limbs could be mulched and chipped and taken to a landfill for disposal.

The city has been hauling the trees and limbs to an old dump near Horseshoe Lake, but the owner has closed the dump to outsiders dumping and burning garbage there, Mayor Maeras explained. Meanwhile, the revenue bills are not very popular behind the old pumping station.

Veizer Named to Post

Chief of Police Ronald Veizer was elected sergeant-at-arms of the Illinois Chiefs of Police Association at Rock Island during the weekend, it was reported upon his return here this week. He will take office in January. The meeting had a registration of 323 chiefs.

Mediation Talks Set Today in Nestle Strike

The first negotiation session since a strike shut down production of Nestle Co., Inc. early last week was to convene this afternoon.

The meeting between company officials and representatives of striking members of the International Association of Machinists, District 9, was scheduled to begin at 3 p.m. in the Howard Johnson Motel at Collinsville.

Arrangements for the session were made by U. S. Mediator Gilbert Kannenberg of the U. S. Mediation and Conciliation Service at St. Louis, who sat in on final contract talks that proved unsuccessful before expiration of the old contract.

The strike began at 12:01 a.m. Tuesday, July 15. The walkout involves 130 machinists, bulk of the work force at the Nestle plant. Company officials said they planned no attempt to operate during the strike.

Wage increases are the major point at issue in the dispute. Wilbert Hemken, union business representative, said the company had agreed upon, but that a final company offer was rejected by union members because of the wage increase offer.

The union is requesting a wage increase of 10% for the first year and 8% for each of the remaining two years of a three-year contract. Hemken said the union said the company's last offer was for a 7% increase the first year with 5 1/2% for each of the two remaining years.

Two Found Guilty of Terrorism in Venice

James Durham and Ernie Mentola of St. Louis were found guilty of armed robbery by a jury at 10 p.m. Wednesday in Madison county circuit court.

The two were among five youths, including a juvenile, who were charged with robbing Mr. and Mrs. Jacob Robertson, 518 Third street, Venice, at their home early last Feb. 20.

The youth threatened to shoot Mrs. Robertson, who was 86 and ill at the time, took everything of value in the house and then cut the house and tore up most of the furniture in the house.

Robertson, 92, and his invalid son, John Robertson, 56, also were threatened.

Mentola had enlisted in the Army in Missouri shortly after the attack and was released by military authorities to face trial.

The trial opened Monday in the court of Circuit Judge James O. Monroe, Durham was charged with 30 days in which to file post trial motions.

The Singers Co. has made a number of contributions to the Apollo program, Frank Ryan, manager of the local store, 1235 Nineteenth street, pointed out today.

The astronauts, who put the Apollo and Lunar Modules through their paces, practiced the missions many times in highly realistic Apollo and Lunar Module simulators provided by Singer's Link Division, Ryan said.

Other products used in the space program and made by the Singer companies are a 30 Xenon-bulb searchlights produced by the Strong Electric Corp., major segments of the Apollo boosters and modules contain components or systems designed and built by Singer's Kearfoot group, as well as a Kearfoot computer for docking pitch attitude and displays. Electronic systems and electronic components used to ignite rocket motors are produced by the Link Division. Singer equipment also makes its appearance in a number of support areas.

Arrange Annual Park District Trip to Fair

Arrangements for the third annual Granite City park district trip to the Illinois State Fair at Springfield have been completed for Aug. 14, Harold Brown, park superintendent, announced today.

Brown said he has 44 tickets for the Eddie Arnold show which will be presented on that day. They are available on a first come, first served basis at \$8 each, covering admission to the fairgrounds, bus transportation to and from the fair and admission to the Arnold show.

A chartered bus will leave Wilson Park at 10 a.m. and will arrive at the fairgrounds at 12:15 p.m. The group will arrive home about 1:30 a.m. the following morning.

Use Hatchet on Door

Burglars Loot GC Home Of Jewelry, Silver Trays

Mary Cowan, 2680 Edison avenue, reported at 9:15 p.m. Wednesday, two burglars broke open the door and the coin box and stole a sterling silver tray valued at \$125 and \$135 and two sterling silver trays were stolen in a burglary of her home, which was ransacked and damaged, after 7:30 p.m.

Entry was gained by forcing the side door to the kitchen with a screw driver or hatchet. The hatchet was used to demolish a door leading to the attic which also was entered.

Kenneth Alsbury, 1428 Third street, Madison, reported to police at 2:45 a.m. today that two burglars and a television set valued at \$150 were stolen from his home. Half an hour before discovering the theft, Alsbury reported that vandals had tampered with the wiring of his 1967 model auto parked in front of his home.

Motorboat Stolen

A 17-foot fiberglass motorboat with a cover and trailer, valued at \$600, was stolen from the yard of the home of Henry Brominski, 1447 Grand avenue, reported at 9:30 a.m. Tuesday.

The thief opened a gate to the yard during the night to remove the boat. It contained a 160-horsepower inboard-outboard motor and had a white bottom and a blue top. It carried a Missouri registration number on the bow of the boat.

Drills, Motor Stolen

Dorothy Venditto, 2919 Harding blvd., reported at 3:55 p.m. Wednesday that a \$20 quarter-inch drill, a \$25 set of drills and a \$25 trolling motor were stolen from her back yard after July 13.

The tools, which she had stored in a metal shed which was destroyed by recent storms. Gayle Wisdom, Granite City Army Depot, reported at 4:20 p.m. Wednesday that her tan purse was removed from her patio parking lot at a 1600 Nineteenth avenue and Cleveland blvd. at 7 p.m. Tuesday.

It contained her green wallet, driver's license, Social Security card, Army identification, a key case and nine cents.

Mary Nebbett, 1338 Rhodes street, reported at 6:30 p.m. Wednesday that her orange clutch purse containing \$25 and taken off of her washing machine while she was ironing in a bedroom. The front door had been left open.

State Conservation Officers Cracking Down on Violators

Conservation officers issued 22 citations for violations of the State Game Code during June, John Rebuffon, law enforcement chief for the Illinois Department of Conservation, said today.

The most common cause of citation was possession of a firearm without the permit required by law. Having an unlicensed or a loaded gun in a vehicle was another common offense.

Other persons were cited for shooting pistols into the water, violating a regulation against firing a pistol, rifle or air gun over or into water or ice. Four persons were cited for hunting during the closed season and a citation was issued for killing a songbird. Two persons were cited for selling a fur without necessary permit to do so.

Fishing Without License

One hundred fifty-three fishermen were cited for fishing without a license. Rebuffon said another 23 paid fines for fishing on private property without permission.

Other citations were issued for fishing with illegal devices, transferring a license to another person, taking frogs out of season, dumping trash in the water or where it could be washed into the water, and for not attending a trammel net as required by law. Officers issued 170 citations for violations of the Fish Code.

Thirteen persons were arrested for violating state park regulations. Reasons for the arrests included dumping trash in the wrong place, destroying public property, running a motorcycle in a prohibited area and exceeding the park speed limit.

258 Boaters Cited

Rebuffon said 258 boaters were cited. Boating violations included operating unregistered boats, towing a water skier without having an observer in the boat, and having unapproved fire extinguishers or lifesaving equipment on board. Other boaters were cited for operating too fast in a no-wave area, boating with an expired license, exceeding the posted speed limit, and careless operation.

Rebuffon listed the following totals for fines paid during June: \$510 for game violations, \$3,096 for fishing violations, \$797 for disregarding park rules and \$1889 for boating violations.

Traffic Signal Change

Ronald L. Earl, Berkeley, Mo., was charged with a traffic signal violation at 4:40 p.m. Wednesday at Niedringhaus and Madison avenues.

Obituaries

AMANDA, SISTER MARY (WALTER), 31, Elizabeth Hospital, Granite City, entered into rest 9:05 a.m. Wednesday, July 23, 1969, St. Elizabeth Hospital.

Her remains were taken from LAHEY FUNERAL HOME, 501 Madison avenue, to the Motherhouse at Mt. Providence in Normandy, Mo., for visitation. A Requiem High Mass at 9 a.m. Friday, Mt. Providence Chapel, Internment Mt. Providence Cemetery.

401 EDWARDSVILLE, ILL.

Opposite Sunbelt Hotel Cemetery

Dear Jackie:

Dear Jackie:

Recently my husband and I have been looking at new homes and we've noticed that some have carpeting in them, while other don't. My question is what are the advantages and disadvantages of buying a home already carpeted (besides getting a color you don't care for). Thanks.

MOVING SOON, Granite City

Dear Moving:

For one thing, you won't know the quality of your carpet, pad or installation. Secondly (and surprisingly enough nobody ever thinks of it) when you buy a home, you usually make payments on it for twenty or thirty years. If the carpet comes with the home, you just might be paying interest on the carpet for twenty or thirty years! Long after it's been replaced.

Now! The advantages? The carpet is in and you may move in sooner!

Dear Jackie:

Last week I saw the full page ad in the Press-Record, July 16) about the Grand Opening of Atkins Floor Covering's new location. Somehow the paper was thrown out and I don't recall how long it was to last. Do you still have a sale on?

BARGAIN HUNTER, Madison, Ill.

Dear Bargain:

Start hunting for 17 Meadowlark Ct. because the Grand Opening Sale is on until August 2nd. You'll find "50" Nylon for only \$2.49 a square yard and Super Mite Kitchen carpet for just \$6.48 a square yard. Just two of the terrific bargains you're hunting for!

If you have floor covering problems write to, "Dear Jackie" c/o Atkins Floor Covering 17 Meadowlark Ct. Granite City, Illinois Phone 877-2058

If you have problems finding 17 Meadowlark Ct. just follow this map!

Map showing location of 17 Meadowlark Ct. relative to surrounding streets and landmarks.

Farm Column

Extension Adviser

Corn, Wheat Prices

Prices of corn is 13% higher than wheat on a pound for pound basis. Both are about equal as feed for livestock. One Madison county elevator two weeks ago was paying \$1.14 a bushel for wheat and \$1.21 a bushel for corn. A bushel of wheat weighs 60 pounds and corn 56 pounds. So wheat was 1.9 cents a pound and corn 2.16 cents a pound. Madison county farmers grow about 80,000 acres of corn and 50,000 acres of wheat annually. Corn averages about 85 bushels per acre and wheat about 40 bushels per acre. An acre of corn costs more to produce than an acre of wheat. But present cost-price relationships favor producing corn or soybeans rather than wheat. Actually there isn't much profit in 65-bushel corn at present prices.

The current wheat price makes it possible for livestock farmers to lower feed costs by substituting wheat for corn.

As a rule of thumb, when wheat price is equal to or less than corn price, it is time to make some feed cost calculations.

Deciding whether to use wheat or corn is based on amount and cost of energy and protein provided per pound.

Wheat with a lower fiber and fat content has five to ten percent less energy than corn. But wheat has 12% protein compared to 8.5% for corn.

Equal amounts of corn and wheat in a ration give feed efficiency only slightly less than that of corn alone. Nutritional needs vary among animals.

Cattlemen should feed coarsely cracked or rolled wheat mixed with corn. Wheat is not as palatable as corn but if wheat makes up no more than 50% of the concentrate, palatability should not be a problem. Feedlot performance will be similar to results obtained with corn alone. Supplemental protein can be reduced when wheat is fed.

Swine producers can substitute wheat pound for pound for corn. Ignore the higher protein from wheat and feed the same

supplement as with corn. Feeding 100% wheat can cause feed to be bulky, but a 50% mix works fine.

Dairymen may substitute ground wheat for ground corn in their dairy rations on about a pound for pound basis. However, because of its pasty nature, wheat may cause palatability problems when it makes up more than about one-third to one-half of the total grain mixture.

Poultrymen switching to 100% wheat may have trouble with egg yolk color, stickiness of ground wheat, amino acid balance, vitamin content, palatability and egg size. Poultry specialists Sam Riden says poultrymen can substitute wheat for up to 20% of corn with no problem. If more is replaced, about 0.25 percent alfalfa meal should be added to maintain desirable yolk color.

United States farmers produced 2.8 billion pounds of red meat (beef, pork, lamb and mutton) in May. Impressive as that figure sounds, it breaks down to less than 14 pounds of red meat per capita for the month. Production of red meat in May was down 7% from a year earlier.

Production of poultry meat in May totaled 724 million pounds. This was 4% more than a year earlier.

Mrs. Elmer Hosto, Alhambra, had ripe tomatoes on June 23 from her home garden. She said that probably isn't a record for earliness.

Mrs. Hosto bought potted plants from a greenhouse. The plants had small green tomatoes when she set them out in early spring. The variety is Rutgers.

Local markets now have local-grown sweet corn. Sweet corn fresh from the fields of area vegetable growers will be in plentiful supply.

Keep your home vegetable garden free from leaf-feeding insects until your vegetables are ready to harvest.

Many insects such as cucumber beetles, tomato hornworms, bean leaf beetles and cabbage worms can be controlled with either carbaryl (Sevin) or malathion. Both insecticides are commonly recommended for use in home gardens because they can be used near harvest time without a hazardous residue. Follow instructions on label.

State Capitol NEWS

Crime Control Plan

The Illinois Law Enforcement Commission's statewide comprehensive plan for crime control has been approved by U.S. Attorney General John N. Mitchell. Commission Chairman Arthur J. Biele said approval of the plan frees \$1,102,293 in federal funds for action grants to combat crime in Illinois.

Gov. Richard B. Ogilvie established the Illinois Law Enforcement Commission by executive order as a major division of his office. Charged with carrying out provisions of the Federal Omnibus Crime Act of 1968, it is the official planning agency for law enforcement and juvenile delinquency control in Illinois.

The commission's planning for a concentrated attack on crime includes programs of prevention, apprehension, correction and rehabilitation. The agency acts for the governor in allocating both state and federal assistance to local law enforcement agencies.

Big Tractor Shipment

The largest shipment of tractors ever handled by a single vessel at Chicago was loaded aboard a flag ship from India at Lake Calumet Harbor.

Ray C. Dickerson, director of the Illinois Department of Business and Economic Development, said the cargo consisted of 81 tractors weighing 575 tons. The tractors, manufactured in Aurora by Caterpillar Tractor Co., were sold to the Indian government and will be used for land development and cultivation in India. Caterpillar will ship an additional 74 tractors to India soon, Dickerson said.

Caterpillar is Illinois' leading exporter with foreign sales exceeding \$500 million annually. The firm employs some 41,000 persons at six plants in the state.

Tax Relief Promised
Gov. Richard B. Ogilvie said he will approve legislation exempting one household of furniture and one personal auto from personal property taxation.

The measure, Senate Bill 730, was sponsored by Sen. Robert Coum (R-Waukegan). It will face a court test of its constitutionality, observers agree.

The governor noted that the personal property tax is highly disliked downstate, but added: "I want to make this point clear—many people in Cook county pay a personal property tax." He said the effect of this bill will be felt in Cook county, too.

To Improve Highway
A 60-mile section of U.S. 30 in the northwest corner of the state, considered the most hazardous highway in Illinois, is to be improved by the division of highways.

Public Works Director William F. Cellini advised Gov. Ogilvie that bids for widening and resurfacing portions of the route from the Winnebago-Stephenson county line to five miles east of East Dubuque were to be received last week.

The widening and resurfacing project is unrelated to plans for a supplemental freeway linking Rockford, Freeport and Galena along a corridor generally following present U.S. 20. Plans for the freeway are being developed.

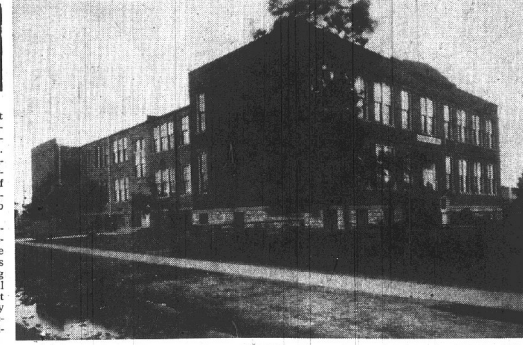

Special Seal Season
Illinois will have another special seal season this year but those taking advantage of the season must take the responsibility of identifying a seal.

The season begins Saturday, Sept. 6, and ends Sunday, Sept. 14. Hunting hours are from 8 a.m. until 4 p.m. C.D.T. daily. The daily bag limit is four teal and the possession limit is eight.

Hunters may take blue-winged, teal only. All other ducks and geese are protected during this season. Anyone who shoots at or kills any other kind of waterfowl will be cited by Illinois Department of Conservation officers, State Conservation Director William A. Rutherford warned.

Combat Action Ribbon for Marine Geo. Campbell
Marine L/Cpl. George H. Campbell Jr., son of Mrs. Sadie L. Campbell, 52 Lee Wright Homes, Venice, has been awarded the Combat Action Ribbon with Combat "V". He received the award during ceremonies with the Third Battalion First Marine Regiment, First Marine Division in Vietnam.

His Unit is also engaged in a civic action program designed to assist the Vietnamese people in completing self-help projects, such as the building of wells, culverts, small bridges and schools. Equipment and materials are made available through the Marine Corps Reserve Civic Action Fund.

WEBSTER SCHOOL in the early 1920s shown from the corner of East 25th and Kate streets. It is evident there were drainage problems at that time, too.

Capt. Emil Brominski Completes Army Course

Army Capt. Emil J. Brominski, 26, son of Mr. and Mrs. Henry Brominski of 1447 Grand avenue, completed an Ornate Officers Advanced Course at the U.S. Army Ordnance Center and school, Aberdeen Proving Ground, Md., recently.

During the nine-month course, he received instruction in all areas of Army Ordnance and

was trained in supply and maintenance operations.

Capt. Brominski entered the Army in June 1963 and was last stationed at Ft. Stewart, Ga. He received his commission through the Reserve Officers Training Corps program and holds the Army Commendation Medal. He received a B.A. degree in 1963 from Westminster College.

FREE TOUR LITERATURE AT HOLIDAY SERVICE

Marine Pfc Chas. Cooper With Aircraft Unit

Marine Pfc Charles R. Cooper, a son of Mr. and Mrs. James Cooper, 506 Jefferson street, Venice, is serving with the First Marine Aircraft Wing in Vietnam.

The First Marine Aircraft Wing is an air arm of the Third Marine Amphibious Force. The Wing operates several hundred aircraft including fighter, attack, reconnaissance, helicopter and transport aircraft.

Lawn & Garden

WAYNE B. SIEFERT
Extension Ornamental Horticulturist
for St. Clair and Madison Counties

Fertilizing Zoysia

Fertilizing Zoysia turf will change any zoysia lawn from light green to a handsome blue green.

Zoysia and Bermuda lawns respond in a dramatic way with adequate fertilizer and good care. Lots of nitrogen and close cut is the ideal practice to produce a carpet of beautiful grass.

Two fertilizer applications are recommended. Early June and early August applications promote these grasses best when rains and warm weather favor growth. Apply two pounds of nitrogen per 1000 square feet during each application by doubling the rate suggested on the fertilizer bag. Some prefer fertilizing Zoysia every month during June, July and August. They apply one pound of nitrogen each month by following the recommendations on the bag.

Close cut is the other key to extra quality of a zoysia or bermuda lawn. Set your mower to cut less than one inch. Frequent mowings will create a dense carpet of dark green grass. Catch the clippings to avoid trace of dry grass after mowing.

Renovating Zoysia
When Zoysia lawns develop a

spongy sensation they should be renovated to remove thick thatch and dead stems.

Seasonal growth produces a new layer of stems and old leaves until a mat-like sensation occurs when you walk across your lawn. Poor growth of trees and nearby shrubs as well as the Zoysia often occurs because the rotting leaves and stems use up nitrogen and hinder air penetration. Dethatching will renovate these turf areas by removing most of the dead plant material without destroying the growing grass. Aerifiers and vertical cutting mowers can be rented to loosen up the dead material so it can be raked up and destroyed. A pickup truck load or more is common from an average lawn.

Renovating may seem like a disaster when the job is finished. A truckload of dead straw and very little grass is the common remark. But a few days of warm weather and the monthly application of fertilizer will quickly restore your lawn to the high quality you expected.

Has Beens Proving To Be 'Strill Ams' In Eastern League

Ralph & Charlie's outdid the Raiders 14-3, Diamond Plating splintered past Jim Green Construction 8-7 and the Has Beens made "has beens" of Keith's Lounge players 5-3 in Eastern softball Monday at Worthen Park.

Ralph & Charlie's hit more to score more. John Chomko and Bob Mink were the most successful batters.

In the third extra inning, Diamond Plating won, on Dave Wilson's triple and Monte Ritchie's RBI single.

All of the Has Beens' five runs were collected during the fifth frame on six consecutive hits.

80 Will Compete in Motorcycle Racing At Speedway Sunday

The first Gateway Motorcycle Classic, Sunday afternoon at the Tri-City Speedway, 2100 Nameoki road, will pit more than 80 professional and amateur cycle riders in races for trophies.

Some of the top names entered are: Ken Presagrove of Topoka, Kan., Charles Seale of Dayton Beach, Fla., Donald Thompson of Hazelwood, Mo., Neil Koen of Decatur, Ill., Ronald Widman of St. Louis and Darrell Dovel of Kansas City, Mo.

Time trials will start at 1 p.m., with races beginning at 2 p.m.

REELFOOT LAKE FISHING by Ernest Kelly, 2208 Washington avenue, produced these 72 bluegill and 10 striped bass this week. He also was successful in fishing for crappie.

Mercer, Braves to Battle for 2nd Place

Falling to third place in dividing a doubleheader with first-place Collinsville, the Mercer team this Sunday will have an opportunity to regain second. It will travel to Pocahontas for a 2:30 p.m. game with the runner-up Braves.

Other 2:30 p.m. Sunday Inter-City Baseball League matches are Maryville vs. Granite City Steel Credit Union at Wilson Park and East Alton at Collinsville.

Oldsters Robust Enough to Score 63 Runs in 3 Tilts
Midtown Pharmacy crushed the Quad-City A's 15-4, Local 16 beat Tony & Joe's 13-7 and Hook's trampled Legion Post 113 by 17-7 in Junior Poole Over 35 League softball at Wilson Park Monday.

Midtown in the opening frame scored five runs on five hits and three errors. This, combined with superior defensive ability, was enough to defeat the A's. Ed Reinagle batted 4-4 with a double and a triple. Local 16 and Tony & Joe's became tied 7-7 in the fourth, and neither scored in the remaining three regulation innings. Then, Local 16 scored six on six hits in the extra inning to win. Don May homered, and Babe Ameling connected 4-5, including a double.

Hook's pounded 20 hits to the Legionnaires' 13 safeties. Jim Black homered. Others successful at the plate were Pep Elmore, E. "Smitty" Smith, Clayton Harrison, George Gavlack, Charlie Metzer and Rich Fry.

Women's Regional Softball Tourney Here This Weekend

The Women's Granite City slow-pitch softball regional is to be held Saturday and Sunday in Worthen Park.

The regional winner will be eligible to go to the national championship tournament in Chattanooga, Tenn. Teams must enter by Friday.

For more information, teams may call Supl. Harlan Brown at the GC park district office, 377-3069.

BOYS' BASEBALL
Granite City Park League games are played at 6 p.m. in Wilson Park, unless as indicated. Nameoki-Pontoon Little League games are played at 6 p.m., unless as indicated; senior league at Pontoon diamond; Minor and Major Leagues at Nameoki diamonds, Mitchell Khoury League games begin at 6 p.m. on the Mitchell athletic field. Model Aviation Has a Long, Exciting History

By JOHN BLUM
President, Tri-City Sky Stealers
(First of a Series)

The beginning of the age of aviation is documented by many sources back to a 13th century Englishman, Roger Bacon, and the theories of Francesco de Lana, a 17th century Italian.

Better known to everyone is Leonardo da Vinci, great mathematician of the 15th century and a noted painter, sculptor, architect, musician and engineer who evolved many theories applicable to man-carrying, heavier-than-air machines.

To the model airplane enthusiasts, da Vinci qualifies as one of the earliest model airplane hobbyists, having used gliders for experiments to prove and develop many valuable ideas.

Link to Space Travel
Models play an important role in the design and creation of many things we use today. The aviation industry depends on the use of models to an even greater extent because of concern for possible human casualty. Much of the success of today's traveling effort has depended on experimental models.

Many thousands of people throughout the world model aviation hobbies offer an outlet for creativity not enjoyed by individuals in everyday life. Most enthusiasts are satisfied with building and flying model airplanes, others are involved in design, fuels, aerodynamics and development of model aircraft or the invention and creation of equipment and accessories.

While these individuals follow their pet projects, others use their talents to reporting model aviation activities and writing articles on design and construction.

Reaches Nearly Every Home

It is possible that almost every home in the world, at one time or another, has possessed a model airplane of some form. This year, over 25,000 model aviation enthusiasts will take part in organized activities through membership in the national Academy of Model Aeronautics; this does not include the many thousands who pursue the sport on an individual basis.

The building and flying of a model airplane can be done in a simple or complex manner. The model can be either of the plastic ready-to-fly variety or built of many pieces of balsa, requiring much glue and patience.

The multi-million-dollar model and accessory industry produces a wide variety of model airplane kits that anyone can assemble.

Most participants prefer to build with kits, having a prepared set of plans and instructions and many of the parts pre-cut. Kits presenting an enjoyable building project without designing worries and offers a near fail-safe model that is sure to fly.

Can Require Many Months

Some modelers are not able to find the kit model which will produce results to their standards and prefer to design the model, draw the "blueprints" and cut out and assemble all of the parts themselves. Consequently, a model airplane may take from several hours to many months to build.

There are many cases of a whole family taking part in building and flying models.

In today's world of technology, the youngsters have much to learn at an early age. Model building offers not only achievement in physical dexterity but mental challenge as well.

It is not unusual for a young child to compete nationally in gas-powered competition; using models he assembled, or to draw a set of plans from reference material for the desired model.

Mathematics, Drafting
To use mathematics, read blueprints, operate a drafting tool and figure on a slide-rule offers such an educational experience of importance in later schooling and life.

Most modeling buffs pursue the hobby in one of four broad classifications: static or display models, free-flight, control-line or radio control.

In the early days, all model airplanes were the free-flight type with perhaps spring or elastic band turning a propeller. By expert trimming of the model and the use of small devices, the flight path of the free-flight model can be approximately pre-determined.

With the advent of a commercial two-cycle gasoline model airplane engine in the late 1930s, the modeler took to the air with more power and greater heights and is still a big activity in this country.

In fact, most of the entries, over 800, in the National Model Airplane Championships, sponsored by the U. S. Navy and the Academy of Model Aeronautics and held at the Willow Grove Naval Air Station, this month near Philadelphia, Pa., are in free-flight categories.

In the early 1940s the problem of limited available space

for free-flight was answered. A method to control a model airplane within a given area was promoted by a devoted hobbyist and model equipment manufacturer, Jim Walker.

This new approach became known as "control-line." It is the type of model flying in which the flight path is governed by a length of steel cable or cables (usually two) extending from the hand of the pilot to a control device in the model.

Piloted from Ground

This permits the "landlocked" pilot to fly his model in a circle from take-off to perform stunts and maneuvers such as loops and figure eights, through to a landing.

Radio development of the most sophisticated model airplane, the radio control model, occurred around 1940-41 within the model upon command through the military, although radio control models were flown in national competition beginning in 1938.

Popularity of these models among hobbyists was slow to develop at first, due to the expense of a guidance unit. These models are the most spectacular because they simulate the most accurately the attitude of a full size airplane.

Built and powered like most any other model airplane, they differ in the means of control; an electronic receiver in the model actuates control levers within the model upon command of a guidance unit. These signals received from a transmitter held in the hands of the pilot.

Display Models

The fourth category is the display model, commonly known as the "shelf" model. What was once a great challenge to carve a model airplane from solid balsa has been greatly simplified by the advent of the plastic model airplane.

These models, designed to the scale of a real aircraft, are built by the thousands. In the story of Model Aviation, the greater St. Louis Area has played a large role. The most spectacular activities of past years perhaps were the St. Louis Model Airplane Championships in St. Louis and the national success of the once famous Stix Aero Club of the 1930s.

300 Active in Area

Today, there are over 300 model airplane enthusiasts in 12 school airplane clubs located on both sides of the river belonging to the Greater St. Louis Model Association.

Several district model airplane contests are scheduled this summer.

Of particular local interest, the Tri-City Sky Stealers will co-sponsor a flyoff at Alton's Civic Memorial Airport on Aug. 3.

Concluding this year's flying season will be "Finals" competition at Valley Park, Mo., to select the control-line team to represent the U. S. in 1970 international competition in Holland.

Hagopian Smashes 2 Homers in High School Park Loop

B&A Bombers won over Mexican Legion 6-3, St. Joseph CYO beat Spanky & Our Gang 16-6 and Hagopian's wrung out Mertz's Laundry 10-6 in high school boys' softball at Wilson Park Tuesday.

B&A enjoyed a four-run second inning on four hits and three enemy errors. Sam Valencia and Bobbie Galvan each batted 3-4.

St. Joseph's built a strong lead and Our Gang's late-inning scoring fell far short. Steve Steiner batted 5-5, including a home run and a double, and Brad Roberts homered.

Hagopian's entered the final frame with a 10-0 lead and then fell apart defensively.

In the last inning, Mertz's put nine runners on base with five errors and five hits but fell short of a victory. Jerry Cooke batted 4-4. Mike Hagopian suggested two home runs and Art Asadorian homered.

Caton's Scores in Overtime to Gain 11-10 Park Victory

W&W Lumber knocked off Miles Lab 15-2, Caton's nipped W&W Confectionery 11-10 and the Steelers topped Branding's Service 9-3 in Southern division softball at Worthen Park Tuesday.

B&E took an 18-6 hitting edge and after the opening inning, held Miles scoreless. Tim Wallace homered and Jim Becker doubled, each batting 3-4. W&W scored three in the seventh to tie the game, but in the extra inning, Caton's hitting department brought home the winning run. Bob Harris batted 4-4 with a double. Rick Thompson scored by a double. Ben Pessell, Clark Niepert and Larry Wallace, 3-4 each.

The Steelers opened with six runs, marked time and then McClain homered and Ed Bur-

Homers, Other Hits, Errors Aplenty in Girls' Softball Play

Schreiber's Embroidery edged Ashland Insurance 19-18, Ed Moore Construction 8-4 and Clean Craft Cleaners 15-14, Rozyski Realty ripped Ravnelli's 16-10 and Jacobmeyer topped Seebold Concrete 16-7 in high school girls' softball at Wilson Park Wednesday.

Schreiber's won with 24 hits and 17 errors over Ashland's 18 hits and 11 errors. Jaue Cowan homered, Linda Moore was 2-2 and Cathy Murphy 3-3.

Moore's 18 hits and 16 errors succeeded against Clean Craft's ten hits and nine errors. Cathie Farrington was 4-4 with a double and triple. Rose Alvarado, Pat Mink and Karen McGovern slugged consecutive homers.

With each team making 11 errors, Rozyski won by hitting twice as many as Ravnelli's Debbie Thompson, 3-3, and Melodie Thindal, Diane Schultz and Kathy Hagauer homered.

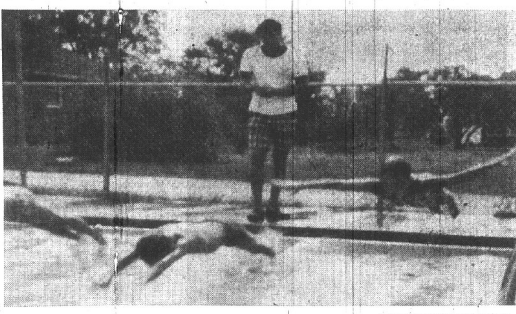

Two Western Loop Games Decided By One-Run Margins

Tom's Left Overs edged Inn Between 11-10, Friederich Heat & Air defeated the Cardinals 9-2 and Pieper's Walloped Andria's 10-3 in Western division softball at Worthen Park Wednesday.

In the top of the final inning, Inn Between scored twice on an error, single and double to tie the game. The Left Overs came back for the winning score on two singles, Tom Bladick, Al Yount and Mike Greco baited 3-4, including extra-base hits.

Two Cardinal errors involved in two of the enemy runs may have been the critical difference in the low-scoring contest. Bill Apperson homered, Dean Johnson was 3-3 including a triple and Gary Gaines 3-2.

Pieper garnered 17 hits and was errorless, while Andria's hit only eight times and erred four times. Top batters were Steve DeRossett and Ron Sheppard.

FLYING FISH? Paddlers swim coach Herb Holland times several of his 9- and 10-year-old swimmers in preparation for a meet tonight at the local pool, 2121 Johnson road, against the Dupo Hilltoppers. Doing a bird-like dive on the right is Judy Reisinger, in the center is Richard Becker and on the left is Mike Barth.

Paddlers Overcome Montclair Team

The Paddlers Tuesday hosted and defeated Edwardsville Montclair 30-20.

Today, the Paddlers swimmers will host the Dupo Hilltoppers in a meet starting at 6 p.m. On Monday Paddlers will travel to Belleville for a 6 p.m. meet against Dorchester.

Commenting on his team's progress, the Paddlers swimming coach, Herb Holland, said, "They had a completely different attitude from the last meet. This time, the team really wanted to win."

At Tuesday's meet, Mark James set a new Paddlers record for the 154-year division in the 100-yard freestyle with a time of 1:02.7, breaking the old mark of 1:02.7.

Winning three events each for Paddlers were: 9-10 years, Terry Reisinger; 11-12, Terry Hollis, and 15-17, Ann Bickhaus and Bill Beatty.

Perry Dillard won the 13-14 and 15-17 diving events.

Two Police Chiefs Elected to Offices

Two local police chiefs were elected to offices of the Madison-St. Clair County Chiefs of Police Association Wednesday afternoon at Cahokia.

They are Emmett Pavia of Madison, named first vice-president; and Ronald Veizer of Granite City, named secretary-treasurer. Merle Justice of Cahokia was elected president.

Battery Charge Filed

Lindell Cowan, 2008 East 25th street, was arrested at 8:10 p.m. Wednesday on a warrant charging aggravated battery.

The complaint was filed by Phyllis Cowan. He was released on \$100 cash bail.

Legion Edged 2-1 In Final Contest: 8-8 League Record

American Legion Post 113 finished its season with an 8-8 record after being edged by Edwardsville Post 199 in a 2-1 game Wednesday at Wilson Park.

Granite City Jim Becker hurled a four-hitter but two errors allowed two unearned runs. His team was held to four hits by two pitchers. Becker earned four of Post 113's eight wins and led the team in batting with a .390 average.

Edwardsville's scoring in the opening frame on a single, sacrifice bunt and dropped fly ball in the field. The visitors increased the lead in the third on a double and throwing error.

An opportunity to tie the game was missed by Granite City in the bottom of the final inning. Don Harris opened with a single, followed by Becker's long single, but Harris was only able to advance to second. Mike McGovern bunted to advance both runners. Jerry Monahan bounced to the shortstop, with Harris scoring and Becker going third. Scramging then took the mound for Edwardsville, relieving Johnson, and ended the rally.

The American Legion division leaders, Belleville Post 58 and Collinsville Post 365, will play a best-of-three series to decide the 22nd district championship. The first game, will be tomorrow at 8 p.m. at Fletcher Field in Collinsville and the second game will be Saturday at 2 p.m. at the Belleville Citizens Park.

Harris Elected Head Of County Police Group

William Harris of Granite City has been elected president of the Madison County Police Association.

Other new officers are Harold Ingram of Wood River, vice-president; Ronald Veizer of Granite City, treasurer; Louis Death of Bethalto, secretary; Frank Dewitt of Venice, Ray; Raymond Willard of the sheriff's office, Emmett Pavia of Madison, Louis Mank of Granite City and Dominic Gilgley of Collinsville, directors and Cleo Angeloff of the state police and John Onesty of the sheriff's office, sergeants-at-arm.

The association will hold a dance Aug. 2 at the Collinsville park ballroom. Joey James will provide music. All members, including associate members, will be admitted free by showing paid-up membership cards.

Crash Injures Two

Robert Coleman, Jr., 20, and Richard Ahlvers, 19, both of Edwardsville, were injured in a two-car collision on Highway 162 near State Afd 35 about 8:40 p.m. Wednesday.

Both young men were driving and going in opposite directions when the accident occurred.

Coleman, who is in the U.S. Navy, was home on leave from Virginia Beach, Va., and was due to return today. He was first taken to St. Elizabeth Hospital and then transferred to Scott AFB Hospital. According to his mother, he began spitting blood, has a ruptured spleen and is in the intensive care unit.

The Ahlvers youth was taken to the hospital by ambulance and treated for 1 1/2" scalp cut, a half-inch cut to his left elbow and abrasions and contusions to the left hand and chest.

Driver Sought

Madison and was a member of Temple Baptist Church in Madison.

He enlisted in the U. S. Army in 1962 and served three years until 1965. He was assigned to the Granite City Army Depot after receiving his basic training and training as a payroll specialist at Fort Leonard Wood, Mo.

Survivors include his wife, Mrs. Jeanette Taylor; two sons, Tommy Taylor, five, and Michael Taylor, one; his parents, Mr. and Mrs. Sam (Dorothy) Taylor of Madison; his grandmothers, Mrs. Edith Collins of Madison; a brother, Gary Taylor of Madison; and two sisters, Miss Terry Lynn Taylor of Madison and Mrs. William (Paul) Fedorchak Jr. of Wood River.

An obituary notice appears elsewhere in this issue.

Three Persons Injured

Three persons were injured when an auto driven by Shirley M. French, 33, 801 Kirkpatrick Homes, struck the rear of a car driven by Lynn E. Lasswell, 11, Glen Carbon, who was making a left turn off State Afd 35 a half-mile west of Highway 111 at 2:30 p.m. Monday.

Mrs. French and her two children, Rodney, 13, and Geoffrey, 11, were taken to St. Elizabeth Hospital. Mrs. French was admitted with cuts to the knees. X-rays were taken of the skull, chest and knees.

Rodney was admitted with lacerations to the left chin and face requiring 20 sutures. Geoffrey had abrasions and contusions to the left cheek and left shoulder. His facial bones were x-rayed and he was released to the care of his physician.

Motorist Injured

James T. Dudley, 49, of 1509 Seventh street, Madison, was taken to St. Elizabeth Hospital at 12:15 p.m. yesterday for a nose laceration suffered in an accident in the 1100 block of Madison avenue. Madison police said Dudley's pickup truck was struck from the rear by a tractor unit driven by Joe B. Wallace, 2655 Cleveland blvd., when Dudley stopped for another car that was pulling into the street from a driveway. Dudley was given a skull x-ray and released.

Cale Green, 19, of 2309 East 26th street, was injured when an auto in which she was riding, driven by Shirley J. Nobs, 22, same address, collided with a car driven by Imogene Taylor, 2261 Lee avenue, at 6:35 a.m. Wednesday at 22nd street and Washington avenue.

The Green girl was taken to St. Elizabeth Hospital with a sprained left ankle, abrasions and contusions to both knees and cuts to her left thigh. She was treated and released.

Speeding Charge Filed

A speeding ticket was issued to Robert E. Mitchen, 137 Trochler lane, at 2 a.m. today at 4000 Nameoki road.

right ankle. He also was x-rayed and released.

Terry Goucher, 26, of 641 Ashland avenue, was admitted to St. Elizabeth Hospital for observation for a possible back injury as a result of a two-car accident at 11:50 p.m. Tuesday at the intersection of highways 20 and 111. He was released from the hospital on Wednesday. Other details were not available from state police headquarters.

Simpkins to End GC School Music Duties

Warren G. Simpkins, Granite City high school vocal music director for a number of years, plans to leave the school system to take another position, it was disclosed by a review of pending resignations at last night's school board meeting.

Action on resignations was deferred until after the completion of a resignation period, ending at 4:30 p.m. tomorrow, which the board has stipulated in a letter to all teaching personnel.

The board, presided by Leslie G. Reed, were authorized to conduct physical examinations for cafeteria workers.

The board added 1/2 of 1% to the original fee architect Virgil H. Dulerger on pending work, due to its decision to have two new grade schools include differing designs and facilities rather than being identical.

Exposes Self to Girls

A man in an auto who tried to pick up two girls, exposed himself when they refused to accompany him early Tuesday evening on 23rd street.

Washington avenue and again on Iowa street. The girls refused the case at 10:10 p.m. Wednesday shortly after the same man started making passes at them in the 2200 block of Lee avenue.

License Charge Filed

Larry Dale Armstrong, St. Charles, Mo., was arrested at 5:35 a.m. today at 22nd street and Madison avenue on a charge of driving while his license was suspended or revoked.

Creek was charged with illegal possession of liquor, while Johnson was charged with purchasing liquor for use by minors, illegal transportation of liquor and having no valid registration for his auto.

Man, Youth Arrested On Liquor Charges

Liquor charges were filed against Ballard Johnson, 46, of 4004 State street, Madison, and Donna Creek, 17, of 1501 Edwardsville road, after they were arrested at East 21st street and Lee avenue at 2:30 p.m. Wednesday.

Creek was charged with illegal possession of liquor, while Johnson was charged with purchasing liquor for use by minors, illegal transportation of liquor and having no valid registration for his auto.

Granite City PRESS-RECORD

Thurs., July 24, 1969 Page 7

3-Year Pacts

new agreements, after 75 days another 10 days of sick leave will be added yearly to a maximum of 200.

Adjustments were made in a series of memorandums of provisions of various pacts to make them uniform.

Vacation, Probation

With the vacation schedule providing 15 days after four years and ten months of employment, the district increased the maximum to 20 days after 11 years and 10 months, for 12-months-a-year employees.

Instead of a probationary period of 90 working days for custodians, the figure was changed to 30 working days. Columbus Day was added as a holiday, in conformity with state law.

Negotiating procedures, included in past cafeteria and secretarial agreements, were extended to the custodial and craft employees.

The board also entered into a series of memorandums of understanding supplementing the working agreements.

Man Exposes Self

A Granite City woman reported at 5 p.m. Wednesday that she saw a man expose himself through the door of a house next door in the 2000 block of Edison avenue. She called police but the man was gone when officers arrived.

Dinner Honors Mrs. Argelan

Mrs. Irene Argelan, who is leaving soon to reside in Witt, Ill., was honored Tuesday evening at a party given by her pinocchio club.

Dinner was served at the Rose Bowl before the meeting, and the remainder of the evening was spent by the group as guests of Mrs. Marie Perry at her home, 2509 Hodges avenue.

Mrs. Argelan was presented with gifts from the club and from her "sunshine friend," and prizes at cards were won by Mrs. Grace Hennrich, Mrs. Grace Range, Mrs. Gertrude Fleming and Mrs. Della Hagan. Others present were Mrs. Virginia Unfried, Mrs. Kathryn Johnson and the honoree.

The next meeting of the club will be with Mrs. Range on Lynch avenue.

MEMBERS HONORED BY WHITTLE CLUB

Mrs. Vernie VonNida, leader, opened Monday night's meeting of the Whittle By Whittle club with the 'Take Off Pounds' pledge.

Mrs. Glydas Hutson called the roll and those answering were Mesdames Carmen Bridick, Rosalie Bronnauer, Virginia Cotter, Sharon DePew, Gloria DeKuntz, Jo Gipeon, Peggy Hackney, Edith Harris, Ruth Hubbard, Evelyn Hubbard, Blanche Kopsic, Linda Miles, Kathy Pfaff, Elveria Sharp and Pat Pelo and Miss Carol Gauen.

Miss Debbie Miles, Miss Carol Gipeon, Miss Pat Strajduhar and Miss Ruth Stover.

Mrs. Bronnauer conducted a weigh-in, and Mrs. Von Nida delivered a "pep talk" to the members. Mrs. Cotter presented a treasury report.

Mrs. Pelo was crowned "queen of the week" by Mrs. Bronnauer. She received a jeweled tiara and a prize as the club sang "Hail to the Queen."

Mrs. Pelo was crowned "queen of the month" and received a special prize for the honor.

Mrs. Bronnauer awarded Mrs. Pelo her second charm for significant weight loss. Mrs. Linda Miles also received her second charm. Mrs. Kopsic was awarded a charm for completing eight straight weeks of weight loss.

Mrs. VonNida reported on a family picnic the club sponsored Sunday at Wilson Park. A special ceremony was conducted by the leader, who had all present form a circle as she lit a candle. Each member came forward, lit a candle and told why she had joined the club. The Tops Pledge was repeated in unison.

Hostesses for the evening, Mrs. Cotter and Mrs. Gipeon, served ice tea and diet cookies. The club will meet next Monday night at the East Side Levee office.

National Honor For Mrs. Jackson

Mrs. Ruby Jackson, a member of the Granite City Business and Professional Women's Club, has been recognized by the National Federation of Business and Professional Women's Clubs, Inc., for her contributions to membership growth.

She is one of an elite group of about 180 members of the 178,000-member organization who have sponsored at least five new members each year for the past five years. She has been cited as a Gold Card Member for this achievement, and recently she attained the status of Solid Gold Member of the BPW Federation.

Solid Gold Members attending the Golden Anniversary Convention of the BPW Federation in St. Louis were recognized Tuesday at the organization's annual Awards Program, one of the highlights of the four-day convention. They were also feted at a continental breakfast Monday in the Moroccan Room of the Chase Park Plaza Hotel where they were presented with a souvenir membership card by National President Hope Roberts of Reno, Nev., and National Membership Chairman Opal Hulen, Wichita, Kan.

The National Federation of Business and professional Women's Clubs, Inc., is celebrating its Golden Anniversary in the city of its birth. Founded on July 10, 1919, in St. Louis, its aims are to promote the interests of all business and professional women. It has a membership of more than 178,000 women throughout the United States, Puerto Rico and the Virgin Islands. Through membership in the International Federation of Business and Professional Women, it is affiliated with working women of 41 other countries.

Federal Street Improvement Plan Outlined

The federal government's new TOPICS program in which cities will be eligible for federal funds to improve the capacity and safety of existing city streets could include such projects as construction of a grade separation on Niedringhaus avenue in Granite City and canalization of traffic at Edwardsville road and McCambridge avenue in Madison, Illinois.

Highway engineers told a meeting in city hall yesterday. Communities participating in the program will be required to provide matching funds on a 50% basis, although the state, in some cases, may financially aid communities in the engineering and planning work of proposed improvement projects.

According to John Kusior, assistant district roads engineer of Illinois Highway District 8 at French Village, the state outlined details of the program and told city officials and representatives what they must do to participate in the new development plan.

Other highway engineers attended the meeting in the mayor's conference room on the third floor of the city hall.

Included Robert Kronst, District 8 engineer; Louis Burg, District 8 roads engineer; Kusior, who has been named by Kronst to handle the TOPICS program in the district; Frank Brown, assistant Illinois highway planning research engineer from Springfield, and Larry Wieshaar, TOPIC engineer from the Bureau of Local Roads at Springfield.

To Relieve Congestion
The program—known as Traffic Operation Program to improve the Capacity and Safety of city streets—primarily is limited to projects that will improve the movement of traffic or relieve congestion, Kusior pointed out.

This would include such projects as installation of traffic signals, channelizing intersections with medians and left-turn bays and the widening of intersections. It does not provide for new paving construction.

Brown pointed out that the federal government has allocated \$2.5 million to Illinois for the next two years. With matching funds this will permit \$50 million in city street improvements, he noted. Kronst emphasized that the program is the first in which the federal government has provided money for improvement of city streets that are not part of a regular federal or state highway network.

Stephen Maeras, mayor of Madison, asked how much money would be available for improvement of Madison avenue with safety features, and was told that it would. Kusior ex-

By Press-Record Staff Photographer

NEW FEDERAL FUNDING program for municipal street improvements is outlined at meeting of city officials and engineers here yesterday. Explaining preliminaries of program is Louis Burg (standing at right center), road engineer of District 8 of the Illinois Highway Department. Attending session, clockwise from lower left: Howard Colquitt, Mayor Stephen Maeras, George Shanahan, Willard Bunte, Kenneth Kieberger, Burg, John Kosier, Frank Brown and Larry Weishaar.

plained that planning should be done on an areawide basis, including improvements for a number of communities.

Fund Freeze Applies
While the federal freeze on highway funds for the Madison and St. Clair county area includes the TOPICS program, he suggested that communities begin now to make plans for improvements that could be carried out as soon as the freeze is lifted.

Mayor of Partney of Granite City, whose efforts to obtain federal funds for a Niedringhaus avenue grade separation have been unsuccessful, was out of the city. He was represented at the meeting by Police Chief Ronald Veizer, and Kenneth A. Kieberger, Granite City consulting engineer.

Also at the meeting were George Shafabian of Sheppard, Morgan and Schwaab, consulting engineers for Madison, Venice, Collinsville and several other area communities; Willard F. Bunte of the engineering firm of Crawford, Bunte, Roden, Inc.; Madison Police Chief Emmett Pizia, Chamber of Commerce Secretary Howard Colquitt, and William Hoelscher, executive manager of the Manufacturers Association.

Injured in Fall

Mike Parks, 20, of 2017 Maryville road, was treated at St. Elizabeth Hospital about 4:40 a.m. today for a head cut sustained in a fall in the 200 block of Madison avenue in Madison. Police said Parks told them he was walking across Madison avenue and as he reached the curb he slipped and fell, striking the back of his head on the pavement. Five sutures were required. He was released after treatment.

Granite City PRESS-RECORD
Thurs., July 24, 1969 Page 11

Clean Up Chores For City After Rains, Storms

An aftermath of this month's heavy downpours of rain was a notice to the Granite City council Monday night that the city's contract trash collectors may need extra help in gathering up furniture and fixtures that were warped or ruined in flooded basements.

Milam East Corp., the contract firm, so far has been able to cope with the added work, but in a letter to the council said the accumulation of extra trash is working a hardship on the crews.

The firm's representative said many large items of furniture and equipment destroyed in basement flooding are being placed along regular trash containers and the pickup crews are having difficulty handling it. Alderman Nomm called for strong enforcement of city laws pertaining to garbage containers. "I was called to one place where a large 30-gallon container of garbage was without a lid and was filled with water. You just can't pick something like that up, and I sure wouldn't want to," Nomm added.

He suggested the city laws pertaining to covered containers and wrapped garbage should be enforced.

A nother problem resulting from severe storms and near-tornadoes is disposal of uprooted trees.

Alderman Paulos suggested the city might hire extra workers and rent large trailers to haul the debris away.

It was suggested the street department cut down the number of trips to the dump by using the city's grinding machine at a central location and then getting a permit from the state Air Pollution Control board to burn the sawdust.

Mayor Partney said he has seen city trucks with "shirthead loads" of limbs headed for the dump. "If we use the grinder, only a few trips would be necessary," he added. Nomm commented that he had heard the street department crews were "afraid of the machine."

Alderman Boker asked for the street sweeping machines to be placed in operation in the Cloverview area. We can't hope to wash away the silt and stuff, because there's too much water in the area now," he added.

License Charge Filed

A warrant charging her with driving without a valid operator's license was served on Donna L. Squires, 23, of 3305 Kirkpatrick Homes, Tuesday, at the police station.

Paddlers Board Plan Special Summer Events

The Paddlers executive board met Tuesday evening in the St. Elizabeth Hospital library, and Mrs. LaVerna Meyer, chairman for a pre-tent party, announced the event has been postponed until further notice.

The annual tent night is planned for Aug. 9 with a "Laugh In" theme and the Mosburg Shotgun. Mrs. Jo Ann Kaler, chairman, said tickets will be \$11 in advance and \$15.00 at the gate. Other mothers who are selling tickets are Mrs. Meyer, Mrs. Bess Weiss, Mrs. Zena Voss, Mrs. Betty Skirball and Mrs. Sharon Loftus.

Other dates announced during the meeting were the SWISA meeting for Aug. 12, and the family picnic, Aug. 24.

Madison Woman Injured

Evelyn Stanley, 24, of 313 Second street, Madison, was treated at St. Elizabeth Hospital about 11 p.m. yesterday for bruises suffered when she was struck by a man near her home. The woman told police that she was struck several times and dragged across the street by a former boy friend. No arrests were made. She was released after treatment.

Motorcycle-Auto Crash

Damage to an auto driven by James G. Doroghazi, 3148 Rodgers street, and a motorcycle ridden by William H. Clark, East St. Louis, resulted from an accident in the 1300 block of Madison avenue at 2:20 p.m. yesterday. Madison police said both vehicles were southbound on Madison and Clark was making a left turn.

Medical School Dean At SIU to be Named

Appointment of a dean for the new School of Medicine at Southern Illinois University-Carbondale campus is expected to be made by the start of the new school year in September from a list of candidates reviewed by a joint committee of trustees representing SIU and 2 Springfield hospitals.

Robert MacVicar, chancellor of SIU at Carbondale, said the review of candidates has been completed. The first four members of the School of Medicine faculty were appointed last month.

Springfield Memorial Hospital and St. John's Hospital at Springfield will provide the clinical training facilities for the medical school, with undergraduate training at the Carbondale campus. MacVicar has set 1972 as the first date when the first students will be formally

Tanks Burn at Plant

Firemen were called to American Steel Foundries at 1:15 p.m. Monday when acetylene and oxygen tanks caught fire. There was no loss as the tanks burned themselves out. Firemen were on the scene 15 minutes.

Station Wagon Found

A 1965 station wagon stolen from the home of Bill Heil, 2605 East 25th street, last Sunday, was found by the owner Tuesday morning in Washington Park. It was drivable and there was no damage.

admitted to the SIU School of Medicine after completing the first three years of undergraduate training.

That would mean the first class of clinical trainees would go to Springfield in 1973, with 1976 the date for SIU's first class of full-fledged graduating doctors. The SIU program will be geared to produce 50 physicians a year.

Canal Freight Drops in First Half of Year

Commercial freight shipped through the Chain of Rocks and canal during the first half of this year fell behind freight tonnage for the same period of the previous year by 600,436 tons, figures reported by the U. S. Army Corps of Engineers showed today.

Freight movements through the locks amounting to 3,983,980 tons during June increased this year's six-month total shipments to 19,905,078 tons, compared to 19,304,642 tons moved through the canal during the first six months of 1968, the reports show.

The tonnage drop from January through June this year marks the second year in which shipments have declined below peak figures set in 1967 when a total of 43,243,645 tons of freight moved through the locks during the 12 months of the year to set the highest annual freight shipments of any single year since the locks went into use in 1954.

amounted to 43,072,743 tons to mark the first falloff in annual freight shipments. However, the largest volume of shipping seasonally occurs during July, August and September and sometimes continues into October. As a result, total shipping volume for the full year can be heavily increased during the second half of the year.

The shipment of 3,983,980 tons last month, however, was an increase of 386,071 tons over the June 1968, freight movements of 3,597,909 tons, the Army Engineers reports show. This also was an increase of 87,597 tons over shipments during the previous month of May this year.

A total of 5356 vessels moved through the locks during June, requiring 1066 lockages. These movements brought to 27,151 the total number of vessels passing through the canal during the six months of this year compared to 27,692 craft using the locks during the same period of 1968, and a total of 4942 lockages for the six months this year, com-

pared to 5096 lockages during the first half of last year.

List June Shipments

June freight shipments included 2,163,000 tons moving up river and 1,819,780 going down river. They include: Petroleum products, 445,128 tons up river and 188,000 tons down river; grain, 2000 tons up and 1,414,550 tons down; coal, 987,600 up and 6900 down; cement, sand and gravel, 11,400 up, 35,550 down; sulphur, 20,250 up, 600 down; miscellaneous commodities, 369,875 up, 54,450 down; iron and steel products, 46,700 up, 93,830 down, and chemicals, 280,050 up, 25,750 down.

Monthly freight shipments this year, compared with those of the same month a year ago (shown in parenthesis) were as follows:

January, 2,173,735 tons (2,388,210); February, 2,901,925 (2,862,790); March, 3,448,872 (3,957,350); April, 3,440,183 (3,750,500); May, 3,896,383 (3,928,315); June, 3,983,980 (3,597,909).

Major J. J. Blake Receives Medal

U. S. Air Force Major J. J. Blake, son of Mr. and Mrs. J. C. Blake, 2458 Grand avenue, has been decorated with the Air Medal at Ubon Royal Thai AFB, Thailand, for action in Southeast Asia.

Major Blake, an instructor navigator, was awarded the medal for outstanding accom-

MAJOR JULE BLAKE
Medal Winner

ship and courage on successful and important missions completed under hazardous conditions.

The major, assigned to a unit of the Pacific Air Forces at Ubon, has served with the expeditionary force in Berlin, Cuba, Dominican Republic and Laos.

A 1952 graduate of Granite City high school, he received his B.S. degree in history from St. Louis University in 1956 and was commissioned there through the Air Force Reserve Officers Training Corps program.

His wife, Elizabeth, is the daughter of Mr. and Mrs. George Henson, Little Rock, Arkansas.

Pass Crossing Gate

Charged with passing through the railroad crossing gate at West Ponton road at 1:25 p.m. Tuesday were Charles E. Soden, 3051 Sinclair avenue, and John Windcock of Alton.

GC Steel Reports Profit In 2nd Quarter Operation

Granite City Steel Co. returned to profitable operations in the second quarter this year with net income of \$901,000, or 22 cents per share of common stock, for the three months ended June 30, Nicholas P. Veeder, chairman of the board and chief executive officer, announced Wednesday. The company had a net loss of \$1,400,000, or 32 cents per share, in the first quarter of 1969. In the second quarter last year, net income was \$1,196,000, or 27 cents per share.

The second quarter's profit reduced Granite City Steel's loss for the first half of 1969 to \$448,000, or 10 cents per share of common stock. In the first half of 1968, net income was \$1,400,000 or 32 cents per share. Veeder said there was "a marked turnaround" in Granite City Steel's production capabilities in the second quarter with both the company's blast furnaces in operation for the first time since last August. For the third quarter, he said, "we anticipate further improvement in operations and shipments, assuming that there will not be any major change in general economic conditions."

Omit Dividend

The board of directors of Granite City Steel, meeting yesterday, voted to omit payment of a dividend for the third quarter of 1969. There also was no dividend paid in the first two quarters of this year or the fourth quarter of 1968. The company was forced to operate at a loss for most of last year without use of its iron and steel-making facilities.

Granite City Steel produced 388,000 tons of ingot steel in the

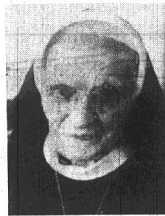

three months ended June 30, the second highest quarterly total in its history; shipped 278,000 tons of flat rolled steel products, and had net sales of \$41,375,000. In the second quarter of 1968, the company produced 367,000 tons of ingot steel, shipped 284,000 tons of products and had net sales of \$42,887,000. First half of 1969 production of ingot steel was 655,000 tons compared with 744,000 tons in first half 1968. First half 1969 shipments were 449,000 tons compared with 544,000 tons in first half 1968.

Strong Steel Demand

"The demand for steel was reasonably strong in the second quarter," Veeder said. "However, costs were high in some plant departments which have yet to reach full efficiency in the wake of the long period of operations at a loss."

"Granite City Steel's second quarter shipments were affected by strikes at manufacturing plants of some of our largest customers. Shipments of our subsidiary, the Granco Steel Products Company, were also affected adversely during the quarter by strikes in the building industry."

Granite City Steel produces plate, hot rolled bands, hot and cold rolled sheet, galvanized sheet and other flat rolled steel products for manufacturers and other steel users in a 25-state regional market.

SISTER MARY AMANDA

Sister Amanda, 87, Of Hospital Staff, Dies Wednesday

Sister Mary Amanda Walter, 87, a member of the staff at St. Elizabeth Hospital since August 1930, heading the sewing department, died at 9:05 a.m. Wednesday at the hospital where she had been a patient for the past seven months.

Her death occurred just eight days after the death of Sister Mary Cleta, 75, hospital anesthetologist.

Sister Amanda, who was born Aug. 28, 1881, in Bessersingen, Germany, joined the Order of Sisters of Divine Providence in Mainz, Germany in 1909. She was assigned immediately to the U.S. at a diocesan orphanage in Wheeling, W.Va. She spent one year at the order's Motherhouse in Pittsburgh, Pa., to be invested and took her vows in 1911. She then returned to the orphanage for four years.

She started her career in sewing. Sister Amanda's first hospital assignment was at St. John's Hospital, Pittsburgh, where she headed the sewing department, and it was 39 years ago that Sister Amanda joined 10 other nuns of the order at St. Elizabeth Hospital here.

She made a return trip to Germany in 1951 after 40 years' absence for a two-month visit with friends and relatives. She now has no known survivors. The Sister was active as head of the local hospital's sewing department until her recent illness. Funeral arrangements are given in today's obituary column.

Called to Disturbance

Police were called to a disturbance at a parking lot at 2600 Nameoki road at 10:30 p.m. Tuesday. Two youths were questioned but were released.

Norton Cities Value of Personal Involvement

David L. Norton, new executive director of the Tri-Cities United Fund, outlined "challenges of leadership" at yesterday's Madison Rotary luncheon, urging that citizens remain personally involved in constructive activities and betterment programs despite mature age and busy schedules.

Noting the Rotary motto of "service above self," Norton said it is important to be genuinely interested in other people and to maintain effective two-way communication with them, devoting time and effort to

conduct charge filed. Bertha Mae Maykopet, 47, of 1427 Washington avenue, was charged with disorderly conduct at 1:15 p.m. Tuesday. She was arrested at her home after police received a report of a domestic disturbance.

church, youth and other service work.

He advocated optimism, flexibility as new facts become clear, maintenance of a healthy body and outlook, and continuing self-evaluation.

He was introduced by Charles Hasse, program chairman. President Richard Suess called a club assembly for next Wednesday.

Louis Madosh, 90, Dies in St. Louis

Louis Joseph Madosh, 90, of Rural Route Six, Edwardsville, a former 32-year resident of Mitchell, died at 5 a.m. Wednesday at Missouri Pacific Hospital in St. Louis. In ill health for eight years, he had been hospitalized several times, the last time for four days.

Born in Wisconsin, he moved to Mitchell while he was employed as a pipefitter for the Illinois Terminal Railroad. A member of St. Elizabeth Catholic Church, he also was a member of the Granite City Moose Lodge 272 and a member of the Mitchell volunteer fire department while residing in that area.

Survivors include his wife, Mrs. Goldie Madosh; one daughter, Mrs. Harry (Martha) Sampson of Edwardsville; four sisters, Mrs. Daisy Vandiver of Danville, Ill., Mrs. Anne Ketrick of Stanwood, Wash., Mrs. Zena Johnson and Mrs. Irene Norling both of Alexandria, Minn.; and a brother, Oscar Madosh of Lapp, Ind.; 11 grandchildren; one great-grandchild and several nieces and nephews.

Funeral arrangements are given in the obituary column.

Tickets On Hand For Cardinals-Jets Game

Seventy-six tickets to the Aug. 9 football game at Busch stadium between the Cardinals and the New York Jets, featuring the much-publicized Joe Namath, are still available at the Granite City Park district offices, Park Super. Harold Brown said today.

Brown said the tickets cost \$4 each which covers \$3 admission cost and \$1 for transportation. Two chartered buses will take ticket buyers to the game, leaving the Wilson Park ice rink at 7 p.m. Brown said.

Anyone planning to purchase tickets must do so by July 31 since returns on the ticket sales will have to be made after that date, he said.

Brown said six tickets are available for the "Dann Yankers" Municipal Opera production next Tuesday night. Tickets are \$4.25 each, covering admission and transportation. Two buses of patrons will leave the ice rink at 7 p.m. on that night, Brown said.

Miss Illinois Finals To be on TV Saturday

The ten finalists in the Jaycees Miss Illinois Contest, now in progress at Aurora, Ill., will be on television Saturday at 9 p.m. on Channel 11.

Dottie Carolyn DeWitt, Miss Granite City, with her official chaperone, Mrs. Sandra Neeth Innes, has had a full week of activity, in preparation for the final selection of Miss Illinois, which will be made by the judges on Saturday evening.

On Monday all the entrants from the state participated in a parade followed by an interview by the judges Wednesday morning from 10 to noon. Last night the girls performed talent presentations.

This evening they appear in evening gowns and on Friday will be the swim suit competition.

Miss DeWitt is the daughter of Mr. and Mrs. James DeWitt, 1536 Lindell Blvd.

Sister Amanda, 87, Of Hospital Staff, Dies Wednesday

Sister Mary Amanda Walter, 87, a member of the staff at St. Elizabeth Hospital since August 1930, heading the sewing department, died at 9:05 a.m. Wednesday at the hospital where she had been a patient for the past seven months.

Her death occurred just eight days after the death of Sister Mary Cleta, 75, hospital anesthetologist.

Sister Amanda, who was born Aug. 28, 1881, in Bessersingen, Germany, joined the Order of Sisters of Divine Providence in Mainz, Germany in 1909. She was assigned immediately to the U.S. at a diocesan orphanage in Wheeling, W.Va. She spent one year at the order's Motherhouse in Pittsburgh, Pa., to be invested and took her vows in 1911. She then returned to the orphanage for four years.

She started her career in sewing. Sister Amanda's first hospital assignment was at St. John's Hospital, Pittsburgh, where she headed the sewing department, and it was 39 years ago that Sister Amanda joined 10 other nuns of the order at St. Elizabeth Hospital here.

She made a return trip to Germany in 1951 after 40 years' absence for a two-month visit with friends and relatives. She now has no known survivors. The Sister was active as head of the local hospital's sewing department until her recent illness. Funeral arrangements are given in today's obituary column.

Called to Disturbance

Police were called to a disturbance at a parking lot at 2600 Nameoki road at 10:30 p.m. Tuesday. Two youths were questioned but were released.

City Still Trying to Solve Sewer Problems

Still grouping for a quick solution to widespread drainage problems, Granite City council members authorized a trip Chicago for Mayor Partney yesterday to confer with officials of the federal Housing and Urban Development agency on the possibility of securing another grant of funds.

The trip, which was approved during Monday night's council session, was twofold, as the mayor, City Atty. Scroggins and Assistant City Atty. Harry Hartman also were authorized to meet with the bonding experts of Chapman & Cutler to determine if there is any possible method of using reserve funds of the Nameoki sanitary sewer system to finance repairs or replacement of defective sanitary sewer lines. The city now has had 10 known breaks with the possibility of three or four more.

Mayor Partney reported Monday night that the bond firm of John Nuveen & Co., Chicago, which handled the Nameoki sanitary sewer bond issue, has turned down the idea flatly since repairs and maintenance were not specified in the bond ordinance.

As an alternative, the city may try to combine sanitary sewer line repair or replacement and drainage lines and ditches in the application for federal planning funds that could lead to a second federal grant for construction.

The city is asking Nameoki township and the levee district to consider sharing the cost of providing matching funds since drainage ditches designed in the 1960 master drainage plan for Granite City could ease drainage problems in outlying areas in the vicinity of Dobrey slough and the Melrose area.

Melrose Area Complaints
A delegation of Melrose area residents was in the city Monday night and complained of flooding during a sudden downpour that hit the Nameoki area last Thursday afternoon. They stressed that water from the Norwood subdivision outside the city limits ran down the street several inches deep to the lone catch-basin.

The women complained that as water reached the doors of their homes they called for help from the street department but were turned down. One woman said she tried without success to open the catchbasin with a hoe. "I waited and waited for Supt. Warfield, but he didn't come. Other times the street department has been able to do something, but this time nothing was done and the water didn't run off for 12 to 14 hours. Children were playing in it, and there was raw sewage," she told the council.

Aldermen Dawes, Boker and Green said they were in the area and had run into Warfield. They said the slowdown in drainage resulted from a "jam up of water" where the 22-inch line from Melrose empties into a manhole that also serves the Belmore residential area.

It was explained the Belmore area also was inundated and the water was reaching the manhole first, blocking off the Melrose line. From the manhole, the water flows to the Nameoki storm water ditch.

The aldermen said Warfield, who was "threatened with a ducking" by residents of the Belmore area, inspected the drainage lines and found them to be clear of debris and silt. Dawes suggested a bigger line to serve the Melrose area. "I know one house has six feet of water in the basement, but there's just the problem that the Melrose area is the last to drain," he added.

Dawes stated that he would oppose any further annexations until the city's present drainage problems are solved.

Seepage Continues
Residents of the Cloverview area also were present but did not speak. It was brought out by Dawes that even with the continued pumping of Dobrey slough, the seepage in basements was increased. Engineer Kieberger said this possibly was due to expansion of cracks in the basement walls because of the pressure of the underground water.

Dawes complained that the shadow ponds at Village Apartments are the subject of complaints of nearby residents who are fearful for the safety of small children. "At least the swimming pool is being fenced," he remarked.

In calling attention to the mounting cost of sewer break repairs, Mayor Partney said the city can expect to be "financially embarrassed" by the end of the fiscal year if federal funds do not become available. He added that he had invited Nameoki Township Supervisor Briggs and Levee Board Trustee William Eberhardt to join him yesterday in the visit to the HUD office.

To relieve the situation at Dobrey slough, most of the responsibility rests with Nameoki township and the levee district. The city has the plans to channel water from Dobrey slough and the Maryville road and

Granite City PRESS-RECORD
Page 18 Thurs., July 24, 1969

Saraloga avenue area to Horse shoe Lake and the Melrose area water to Chouteau slough where the Corps of Engineers has pumps to put the water into the canal," Partney said.

"If the program goes through, our cost will be little compared to Nameoki township and the levee district," the mayor added.

Enter Contracts
To get information for a loan of federal funds to plan sanitary sewer repair and replacement, the council entered contracts with American Piping Co. of Minneapolis to clean and inspect four lines. The work was started last week on an emergency basis with the cleaning of a sand-clogged line from Amos avenue to St. Clair avenue.

Engineer Kieberger is coordinating the cleaning work with the city to do about half the work with its water jet system and a subcontractor for American Piping to do the remainder with a bucket system, aided by two street department workers.

The sewer cleaning job calls for a rate of \$31.25 an hour for 2485 feet of 10-inch line along Lynch avenue, 725 feet of 10-inch line along St. Clair avenue, 1430 feet of 10-inch line along Amos avenue and 1770 feet of 15-inch line along Peary road.

Emergency cleaning work was authorized last week to relieve backup of sewage at the Amos-Franklin avenue lift station.

Close-circuit televising of the sewer line by American Piping will cost \$5000, with any added work to be at the rate of \$49.50 per hour.

The sewer cleaning job inspection showed the line from the Amos-Franklin lift station to the trunk line along St. Clair avenue.

NEW BOARD MEMBER for the Manufacturers Association of the Tri-Cities, Melvin R. Buyer (right), manager of the Johns-Manville Products Corp., Venice, being welcomed this week by William F. Hoelscher, general manager and secretary of the association. Buyer succeeds Sidney Womack on the board, retired from the A. P. Green Co. early this month.

Bi-State Okays \$170,000 U.S. Grant Agreement
Col. R. E. Smyser, executive director of the Bi-State Development Agency, was authorized by the board of commissioners yesterday to consummate a federal grant agreement for \$170,000 to help finance the purchase of locked fare boxes for buses used on Missouri routes.

Bi-State has applied to the U.S. Department of transportation for a 50% grant to purchase about 700 locked fare boxes at a total cost of \$340,000. The system has been in use in the Illinois portion of the Bi-State Transit System since the first of the year and has proved highly successful, transit officials said.

The board, meeting in regular session, also reviewed and approved financial reports on operation of the Gateway Arch transit system, Bi-State Parks Airport and the transit system.

Report Operating Revenue
June revenue of the transit system amounted to \$1,854,412, with operating expenses totaling \$1,746,492 and funding requirements cost \$283,271, leaving a June deficit of \$75,351. This left net operating revenue of \$82,349, up \$30,000 over the anticipated income.

Airport income in June was nearly double the expected revenue. It totaled \$14,380 compared to a budget figure of \$875. Expenses also were above the budget, however, leaving a net balance of \$2769,

due to be three-fourths filled with sand.

The mayor told council members the trip to Chicago would amount to \$190 for travel and \$150 to \$300 for consultation with the bonding experts, and that he would take with him to the HUD office an application approved last night for recertification of the city's workable plan to make the city eligible for federal fund grants. "We're going to have to make this application to be certain we qualify for funds to cope with the costly sewer breaks," Partney said.

Sewer District Proposed
In separate action, the mayor proposed establishment of a sewer district for the city. "I'm asking council members to consider this as a method of turning the responsibility of sewer maintenance over to the sewerage treatment plant crews."

He said the city possibly could use a \$130,000 surplus in the sewerage treatment plant construction fund to establish the sewer district. Two additional men would be needed and the city could purchase the television inspection equipment for \$6700 and bucket-type cleaning equipment for \$5000. The lift station alarm system would be relocated from the police station to the treatment plant, he added.

He pointed out that under the present system, when a lift station alarm light goes on in the police station, signifying a breakdown, the police notify Street Supt. Warfield, who then alerts a repair crew.

With the change, he explained, the alarm will flash and sound at the treatment plant, where workers could leave immediately to correct lift station problems. Partney added that treatment plant employees also can tell from flow at the plant if sand is getting into sanitary sewers.

Close-circuit televising of the sewer line by American Piping will cost \$5000, with any added work to be at the rate of \$49.50 per hour.

The sewer cleaning job inspection showed the line from the Amos-Franklin lift station to the trunk line along St. Clair avenue.

Mrs. Mary Smith, 74, Dies in Collinsville

Mrs. Mary Ann Smith, 74, of Pleasant Rest Nursing Home in Collinsville, a mother of two Granite Cityans, died at 6:30 p.m. Wednesday at the nursing home where she had been a patient for two years.

Born in Hancock, Mo., she lived most of her life in Dixon, Mo., prior to moving to this area to make her home with her daughters, Mrs. Raymond (Dorothy) Adams and Mrs. Lloyd (Betty Jo) Rains. She lived in Granite City about three years before entering the nursing home.

She is survived by her husband, Cy Smith of Dixon, Mo.; and another daughter, Mrs. Leo (Wilma) Light of Fenton, Mo.; one sister, Mrs. Jessie Ward of Bridgeton, Mo., and a brother, Guy Winingham of Dixon, Mo.; six grandchildren and six great-grandchildren.

Her remains will be taken to a funeral home in Dixon, Mo., for services tentatively set for Saturday afternoon.

Completes Training
Airman Daniel R. Howie, son of Mrs. Eleanor J. James of No. 6 Iris avenue, has completed basic training at Lackland AFB, Tex. He is remaining at Lackland for training as a security policeman. Airman Howie attended Granite City high school.

Two Cars Damaged
Cars driven by Charles H. Bosworth, 20 Fontainebleau drive, and Carol Cuchna, 1617 Lindell blvd., were damaged at 8:15 p.m. yesterday in a collision at McCambridge avenue and Skeen street in Madison, police reported.

The sewer cleaning job inspection showed the line from the Amos-Franklin lift station to the trunk line along St. Clair avenue.

GC Park Board Approves \$454,198 Budget

Granite City PRESS-RECORD
Thurs., July 24, 1969 Page 19

A new appropriation bill listing anticipated expenditures for the 1969-70 fiscal year was adopted by the Granite City park district board in regular meeting last night. The new budget is an increase of \$22,627 over last year's figure of \$431,571.

Major budget items in the new appropriation include a \$29,405 for general corporate purposes, up \$811 over last year's total of \$28,594; an increase of \$13,617 over the \$15,000 for the recreational fund, an increase of \$13,617 over the \$1,489 budget of a year ago.

For payment of bonds and interest the bill includes \$57,157, slightly less than the \$58,987 for the same purpose last year.

MRF Fund Unchanged

Appropriation for the Municipal Retirement fund was fixed at \$11,500, unchanged from last year, while the budget for insurance costs was set at \$5000, up \$1000 from a year ago.

The \$299,405 budget for general corporate purposes included \$26,323 for administrative purposes, down from \$27,225 last year; \$168,122 for parks operations, up from \$154,149; \$33,175 for concession stands, down from \$35,275; \$17,085 for operation of the Wilson Park swimming pool, up from \$17,745 and \$45,000 for operation of the ice rink, down from \$45,180.

Appropriations in the Recreational fund include \$27,890 for Neighborhood Playgrounds, up from \$24,850; \$33,553 for Park playgrounds, up from \$24,039, and \$19,333 for the Community House, up from \$18,000.

Salary appropriations in all funds and all departments amount to \$184,335, an increase of \$7650 over last year's \$176,685 total salary figure.

Some Salaries Raised

Salary and wage increases were approved in some areas, but were not general. The salary of Harold Brown, park superintendent, is set in the new budget at \$10,550, up \$1200 from \$9,350, while the salary of the board secretary was set at \$3120, up \$180 from \$2940. Compensation for the park board treasurer was fixed at \$1620, up \$120 and the salary of the board attorney was increased to \$2640 from \$2400.

Salary of the maintenance foreman was raised to \$2000 from \$1800, but the total appropriation of \$58,000 for laborers' wages for general park maintenance was unchanged from last year. Wages of \$7000 for labor required to maintain park ball diamonds also was unchanged. Wages for park police were fixed at \$12,000, up \$1000, by wages of gardeners were set at \$11,000, down \$1000.

Wages of attendants for concession stands were decreased \$1000 for a total of \$10,500. Salary of the pool manager was left unchanged at \$2200. Wages of lifeguards totaling \$3600 also was unchanged.

Salary of the ice rink manager was decreased \$1000 to \$2700, while wages of rink attendants was upped \$1500 to a new total of \$4500. Salary of the rink custodian was fixed at \$2000, down \$2000 from last year's \$4000 figure. Minor adjustments were made in wages of employees of the recreational fund.

New Budget Items

New appropriation items, with last year's figures in parentheses where a change was made, are as follows:

General Corporate purposes—Administrative Department: salary of superintendent, \$10,550 (\$9350); secretary's salary, \$3120 (\$2940); treasurer's salary, \$1620 (\$1500); attorney's salary, \$2640 (\$2400); insurance, \$5000 (\$4800); office supplies, \$3000 (\$2800); repairs to office equipment, \$1500 (\$1300); postage, \$350 (\$300); publication of treasurer's report, \$350; publication appropriation ordinance, \$200; printing, \$600 (\$500); Illinois Park District Association dues, \$700; subscriptions to publications, \$100; travel expense, \$500 (\$300).

Illinois Municipal Retirement Fund, \$11,500 (\$11,500).

Liability Insurance, \$5000 (\$4000).

Retirement of bonded indebtedness, \$7,157 (\$58,987).

Total appropriation, \$454,198 (\$431,571).

Amsted Industries Income Up During Second Quarter

Amsted Industries reported Tuesday at Chicago that it had net income of \$2,367,000, or \$1.08 per share, in the quarter ended June 30, 1969, up from \$2,840,000, or \$1.04 per share in the same quarter last year. Three-month sales were up to \$71,677,000 from \$64,648,000.

Joseph B. Lanterman, chairman and chief executive officer, said sales of railroad products in the quarter were up from last year as a result of the higher level of new freight car purchases by the railroads. The American Steel Foundries here, an Amsted industry, manufactures railroad products.

In addition, Lanterman noted that Burgess-Norton, acquired in May, 1968, accounted for a significant portion of the increase in sales. Earnings for the quarter would have been higher except for the continuation of certain adverse factors—higher wage and salary costs and the inability to increase selling prices of side frames and bolsters for railroad freight cars from the low level reached last fall, he said.

Amsted had sales of \$183,740,000 in the nine months ended June 30, 1969, up from \$173,223,000 for the same period last year. Net income amounted to \$6,867,000, equal to \$2.48 per share, compared to \$6,688,000, or \$2.45 per share, a year ago.

The straight line method of determining depreciation for financial reporting purposes, instituted on Oct. 3, 1968, resulted in an increase of 14 cents per share in net income for the first nine months of this fiscal year. Amsted continues to use various accelerated methods for income tax purposes.

Lanterman said that operations in the quarter ended Sept. 30, 1969, will, as usual, be adversely affected by plant shutdowns for vacations. "We anticipate that earnings for the year will be approximately the same as last year," he added.

Expenditures for plant and equipment amounted to \$11,000,000 in the first nine months of the fiscal year. The largest expenditures were for the construction of a new plant near Philadelphia for pre-coating metal and the installation of electric furnaces at the Alliance, Ohio and Granite City plants.

At the board of directors' meeting, a dividend of 60 cents per share was declared payable Sept. 15, 1969, to stockholders of record as of the close of business on Aug. 20, 1969.

Bitten By Dog

Dorothy Scarlett, 46, Venice, was treated at St. Elizabeth Hospital yesterday for a dog bite on the left ankle, Venice police reported. Officers said the woman was bitten by a dog owned by David Daniels, 515 Main street, in front of Daniels' home. The dog has been confined for observation.

Third Typhoid Shots Scheduled Saturday

The third and final free typhoid inoculations will be given Quad-Cityans on Saturday from 8 to 10 a.m. at the Tri Cor building.

Makeup shots are scheduled for Aug. 2 at the Tri Cor clinic from 8 to 10 a.m. A series of three shots is required. No more first shots are to be given, as hospital staff announced.

Mrs. Pohlman, 81, Dies in Carrollton

Mrs. Catherine Pohlman, 81, Carrollton, Ill., mother of James P. Pohlman, 81, Shilwin drive, Arlington Heights, passed away quietly in her home at 11:20 p.m. Monday. She is survived by eight children, 36 grandchildren and one great-grandchild.

She was born in Meppen, Ill., and moved to Carrollton in 1929. There, she and her husband, John, who preceded her in death four years ago, raised their 12 children. The funeral was at 9 a.m. today at St. John's Catholic Church in Carrollton.

Bridges Here on Leave

Marine Pfc. Dwan Bridges, son of Mr. and Mrs. Robert C. Bridges, 3405 Franklin avenue, arrived home late Monday evening from Camp Pendleton, Calif., for a 30-day leave. After his leave, he will return to Camp Pendleton for staging prior to further assignment.

In Memoriam 33
JAMES "BUCK" MCKINNON
In loving memory of JAMES "BUCK" MCKINNON, who passed away July 23, 1968.
Though your sweet smile is gone forever
And your hand I cannot touch,
I shall never lose sweet memory,
Of the one I loved so much.
Sadly missed by GINNEY

Card of Thanks 32
In loving memory of JAMES SETTLE who passed away July 24, 1968:
One long and sad year since you were called to rest,
What we would give to see you smile,
To sit with you and talk awhile,
As long as life and memories last
I shall remember thee, dear husband.
We miss that guiding light and ever will,
Her vacant place, there's none can fill,
We mourn for you but not in vain,
God grant that some day, we will meet again.
SADLY MISSED BY

Card of Thanks 32
In loving memory of my dear mother, ETHEL M. FRY, who passed away July 24, 1967:
Time passes on, two years have passed,
Since death's gloom, its shadows cast,
Within our homes where all seemed bright,
Was taken from us a shining light.
We miss that guiding light and ever will,
Her vacant place, there's none can fill,
We mourn for you but not in vain,
God grant that some day, we will meet again.

SEEKERS CLASS TO SPONSOR CHILD

The Seekers Sunday school class of Grace Baptist Church held its July meeting in the home of Mrs. Judy Aiello, 13 Moorland drive, Mitchell, Monday evening with five members present.

The meeting opened with the class song, "Have Thine Own

Granite City PRESS-RECORD
Page 22 Thurs., July 24, 1969

Way, My Lord," and the group repeated the class motto. The evening prayer was offered by Mrs. Aiello. Mrs. Linda Hogan, secretary, presided over the business session due to the absence of the president, Miss Gay Woodson.

The class has been assigned a new girl at the Carmel Children's Home and the group discussed Christmas plans for her.

Visitation for class members was discussed with group captains and leaders. Mrs. Frances Carey, class teacher, announced that she will make

home calls with the visitation chairman.

July birthdays were noted and the ladies sang "Happy Birthdays" to Mrs. Linda Hutchings. A devotional entitled "Ironing Board Altars" was given by Mrs. Madeline Cook, with Scripture reading from the 23rd Psalm.

Following the adjournment, games were played, with everyone receiving a prize. The hostess served refreshments.

Next meeting will be Aug. 18 at the home of Mrs. Marilyn Frith, 2569 Roney drive.

HONOR MRS. PARSONS

The Lincoln Avenue Birthday club honored one of its members, Mrs. June Parsons, 2500 Lincoln avenue, at a party at her home Monday evening.

Hostesses were Mrs. Imogene Biggs and Mrs. Rhea Grove. The dining table carried out the birthday decor in vivid fall shades of fern green, gold and orange, with a large floral arrangement. The honored guest was presented with gifts and decorated birthday cake.

The remainder of the evening was spent in a fellowship hour and the hostesses served cake, ice cream and coffee to the honoree and Mesdames Pauline Dawson, Sharon File, Beulah Ross, Joan Piebanek, Leann Campbell, Helen Frazier, Kay Sykes and Helen McKeehan.

HONORED AT SHOWER

Mrs. Tim Biggs, the former Diane Converse, was guest of honor at a blessed event shower given by Mrs. Emma Portell, 2924 Edgewood avenue, in her home Tuesday evening.

The table appointments were in yellow and green, with crepe paper streamers and yellow poebsuds. The gifts were in infant figures. The gift table was decorated in the same color scheme.

Following the opening of the many gifts, games were played and prizes were awarded to the winners. Mrs. Kay Sykes won a special prize.

A dessert luncheon was served by the hostess to the honoree, her mother-in-law, Mrs. Imogene Biggs, aunts, Mrs. Patsy Biggs and Mrs. Mary Jane Biggs of Maryville, and Mesdames June Hickman and Bertha Hickman of Collinsville, Marie Wilson, Helen

SKATING PARTY ON TENTH BIRTHDAY

Mrs. Ray Harmon, 21 Lake drive, entertained for the tenth birthday of her son, John Harmon, Tuesday afternoon, with a skating party at the Stardust skating arena. He received many gifts.

A large birthday cake decorated with skates and skaters was the table centerpiece, and refreshments were served.

Present were the honoree's brothers, Thomas, Edward and Richard Harmon, Kathy, Kenneth and Tina King, Richard Barnett, Mark Hassbrook, Steve Adcock, Mike Wood, Roger and David Hubbard, Kevin Raye and Cheryl Turner.

Julius Sobczak and his son, Joe, 4298 Highway 162, spent Monday in Carlyle, Ill.

FAMILY PICNIC BY PONTON BEACH POLICE

Volunteer policemen of Ponton Beach held a family get-together picnic Sunday at Cahokia Mound State Park.

Present for the barbecue were Mr. and Mrs. Bob Bennett, Mr. and Mrs. Jerry Bennett, Mr. and Mrs. Bob Littlejohn, Mr. and Mrs. Leroy Burch, Mr. and Mrs. Kenneth White, Mr. and Mrs. Russell Bennett, Mr. and Mrs. Jim Denham, Mr. and Mrs. Fred Reier, Mr. and Mrs. Bob Morlan, Mr. and Mrs. Bill Simpson, Mr. and Mrs. Merle Hensley and Mr. and Mrs. Ed Cavar and their families, Ed Jelf and Mr. and Mrs. L. Monroe and daughter.

Frazier, Mary Lou Monroe and daughter, Mrs. Connie Young, Mary Sykes and daughter, Karen, June Parsons, Leann Campbell, Rhea Grove, Beulah Ross, Pauline Dawson, Sharon File, Helen McKeehan and Dolores Sanders and Misses Pat Frazier, Barbara Frazier and cousins, Janice Buss and Carol Ann Biggs.

CUB PACK 141 PICNIC
Cub Pack 141 held a family picnic Sunday at Wilson Park. The Cubs participated in Olympic races.

First-place trophy was awarded to Chris Sumpter. Clifford Stelandt received second and Rusty Edwards was third. After the races, the boys and their families enjoyed a picnic supper.

RETURN FROM IOWA

Mr. and Mrs. L. J. Jones, 636 Burkley street, returned Sunday from Keokuk, Ia., where they visited their son-in-law and daughter, Mr. and Mrs. Bill Wougan and family, for a week.

Mrs. Thelma Hillis and daughter, Kathy, Doniphan, Mo., are spending this week here visiting relatives and friends.

Mr. and Mrs. Dale Spicer and Mr. and Mrs. Lile Hartzel and children spent the weekend fishing at Shelbyville, Ill.

Motorcyclist Ticketed

David G. Carroll, 1116 State street, was ticketed at 6:30 p.m. Tuesday at 2600 Madison avenue on a charge of operating a motorcycle without a mirror.

SEVENTH BIRTHDAY OF TAMMY HANFELDER

Tammy Hanfelder was honored Sunday afternoon with a party given by her mother, Mrs. Gloria Hanfelder, in celebration of her seventh birthday.

Decorations were carried out in a ballroom theme, the birthday cake carrying the same design. Guests were served the cake and ice cream and punch.

Games were played and prizes were won by David Bucher, Ronnie Blackburn, Debbie Ramsey and Timmy Burns.

Attending from Granite City were Mrs. Patsy Burns and son, Timmy, Jane Ann and Ronald Mayo, Debbie and Lori Ramsey, Mrs. Barbara Blackburn and daughters, Connie and Stephanie, Alisa Gilbrath, Marsha Stephens, Taina Kippen, David Bucher, Debbie and Billy Hasty, Jack Manion, the honoree's younger sister, Tari, and maternal grandparents, Mr. and Mrs. Bill Hasty.

Also attending were Mrs. Jo Ann Sharp and sons, Harry and Barry, of Madison, and Mrs. Sally Dickinson and son, Ronnie, of Collinsville.

Tammy was presented a wristwatch by her parents, Mr. and Mrs. Bill Hanfelder of Arlington Heights.

On Monday, she was honored by her paternal grandparents, Mr. and Mrs. Walter Hanfelder, a luncheon given in her honor. Attending were her parents, her sister, Tari, and her aunt, Miss Betty Hanfelder.

GUESTS FROM DECATUR

Mr. and Mrs. James P. Pohlman and children, Shelly and Gene, 81 Shirwin drive, have had as guests for four days Mr. and Mrs. Bernard Martin and children, Chrissie and Dan, of Decatur.

The Mortons on Sunday were taken to visit the Spanish Pavilion in St. Louis by their hosts. They saw the play, "Cinderella," presented at the Sir John Falstaff Theatre in the pavilion.

The Pohlman's and their guests spent Monday touring the St. Louis zoo and on Tuesday, they made a tour of Grant's Farm. The Mortons departed Tuesday evening.

JACK LINDELEY, BACK FROM VIETNAM, HONORED

Mr. and Mrs. Vernon Lindley, 17 Shirwin drive, entertained Sunday afternoon in honor of their grandson, U.S. Army Specialist-five Jack Lindley, son of Mr. and Mrs. George Lindley of Route One.

Attending were Mr. and Mrs. George Lindley and son, George, Mr. and Mrs. Charles Hunsinger and daughters, Pat and Susan, Mrs. Betty Young and children, James, Joe and Joan, Mr. and Mrs. Adam Hornberger and children, Kathy and Bobby, all of Granite City.

Mr. and Mrs. Carl Jants, Mr. and Mrs. Frank Stanley, Mr. and Mrs. Billy Stanley and daughter, Chris, and Mr. and Mrs. Chester Kimes, all of St. Louis.

Mr. and Mrs. Arlie Bond of Edwardsville, Mr. and Mrs. Earl Dean and son, Earl Dean, James Bond and son, Brian, and James Bond Jr., all of Stanton, Mrs. Jean Mullen of Wood River, Mr. and Mrs. Dempsey Sawyer and children, Susan, Tommy and John, of Willowville, Ill., and Mrs. Lester Little and daughter, Jeanene, of Gillespie.

Specialist Lindley has just served a one-year tour of duty in Vietnam and will leave the latter part of this week for the West Point Military Academy in New York, where he has been assigned for duty. He is in Army transportation.

Mr. and Mrs. Arlis "Shay" DeGonia accompanied Mr. and Mrs. David DeGonia and Perry DeGonia on a three-day visit to Fredericktown, Mo.

Edwardsville, Mr. and Mrs. James Bond and son, Brian, and James Bond Jr., all of Stanton, Mrs. Jean Mullen of Wood River, Mr. and Mrs. Dempsey Sawyer and children, Susan, Tommy and John, of Willowville, Ill., and Mrs. Lester Little and daughter, Jeanene, of Gillespie.

Bend Road News

MRS. GEORGIA BORGER
877-2765

HERE FROM MICHIGAN

Mr. and Mrs. John Ragsdale of Layton road visited in Ferguson, Mo., Sunday afternoon with Archie Julius and Velma Shelby.

On Tuesday evening, the Ragsdales entertained out-of-town guests in their home, Mr. and Mrs. Charles Lindsay of Mount Morris, Mich., and the Morris' grandson, Kerry Dennis of Granite City.

Mr. and Mrs. Vernon Dickinson and daughters, Vivian, Janet, Vicki, Lisa and Sherry, were dinner guests in the home of Mr. and Mrs. Clarence Mains of Arnold, Mo., Sunday. They spent the day visiting the Mains family.

HOME AFTER SURGERY

Ira Wall of Doniphan, Mo., returned to his home over the weekend. He had recently undergone eye surgery in a St. Louis hospital. His son, Virgil Wall or Madison, took his father home and then returned to Madison.

Ira Wall is also the father of following local people: Mrs. Glen (Virgie) Lowe, Mrs. Jennings (Vada) Stogdill, Mrs. Catherine Lowe and Mrs. Orville (Vern) Smith.

Mr. and Mrs. Jerry Borger of Bend road and Don Crider of Granite City motored to Patterson, Ill., Sunday afternoon and visited Mrs. Borger's parents, Mr. and Mrs. Charles D. Thompson.

A benefit country and western show was held Sunday in Dupe for the Arthur Land family of Cahokia.

Their son, David, seven, was seriously injured when struck by a train near his home March 30. He is a patient at the St. Louis Hospital for Crippled Children in St. Louis.

Their daughter, Connie, four, died April 11 of leukemia.

The Cahokia fire chief was made ceremonies. Attending from this area were Mr. and Mrs. John Ragsdale, Howard Estes, Mr. and Mrs. Betty Frankland and Mrs. Lyle Hill.

Archie Julius and Velma Shelby of Ferguson, Mo., accompanied them.

Mr. and Mrs. Arlis "Shay" DeGonia accompanied Mr. and Mrs. David DeGonia and Perry DeGonia on a three-day visit to Fredericktown, Mo.

Edwardsville, Mr. and Mrs. James Bond and son, Brian, and James Bond Jr., all of Stanton, Mrs. Jean Mullen of Wood River, Mr. and Mrs. Dempsey Sawyer and children, Susan, Tommy and John, of Willowville, Ill., and Mrs. Lester Little and daughter, Jeanene, of Gillespie.

Specialist Lindley has just served a one-year tour of duty in Vietnam and will leave the latter part of this week for the West Point Military Academy in New York, where he has been assigned for duty. He is in Army transportation.

107 Quad-Cityans on Dean's List at SIU-SW

Southern Illinois University-Southwestern campus announced this week that 107 students have qualified for the Dean's List for the spring quarter 1969.

Included are 107 Quad-City students, with 26 listed among the 227 students who made a grade point average of 5.0, the highest possible.

Students from Granite City with a perfect grade average are—Terry R. Atkey, Betty J. Bolt, James F. Bresnahan, Joyce E. Clement, Kathryn A. Connell, Regina D. Conway, Linda Sue Davis, Kevin D. De-runtz, Betty A. Dumont, Bonnie L. Fuller, Linda Jo Gallauer, Marjorie J. Gallauer, Michael J. Haldeman, Sharon S. Heubner, Carol A. Maynard, Mary A. McKay, Ruth C. Ostresh, Sandra L. Paloczek, D. P. Stamboldjev, Frederick J. Towse, Janet D. Warren and Linda M. Whitten.

Three students from Madison with a 5.0 grade average are

James E. Dalton, Susan T. Kaman and Linda L. Rock. And the Venice resident who attained a perfect score is Harold L. Case.

Other honor students from Madison are Robert J. Clinton, Marian M. Haddock, John W. Harrison, James A. Havranek, Casimir Krakowicki, Kathleen Montgomery, from Venice, and Miss Barbara A. Mulnik of Venice.

Also listed as honor students from Granite City are Mary Ann Abramovich, Donnell R. Austin, Sharon J. Balcer, Lucia A. Barbieri, Robert L. Barclay, Sarah A. Barnett, Ruth A. Belleville, Mary F. Biersosky, Sarah Ann Bosworth, John E. Brooks, Barbara A. Brown, Deborah A. Brown, Sandra Jo Broom, Marlow Clark, Evelyn E. Cross, Marguerite S. Cross, Diane M. Dochowat, Jerry L. Doyle, Martha E. Edmonds, Marjorie L. Ellsworth, Linda K. Fulkeron, Judith A. Gaughan, Loyce K. Greenlee, Sharon Sue Guswelle.

Sandra Y. Harper, Mary Es-

telle Harris, Christy M. Heinz, Richard C. Hodshire, Elvin L. Hoekstra, Mary Ann Horvath, Sandra L. Hubbard, Geraldine G. Jackson, Larry D. Jackson, Bobby J. Johnston, Sharon K. Joyce, Phyllis A. King, Glenn F. Knight Jr., Irma Lee Kraft, Carol J. Kuzma, Almada M. Lahr, Carole A. Lanter, Linda L. Leblanc, Robert W. Little, Linda K. Lowder, Barbara J. Mang, Donna R. McBrien, Paul J. Mills, George N. Mostegood.

Janet Ann Naeve, Mary C. Parchment, Kathleen R. Patterson, Judith A. Pieper, Walter A. Puryear, William C. Pyrtle Jr., David L. Rood, James P. Rotter, Lambert R. Rozycki, William C. Schaefer, Marjorie A. Schmidt, Marleen C. Schwent, Michael A. Sgroi, Janet E. Statton, Gary W. Stevenson, Shirley T. Sullivan, Janet R. Surbey, Robin W. Tague, Dennis W. Thurston, Mary M. True, Dorcas M. Twietmeyer, Helen Velfoff, Raymond C. Voorhoes, Carla L. Voyles, Phyllis V. Wiggins and Lana L. Williams.

Young Wilkins is attending Culver's Woodcraft camp, and the weekly Council Fires are an outgrowth of the camp study of Indian life and crafts. Authentic costumes and dances will be used by a cast of 50 boys and counselors.

Botany instructors at Southern Illinois University at Carbondale teach classes in some Missouri schools using a special "blackboard by wire" hookup over telephone lines.

Granite City PRESS-RECORD
Page 26 Thurs., July 24, 1969

Miss Karen Corzilius Enrolls at Monticello

Miss Karen Corzilius, daughter of Mr. and Mrs. William Corzilius, 2100 Lindell blvd., has enrolled at Monticello College, Godfrey, Ill., and will enter her freshman year on Sept. 10.

A 1969 graduate of Granite City high, Miss Corzilius will attend Monticello in the midst of the college's New Heritage program in which the Spencer T. and Ann W. Olin Foundation will match dollar for dollar, up to three million dollars, any funds given to Monticello through June 1, 1970.

Monticello College, a two-year private liberal arts college for women, was founded in 1835 by Captain Benjamin Godfrey and is a fully-accredited, academically strong educational institution. The college offers four degree programs, each preparing the student for transfer to a four-year institution.

Wilkins Youth in Role At Culver Military

George Wilkins, son of Dr. and Mrs. G. T. Wilkins Jr. of 1204 Twenty-seventh street, will play the role of a hunter in a production of the Council Fire pageant at Culver Military Academy. The program entitled "Hiawatha" is based on Longfellow's famous poem.

Young Wilkins is attending Culver's Woodcraft camp, and the weekly Council Fires are an outgrowth of the camp study of Indian life and crafts. Authentic costumes and dances will be used by a cast of 50 boys and counselors.

Botany instructors at Southern Illinois University at Carbondale teach classes in some Missouri schools using a special "blackboard by wire" hookup over telephone lines.

STUDENT CONDUCTORS from Granite City high school practice preparatory beats during the Southern Illinois University 1969 music and youth camp held July 6-20 at Carbondale. They are, left to right—Connie Koester, 2415 Delmar avenue; Linda Gasparovic, 2252 Adams street; Janet Geiger, 1613 Lindell blvd.; Debbie Hightower, 3129 Myrtle avenue; and Dan Jackson, 3007 Buxton avenue.

39 Quad-Cityans on Dean's List at University of Illinois

Thirty-nine Quad-City residents—one from Venice, five from Madison and 33 from Granite City—are among those on the Dean's list for the 10 undergraduate academic units of the University of Illinois at Urbana for the 1968-69 spring semester announced this week by Director Richard R. Marsh of the University Honors Programs.

To be eligible for the Dean's List a student must be registered full-time in the university and achieve a grade average of 4.0 or higher (A equals 5, B equals 4). A list is prepared for the Dean of each college.

Majoring in Agriculture are four students all girls. They are Kathleen Anne Brave, Rural Route One; Mary Elizabeth Calvo, 3254 Westchester drive; Diane Sue Kinney and Donna Lee Kinney of 2639 East 25th street.

Four area students are enrolled in Commerce & Business Administration: Vernon Sackett, 4105 Stearns avenue; John W. Kozay, 3141 Fehling road; Michael T. Rickert, 2457 East 24th street; and William Craig Winter, 19 Miami Court.

In the field of Education are Barbara Kay Ballou of 2007 Edwardsville road, Madison, and

Richard A. Patterson, 1018 Second street, Venice.

Engineer majors include Kenneth B. Hicks, 137 Voight place; Gloria L. Caban, 1469 Rhodes street; Leroy E. Gilbert, 2181 Harrison avenue, Harold William Hill, 2312 O'Hare avenue, and Warren F. Bringer, 2616 Jorden avenue.

Fine and Applied Arts enrollees are Joe Legrand, 1616 Wilson avenue, Barbara C. Louis, 2355 Pontoon road, and John C. McCarty, 2101 Glen drive.

Nineteen students are in the field of Liberal Arts and Sciences. They are, Barbara E. Jackson, 22 Oaklawn drive; Theodore E. Barylske, 3601 Pershing blvd.; Alice Jean Cross, 2462a Cleveland blvd.; Barbara J. Fittell, 2942 Madison avenue; Michael C. Forcade, 2333 Waterman avenue; Keith A. Gauen and Ralph E. Gauen of 3129 Jull avenue; Lawrence B. Griffith, 3129 Willow avenue.

James A. Labanosky, 2108 Namecki road; James E. LeGrand, 1616 Wilson avenue; Margie A. Ollar, 1717 Spruce street; Nancy L. Schmedake, 2322 Grand avenue; Pamela J. Swan, 3407 Franklin avenue; Douglas E. Winter, 19 Miami court; Judith K. Barylske, 3601 Pershing blvd.; Virginia D.

Cosmetology School Set Aug. 3-13 at SIU

A record enrollment for the 15th annual School of Advanced Cosmetology at SIU-Carbondale on Aug. 3-13 is expected according to Assistant Dean Glenn E. Willis.

The 10-day school for licensed beauty culturists is the first of its kind in the world. It is offered by the Illinois Hairdressers and Cosmetologists Association in co-operation with Southern Illinois Division of Technical and Adult Education, and is approved by the National Hairdressers and Cosmetologist.

Attendance at three annual sessions is required for completion of the program, with first, second and third year classes running concurrently during the 10-day period. A post graduate course offered for those who have completed the full three-year program is scheduled for Aug. 4-6 this year.

The school will be held in air conditioned facilities in University Park. Tuition and fees for NHCA members are \$176, and the cost for non-members is \$191, and graduate course is \$50. Additional information is available from the Division of Technical and Adult Education, SIU-Carbondale, 62601.

How To Hold FALSE TEETH Firmer Longer

Do your false teeth annoy and bother you by coming loose and dropping whenever you eat, laugh or talk? Then get the FASTEETH on your teeth. FASTEETH holds dentures firmer longer—holds them more comfortably, too. Makes smiling easier. FASTEETH is alkaline, not acid. No rubbing, glue, sticky taste. Dentures clean, shiny, healthy teeth. See your dentist regularly. Get FASTEETH at drug counters.

17,800 Enrolled Now At Two SIU Campuses

More than 17,800 students are going to school this summer at Southern Illinois University's two campuses.

Summer term figures released by Registrar Robert McGrath show an enrollment of 17,834, an increase of 1170 over last summer.

SIU-Southwestern campus showed the biggest jump, almost 16% above the 1968 summer quarter, in registering 7149 students. The Carbondale campus continues to enroll the most students, however, with 10,685 attending classes. That is a two per cent increase.

By classes, the Graduate School leads in enrollment, with 458 on both campuses. Summer is a time when many teachers go back to school for advanced degree work.

The senior class showed the largest increase, 759 students above the same quarter a year ago.

McGrath said 5962 persons enrolled in the adult education classes conducted by SIU throughout the region in the past fiscal year. That figure is not included in regular resident totals.

DeMolays Plan Carwash For Friday, Saturday

Randy Fowler, master counselor of the James Stuart Chapter Order of DeMolay, announced that the chapter will hold a carwash at the D and J Mobil service station, 20th street and Madison avenue, on Friday and Saturday beginning at 8 a.m. each day.

Proceeds are to be used for the State Conclave fund. The 41st annual State Conclave will be held on the campus of Western Illinois University at Macomb, Aug. 15-17. The committee in charge of the car wash includes Paul Boyer, Dwayne Pritchett, Al Stevens III and William Watson.

Pontoon Teen Towners Urge Lake-Park Support

Members of the Pontoon Beach Teen Town are taking an active part in supporting the proposed development of Horseshoe Lake as a state park and recreation area by circulating petitions urging Gov. Ogilvie to sign the bills.

Tam Watson, president of the group, said the members are being assisted by State Sen. Merrill Ottewill and the Illinois Youth Commission in their programs for youth involvement in community endeavors.

The petitions are to be circulated in supermarkets of the area, with Wayne Mayes as chairman of the weekend project. He pointed out that with development of the lake for public use, "it will provide a place nearby to go for picnics and outings."

Mary Deatherage, who is in charge of the supermarket activities of the Teen Town, today urged all teenagers to take part in "increased personal involvement by younger people. If others aren't interested," she said, "at least we are, and we're the first."

The summer term will wind up at Southern Illinois University's Carbondale campus Aug. 29 following a five-day final examination period. Examinations for the 10,885 Carbondale students start Aug. 25.

Scholarship Winner

SCHOLARSHIP WINNER, Miss Naomi Henderson, daughter of Mrs. Ruby Henderson, 173 Lee Wright Homes, Venice, recipient of the 1969 scholarship of the Lamplighters Civic Organization. A June graduate of Madison high school, she will attend SIU-SW this fall. Lamplighters officers are Mrs. Barbara McCaskill, president; Mrs. Betty Williams, vice-president; Mrs. Ernestine Baker, secretary; Mrs. Joan Silas, financial secretary; Mrs. Ivory Wilson, treasurer; and Mrs. Alice Jackson, assistant secretary.

Jamboree Scouts Receive 'Build To Serve' Award

By CRAIG MAER
Scribe, Jamboree Troop 27

The seventh National Boy Scout Jamboree opened July 16 with a spirit-infilling campfire.

The campfire was MC-ed by Dwight Thomason, the Jamboree camp chief, and by Chief Scout Executive Alden Barber. The opening ceremony was attended by 35,000-plus campers and many local residents, which brought the attendance to in excess of 40,000.

The main speaker for the evening was Olympic star Jesse Owens. Other guests included Astronaut-Scientist William Le-nor and singer Lanny Ross.

The opening days have been along the Jamboree theme of "Building to Serve." The first of these events was the exchanging of friendship cards.

The second event included the whole camp. Each group was given a letter and 12 boys tried to get together to spell "build to serve."

Each boy who successfully completed the words was given a strip to put under his Jamboree patch on his shirt.

Jamboree Troop 37 from Granite City and Alton had 100% success.

It is hoped that Mr. Nixon will honor us by attending the closing campfire this week.

ISU Accepting Requests
For Traineeship Grants

The Department of Special Education at Illinois State University, Normal, has received federal grants for 1969-70 totaling \$187,500. The ISU office of research services and grants announced this week.

The grants awarded by the U. S. Office of Education are to provide graduate fellowships and undergraduate traineeships for students preparing to work in various areas of the handicapped. These areas include the mentally retarded, speech and hearing, visually handicapped, emotionally disturbed and physically handicapped.

The federal funds in special education are for use during the summer session as well as the regular academic year.

Eighteen trainees received grants for study during the current summer session. These include 15 who are working in the visually impaired program and three in the physically handicapped.

Applications are still being accepted for fellowship and traineeship grants which will be available in the visually handicapped and emotionally disturbed fields, according to Dr. Harold Phelps, chairman of the Department of Special Education.

To make application, contact the Office of Special Education, Illinois State University, Normal, Ill. 61761.

Advance Registration
Starts at Carbondale

New undergraduates are being admitted to Southern Illinois University at Carbondale for the fall term at about the same rate as last summer, but the graduate school may show its first enrollment dip when the new school year opens.

Admissions director Jerre Pfaff said some 700 new freshman and transfer students have been admitted since the start of summer advanced registration. They're being advised and registered on Mondays, Wednesdays and Fridays through Aug. 22.

Advance registration of graduate students is running more than 200 behind the 1968 pace, according to graduate school Dean William Simeone, even though the gap has closed considerably since the winter.

The school counted 930 admissions as of the beginning of July, compared to 1152 at the same period last year.

Summer Wind-Up Late in August At SIU, SIU-SW

The summer term will wind up at Southern Illinois University's Carbondale campus Aug. 29 following a five-day final examination period. Examinations for the 10,885 Carbondale students start Aug. 25.

Commencement exercises will be at 30 (a Saturday) at 7:30 p.m. in the SIU Arena. Graduation ceremonies at the Southwestern campus here will be a day earlier, the night of the 26th, in the specially designed tent erected for this summer's Mississippi River Festival concert series there.

Classes on the two campuses will then be idle until the start of the fall term Sept. 24.

Archaeological 'Dig' Tour Set for Aug. 2

A guided tour of its archaeological "dig" near New Athens will be conducted by Southern Illinois University Museum on Aug. 2. Dale Whiteside, curator of education at Carbondale, has announced.

"We'll take as many buses as may be necessary to accommodate the tourists, Whiteside said.

The SIU field crew excavating at the site under supervision of Carl Kutzruff, salvage archaeologist, will be at work, Whiteside said. A stop-also will be made at the field laboratory at New Athens where salvage materials are cleared and classified.

Reservations for the tour must be made by July 25. Fee for the trip is \$1, including lunch at the site. Tickets may be obtained at the University Center information desk. Buses will leave the University Center at 8:30 a.m. and arrive back on the campus by 4:30 p.m.

Applications are still being accepted for fellowship and traineeship grants which will be available in the visually handicapped and emotionally disturbed fields, according to Dr. Harold Phelps, chairman of the Department of Special Education.

To make application, contact the Office of Special Education, Illinois State University, Normal, Ill. 61761.

Sr. Scout Troop 121 Disbands after 10 Yrs.

Senior Girl Scout Troop 121 attended the final activity as a troop by going to the YMCA Trout Lodge at Potosi, Mo., returning home this week.

The troop was originally organized when the girls were in the second grade and will disband now as they have graduated from high school. Mrs. Wilma McQuinn has served as leader throughout the entire 10 years.

Those attending were Beverly Grable, Lois McQuinn, Pam Morrison, Beverly Nelson, Cindy Page and Gail Vogler; Mrs. McQuinn and co-leader Mrs. Dolores Vogler.

The girls spent most of their time swimming, canoeing and horseback riding.

Other members of the troop unable to attend are Janice Al, Daria Walton, Carol Kogling and Linda Hatscher.

Chamber Concert to be Held Monday at SIU-SW

A chamber music concert will be presented by seven members of the St. Louis Symphony orchestra at 8:15 p.m. Monday in the Communications building theater at Southern Illinois University-Southwestern campus. The concert is open to the public without charge.

The musicians are Frederick Sadowski and Haruka Watanabe, violin; Robert Glazer and Margaret Salomon, viola; Vsevolod Lezhnev, cello; Gligor Chazov, celesta; and William Clark, vibraphone.

The program will include Mozart's Agade and Rode, transcribed for vibraphone; Mozart's Duo for Two Violins, Opus 70, No. 3, in G Major; and Joaquin Turina's "Scene Andalouse" for viola, piano and string quartet.

Rich Cardwell Attending
National HS Institute

Richard K. Cardwell, son of Mr. and Mrs. Kenneth Cardwell, 3263 Edgewood drive, is one of 120 high school students attending the National High School Institute this summer at Northwestern University in Evanston, Ill. Cardwell will be a senior in September at Granite City high school.

Now in its 17th year, the National High School Institute of the University's Technological Institute gives talented high school students from all over the United States the chance to sample college life. They live for five weeks, from June 29-Aug. 2 on the Evanston campus, attend lectures, and do laboratory research on engineering and science topics they may later decide to study in college.

Applications are still being accepted for fellowship and traineeship grants which will be available in the visually handicapped and emotionally disturbed fields, according to Dr. Harold Phelps, chairman of the Department of Special Education.

To make application, contact the Office of Special Education, Illinois State University, Normal, Ill. 61761.

Pet Show Conducted In Summer Program

A pet show was held Tuesday at the Lincoln Place Community Center for children attending the summer program there under the auspices of the Granite City park district.

Winners with the largest pets were Ken Shepard, Raymond Martinez, Kathy Riley and Debbie Shepard; and the smallest pet winners were Brandon Scanlon, Terry Riley, Wesley Grim and Vincent Martinez.

Prettiest pet winners were Ken Shepard, Kathy Riley, Laura Garcia and Sheila Vizer; and winners in the competition ugliest pet included Mary Ann Milnarec, Craig Skinner, Terry Riley and Vikki Sexton.

The most unusual pet awards went to Wesley Grim, Jeff Tinsley, Terry Riley and Brandon Scanlon.

The best in show award was presented to Ken Shepard's colic, "Prince." Judges were Barb Jackson, Monica Grim and Henry Garcia.

New Students Asked To Register at GCHS

Students who have moved to Granite City during the summer and plan to attend classes in the senior high school are being asked to report to the high school office, 3100 Madison avenue, as soon as possible for registration.

The students must be accompanied by a parent for the registration.

Registration is required now for the scheduling of classes for the start of school late in August. The high school is expecting an enrollment of 3200 students, up 200 from last year.

Niedringhaus school, white honor awards, Laura Robertson and Bob Diak; Outstanding athletes, Robert Roney, Kathleen Malcor, Terri Deterding, Steve Six, Tim Hill, Tony Becerra, Eddie Bertrand, Greg Feigl, Danny Siebert, Kathy Hill, Carla Perrot, Bob Diak, Mike Tatossian, Timmy Burns and Kim Malcor; Mites-running, Carla Perrot, Miti Daniels and Donna Lilly; pet show winners, Rhonda Cionko, Mark Greenwald, Mary Ellen Hutchings, Timmy Burns, Laura Robertson and Marsha Diak.

REHEARSING AT RINK

for the production of "You're A Good Man, Charlie Brown."

Charlie Brown is Diane Gaines, who will portray Charlie Brown and Brad Bain (above) featured as Snoopy. The presentation will be on Monday at 8:15 p.m.

Old Main Relics

At SIU to be Put on Display

Destruction of Old Main by fire on June 8 has made every remnant of the 89-year-old building, oldest at Southern Illinois University, a treasured relic, particularly as the university is in the opening phase of its Centennial celebration (1889-74).

One such souvenir is a group of photographs made in 1867 when an old blackboard—believed to have been painted directly on the walls of the building when it was first occupied—was uncovered during the renovation of a second-floor classroom.

In a previous renovation, the old blackboard had been covered over by a new-fangled slateboard. When work men stripped off the slateboard, they found a message chalked on the painted one, left for posterity by the last class to use the room in its original state—a class of geology students taught by Prof. Collier.

The date was Nov. 3, 1923. On one section of the blackboard was scribbled "Colliers Room Prof. Shyrock Pres. G. W. Wham Dean of teachers Boom. er Collier (sic)" and, as a signature, "W. H. Schaffer."

Schaffer was a student in the class and was the author of the graffiti.

On another section of the blackboard were some of Prof. Collier's examination questions. Below them Schaffer had written "Colliers Geology Class exam," followed by names identified as "senior college students"—Jesse Harris, W. H. Schaffer, Ransom Schertz and Harry Putney. "Long live the Pupils' funder," Schaffer concluded.

Harris, one of the students in that 1923 class, is a professor in the English department, and was brought to the scene to verify the fact that the writing on the board was indeed a record of the last class meeting in the room before the 1923 remodeling.

Tickets Available for Roca Show Friday

Tickets are still available for the Friday night performance of "Potpourri and Patriotism," the fifth annual dinner-theater show sponsored by the Roca Young Men's Club. Dinner is at 7 p.m. and the curtain time is 8 p.m. at the Moose Club. For tickets, interested persons may call Ken Townsend at 377-4045 or Tom Rushing at 467-0041.

The production is under the direction of Miss Diane Nocheff and Miss Patricia Deniff. Saturday night's performance is sold out.

A party for the cast is planned for members and their dates at the home of the club advisor, Earl Parsons, 1350 St. Clair, immediately following the final show Saturday.

Charlie Brown Production at GC Park Monday

The Children's Theatre of the Granite City park district will present a production, "You're A Good Man, Charlie Brown," by Clark Gessner, on Monday at 8:15 p.m. in the Rink-Pavilion at Wilson Park.

Under the direction of Filip Spiceland, assisted by Colleen Robertson, the first musical ever presented by the Children's Theatre will feature Carolyn Jenkins at the piano. Parents, friends and the public are invited to the show. There is no charge for admission.

The cast of characters includes Diane Gaines as Charlie Brown; Dawn Todd as Lucy; Brad Bain as Snoopy; Darren Stephens as Linus; Irene Hauptman as Patty; and Keith Champion as Schroeder.

Other members of the cast are Cindy Allison, Mary Beth Favier, Janice Vaughn, Jeanne Pieper, Becky McCommis, Denise Elmore, Amy Spillers and Lynne Wilson.

Job Offers to College Grads Reaches Record

Job offers from business and industry to the nation's 1968-69 bachelor's degree graduates rose to a new all-time high of 11% over last year and 9% over the previous peak year of 1966-67, according to Heraldo Largent, counselor in Southern Illinois University's Placement Services at Carbondale.

The number of offers to master's degree graduates dropped 33% below last year and 47% below 1966-67, while the volume of offers to doctoral graduates fell 31% and 43%, respectively.

Chemical engineering bachelor's graduates commanded the highest average salary offers, \$849, up 7.5% over 1967-68 and 18.9% above two years ago. Other technical graduates received salary offers ranging from 5.9 to 8.2% above last year. Offers to accounting graduates showed the largest percentage increase, 10.4% over last year and 19.5% over 1966-67, to reach \$761.

Salary offers to master's degree graduates approximated those at the bachelor's level, but smaller gains were listed for doctoral graduates.

The figures were based on reports to the College Placement Council from 135 member colleges and universities, including SIU, Largent said.

U. S. Grant Aids Search For College Students

A federal grant to finance a unique operation designed to get capable out-of-school southern Illinois youths into college has been awarded Southern Illinois University—Carbondale campus for the third straight year since the program began.

The grant of \$61,000 was made to the Talent Search Center operated at SIU in cooperation with other downstate schools, bringing to \$126,000 the total support extended since the project started. Object of the center is to locate talented rural youths in the southern-most 50 counties of the state who failed to go to college despite good high school records.

Center staff members interview their finds, compile records on them and then try to place them in colleges that will assure them financial assistance. Billy G. Pyle, director of the center at the Carbondale campus, said 83 youths were admitted to schools through the program last year.

Three GC Schools Win Ribbons at County Fair

Three Granite City parochial schools received first place ribbons for junior high school division entries at the Madison County fair at Highland this week.

Sacred Heart school won a first in science, second in social studies and math and a third in art. St. Joseph's school received a first in social studies and a third in mathematics. St. Margaret Mary's school received a first in art.

In elementary division competition, first place ribbons were won by St. Margaret Mary's school for a fifth grade entry and to St. Joseph's school for a sixth grade entry.

Sacred Heart school received second place ribbons for fourth and sixth grade entries and third place ribbons for first and third grade entries.

St. Joseph's school, in addition to two first place ribbons, received second for first and fifth grades, and St. Margaret Mary's school received a third place ribbon for a fourth grade entry.

Arrow Memphis to Play At Y Teen Town Dance

The YMCA will present "Arrow Memphis" its regular dance Monday night, it was announced by Chuck Hesse, youth director.

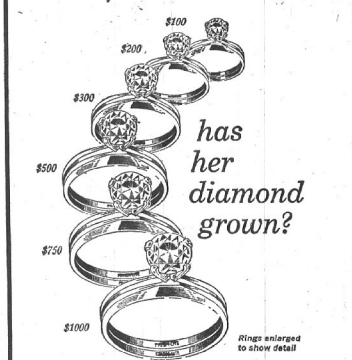

The group will be making its first appearance at the Y, though several members of the band were in previous groups which have entertained here. The dance will be held from 8:30 to 11:30 p.m.

The "Aadvarks" are booked for the following Monday, Aug. 4.

Salvation Army Here To Hear '2nd Destiny'

The Second Destiny, a group of 17 enthusiastic and talented young musicians, is appearing in the St. Louis area this weekend under auspices of the Salvation Army. Brigadier John W. Paten, divisional commander, said the St. Louis area appearance is a part of a whirlwind ten-state summer tour.

Featuring a new contemporary "Mod sound" in gospel music, the Second Destiny attempts to communicate a religious, musical message in the modern idiom. The instrumental, vocal and solo selections are written and arranged by members of the group, many of whom are fulltime music directors or students during the school term.

They will appear west of the tennis courts in Tower Grove Park Saturday at 2 p.m. and Sunday at 4 p.m. and in Forest Park near the Government Hill pavilion Sunday at 2:30 p.m. On Saturday they will be featured in the grandstand at the St. Charles Plaza parking lot, 2412 West Clay, at 9 p.m.

The Second Destiny will feature guests at two religious services Sunday, one at Christ Church Cathedral, 13th and Locust streets, at 9 a.m. and at the Salvation Army's Tower Grove Citadel, 1324 Tower Grove avenue, at 7 p.m.

The local corps will unite with the area corps for this service. A late Sunday night "soda break" specifically for persons aged 12 to 30 has been arranged with the group at the Army's Maplewood Community Center, Rasmussen and Bredell, at 9 p.m. Sunday.

ANNUAL OUTDOOR

mass-novena

MONDAY, JULY 28
THRU
TUESDAY, AUGUST 5

EACH EVENING 8:00 P.M.

Menu varied daily: 4 Entrees; 5 Vegetables; 7 Salads; 5 Desserts; assorted delicacies; rolls, coffee, tea or milk.			

Don't Miss a Single Evening

MORE ABOUT

Venice School

Reideberger told him that about \$300,000 in school money should be available about Aug. 10.

The district, however, will be required to retire the \$130,000 in borrowed funds out of this income, thus reducing the district's potential income for operating expenses in that amount during the current 1969-70 school year.

Pier also said his preliminary work on the budget indicates regular expenses during the current year will result in an additional deficit of \$30,000 to \$40,000, assuming no unforeseen problems develop.

While the school board has made no definite decision concerning a special election on a tax levy increase, a general board discussion in Monday night's regular meeting indicated such action is almost certain. Consequently, the election issue is expected to be a major topic of discussion in next week's special meeting.

Would Seek 40 Cents

Pier told the Press-Record that if it is decided to hold an election, the district would seek authority for an increase of 40 cents per \$100 assessed valuation in the educational fund tax rate, the maximum increase allowed by law, although this amount would not be needed in full immediately.

In addition, he said, it is his plan to hold the election immediately in an effort to include an increased rate in this year's tax levy.

The 1969-70 tax levy for the Venice school district must be filed with the county clerk's office not later than Sept. 16.

It is for this reason that a special meeting is necessary next week to adopt the budget, he said, noting that the appropriation bill must be posted publicly for 30 days before it can be given final passage. This timetable would leave the district only a few weeks in which to conduct an election to meet the tax levy filing deadline.

The Venice school district's educational fund tax rate now is at its limit of \$1.65, although the district receives about \$1.62 after accounting for the loss and cost of collection.

In addition to the carry-over deficit from last year, Pier said, the district also must be prepared to negotiate a new teacher salary scale next year.

Teacher Salaries Up
The district now is entering the second year of a two-year contract with its teaching staff and salary increases according to scale this year will amount to about \$35,000.

More substantial increases can be anticipated next year,

however, when a new contract must be negotiated, said Pier. He said this is a major factor in the argument in favor of a tax levy increase.

The superintendent also told the board he will levy a maximum of 37.5 cents for the building fund this year. The rate for the 1968 tax year was 34.96 cents.

The special rate of five cents for work required by the state Fire Safety Code will produce about \$13,000 to \$15,000 per year, but work specified for Venice schools will cost \$100 under a first priority listing and \$50,705 under a second priority listing.

Pier explained that a deadline date of July 1, 1970, for completing the work has been extended by the state. Thus, the district can start the improvement work immediately under the five-cent tax rate, which should produce almost enough money over the next three years to meet the cost, he said.

Authorize Contract

On Pier's recommendation, the board authorized a contract with architect Virgil Dulgeroff to prepare specifications for the remodeling work that is to be done to comply with state requirements.

The five-cent increase in the cost of a hot lunch was approved after Pier said a deficit in operation of the cafeteria has been growing for several years and now amounts to about \$10,000 per year. Pier said income from the number of pupils using the cafeteria is far out of balance with the payroll necessary to operate the cafeteria.

An average of about 270 pupils daily patronize the cafeteria, where a hot lunch has been served at a cost of 30 cents to the pupil. Hot lunch cost is subsidized by the state.

Some pupils pay 10 cents toward their meal, with the state providing 20 cents while some pupils pay 20 cents and others pay the full 30 cents, depending upon economic status of the pupil's family.

The increase will be added to the charge to the pupils, since the state payments are fixed maximums, the superintendent explained. He said the five-cent increase should provide about \$300 more per year.

Continue Craft Program

The board authorized expenditure of \$2800 out of regular school funds to extend through August the school district's participation in the Venice recreation, art and sports program which is conducted jointly during summer months by the city of Venice, the park district and the school district.

Pier noted that the district ordinarily finances its phase of operation out of federal Title I funds, but that the Title I program ends Aug. 1.

He said the program has been so successful this year that city and park officials have asked the school district to continue with them in the activity through August.

In approving a series of purchase requisitions, the board went along with recommendations by Pier that the district build up its visual aid facilities. The board authorized purchase of two filmstrip projectors, one for the high school and one for the grade school, at a cost of \$111 each from Schiller Co., St. Louis.

Board members also approved the recommended purchase of two slide projectors from Graham's Book Store at \$119 each and purchase of six record players from Friedman's at \$19 each. Purchase of three tape recorders at a cost of \$145 each from Schiller Co. also was approved.

Pier was authorized to make future food purchases for the cafeteria from Edray Foods, Inc., after Pier explained that minimum quantity requirements and varying prices presented a problem in purchasing from the Economy Co. of St. Louis. Pier told the board that the Edray firm will provide regular delivery service and that small quantities can be bought.

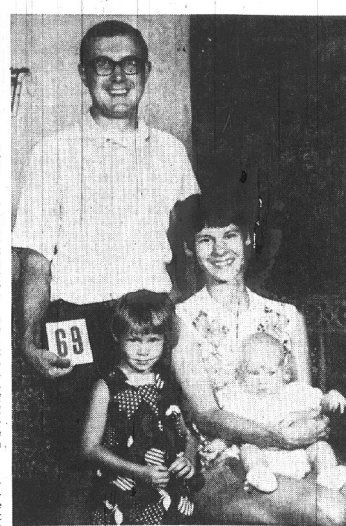

Approve Insurance Plan

Board members voted to continue operation of the school insurance program through the Page Insurance Co. of Mount Vernon under a new plan that fixes a flat cost of \$3 per school term for all grades.

Pier said the company first presented a 1969-70 insurance plan calling for a premium of \$2.50 for children of kindergarten age through the seventh grade and \$3.50 for junior and senior high school pupils.

This program, however, included a \$10 deductible clause. Since most claims for injuries are minor, this was not considered practical, Pier told the board. The company then presented the full coverage policy at the flat \$3 price.

The board approved by resolution transfer of \$1500 from the working cash fund to the Venice Lincoln Technical Center to meet June bills, and another \$13,000 from the working

RECIPIENT of the Pastor's Lutheran Scout Conference Award from the Lutheran Brotherhood fraternal insurance society is the Rev. Carl L. Johnson, pictured at Philmont Scout Ranch in Cimarron, New Mexico, with Mrs. Johnson and their children, Bethany, Lynn and Matthew Paul. Rev. Johnson is pastor of Peace Lutheran Church.

checks from the state had not cash fund to the technical center to meet payroll and bills at the end of July. The transfers were authorized after Pier explained that said.

County Fair Ends Saturday

Three nights and two days remain for the 1969 Madison County Fair now being held at Lindendale Park, Highland.

Major events yet to be seen are a Big Top Circus with The Small Society, a young folk singers group from St. Paul Parish, today at 8 p.m. in the fairgrounds arena.

Friday at 7 p.m. a Western Horse Show will take place with 12 classes registered and a teenage dance to be held from 8:30 p.m. to midnight.

Saturday at 8 p.m. the fair will end its 1969 season with stock car races.

Kiwanis Hear Talk On St. Louis Blues

Wayne Cooper, publicity director for the St. Louis Blues Hockey team, spoke at the Monday dinner meeting of the Kiwanis Club at the Rose Bowl.

He stressed that the St. Louis Blues was the most successful team in expansion clubs although the team has not been able to beat the Montreal Canadiens in 18 games.

Cooper showed a movie "The Valiant Challenge," giving the highlights of the four games played for the 1968 Stanley Cup.

He announced that the National League All-Star hockey game will be held in the St. Louis Arena on Jan. 20, 1970. This will be the first time the all-star game has been played in the western division.

The speaker was introduced by Norman Hall, first vice-president, who presided at the meeting in the absence of Ed Moore, president.

An Open Letter To the General Public (Regarding the Sale of Your Home)

WHO WILL YOU CHOOSE "TODAY" TO SELL
YOUR HOME TOMORROW?
(The Most Important Transaction of Your Life)

Will you be a "RIVERBOAT GAMBLER" (taken from a quote by Chicago Title Co.) and choose a part-time real estate operator, who thinks so little of your home that he works at another job to make a living. Or a part time greenhorn salesman, with little or no professional knowhow. Of course he may be licensed, but remember this, you also need a license to drive a truck, sell hot dogs, or put on a medicine show.

Perhaps you will choose one of the "FAST BUCK BOYS," (an expression taken from one bitter letter or complaint). Yes the "FAST BUCK BOYS" will lead you thru green pastures, charm you with sweet smiles and big parts on the back. Yes, life will be one big bowl of cherries until you come to the closing of your deal. In fact you may wind up with a big paper profit (paper that is) but very little money, as one letter of complaint stated. When you ask what happened to all the goodies I was promised? Answer, "GONE WITH THE WIND."

Or finally you will choose NOT to take "POT LUCK" (after all it's your money and you are entitled to the best) and select a "REALTOR." For more than 50 years "REALTORS" have earned a proud reputation, as the finest Real Estate Brokers in the land. They are recognized, for their professional knowledge, financial stability, integrity, and high standards of conduct, as leaders "EXPOS" in their profession. And as such have elevated the profession of Real Estate to a very high level of respect and trust with the general public.

This very fact has created problems for so many good people who have written in to complain, "well he was a real estate man, so I thought he was O.K." We respectfully submit again that just any real estate operator is NOT a "REALTOR" and a "REALTOR" is NOT just any real estate operator.

NOTE: A "REALTOR" always gives good service. He does NOT "play games" with you and your home. He is devoted to serving you and you alone. He has no other job to distract him, because REAL ESTATE is his business and his life.

W. T. GRANT 20 NAMEOKI VILLAGE

ORDINANCE No. 2629

AN ORDINANCE AMENDING ARTICLE II OF CHAPTER 27, OF THE MUNICIPAL CODE OF GRANITE CITY, ILLINOIS, 1959, RELATING TO CURFEW.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS:

SECTION 1: That Section 27.201 of Article II of Chapter 27, Municipal Code of Granite City, 1959, is hereby amended to read as follows:

"It is unlawful for a person less than eighteen (18) years of age to be present at or upon any public assembly building, place, street, alley or other public place unless accompanied and supervised by a parent, legal guardian or other responsible person of at

least twenty-one (21) years of age approved by a parent or legal guardian, or unless engaged in a business or occupation which the laws of the State of Illinois authorize a person less than eighteen (18) years of age to perform; between 12:01 a.m. and 6:00 a.m. Saturday between 12:01 a.m. and 6:00 a.m. Sunday, and between 11:00 p.m. on Sunday to Thursday, inclusive, and 6:00 a.m. on the following day."

SECTION 2: That Section 27.202 of Article II of Chapter 27, Municipal Code of Granite City, 1959, is hereby amended to read as follows:

"It is unlawful for a parent, legal guardian or other person to knowingly permit a person in his custody or control to violate Section 27.201 of Article II, Chapter 27."

SECTION 3: That Section 27.203 of Article II of Chapter

27, Municipal Code of Granite City, 1959, is hereby amended to read as follows:

"Every member of the police force while on duty is hereby authorized to obtain any such minor violating the provisions of Section 27.201 of this Article, until the parent or guardian of the child shall take said child into custody; the officer shall within a reasonable time after taking custody of said child, communicate with the parent or guardian."

SECTION 4: That Section 27.204 of Article II of Chapter 27, Municipal Code of Granite City, 1959, is hereby amended to read as follows:

"If upon taking into custody such a child, and upon attempting to communicate with the parent or guardian of said child, the officer finds that the parent or guardian cannot be located, the child shall be placed in the custody of either the designated Youth Officer of the Granite City Police Department, or of the Director of Coordinated Youth Services of Granite City."

SECTION 5: That Section 27.205 of Article II of Chapter 27, Municipal Code of Granite City, 1959, is hereby repealed.

SECTION 6: That Section 27.206 of Article II of Chapter 27, Municipal Code of Granite City, 1959, is hereby amended to read as follows:

"Any person convicted of a violation of any provision of this Section shall be fined not less than Ten Dollars (\$10.00) nor more than One Hundred Dollars (\$100.00) for each offense."

SECTION 7: All Ordinances and parts of Ordinances in conflict herewith are hereby repealed.

SECTION 8: This Ordinance shall be in full force and effect from and after its passage, approval, and publication as provided by law.

PASSED BY THE CITY COUNCIL OF THE CITY OF GRANITE CITY, ILLINOIS, THIS 14TH DAY OF JULY, A.D. 1969.

APPROVED BY THE MAYOR OF THE CITY OF GRANITE CITY, ILLINOIS, THIS 14TH DAY OF JULY, A.D. 1969.

Woman Hurt in Crash

Receives X-Rays
Mrs. Judith Awaft, 27, of 5200 Lakeview drive, was being treated this week for a strained cervix sustained in an auto accident last Friday morning. She was injured when an auto driven by Richard Awaft, 27, same address, making a left turn, was struck by an auto driven by Ray Price, 1262 Granite avenue, at Nameoki and Maryville roads. She was x-rayed at St. Elizabeth Hospital.

Select Name for Infant

Kimberly Ruth is the name selected by Mr. and Mrs. Ray Woll, 2324 Terminal avenue, for their infant daughter born July 18 at St. Elizabeth Hospital. The new arrival weighed six pounds, 15 ounces.

Intended Life, Use Landfill Site Factors

(Eighth of a Series)

Granite City PRESS-RECORD Page 40 Thurs., July 24, 1969

Mixed municipal refuse is highly variable in composition and thus varies considerably in bulk density. Bulk density of 150 pounds per cubic yard is considered average for refuse before it is loaded into collection vehicles.

Normal sanitary landfill practice, with refuse compacted by heavy equipment and covered with earth, results in a compacted density of 750 to 1000 pounds per cubic yard, including earth cover.

Higher densities may be achieved by pre-compacting refuse with balers or similar devices, but this is still in an exploratory stage and the costs may or may not be justifiable. Horner & Shiffrin, consulting engineers, report.

Acre Feet Defined
Assuming compacted density of 1000 pounds and average daily refuse production of 3.1 pounds per capita, the refuse produced by 10,000 people in one year would occupy seven acre feet of volume, including earth cover (seven feet deep over a one-acre area).

The actual area required for a specific site depends on the rate at which refuse is received, the desired depth of fill, desired life of the operation, availability of suitable cover material and the amount of buffer area desired between the active landfill operations and adjacent property owners.

Another important element of site size and selection relates to the use planned for the filled area after completion.

Eventual Usage
Certain planned usages, such as parking lots, must have a relatively flat finished surface. If the filled area is to be used as a park or golf course, the finished surface could be rolling, with artificially created hills of considerable height.

As long as proper surface drainage is maintained, ravines, drained swamps, borrow pits and depleted strip mine areas often are suitable for sanitary landfill sites.

A principal requirement is an adequate quantity of available and suitable cover material. When it is not available at the site, it must be hauled in from other sources, increasing overall costs.

Care must be taken to prevent sanitary landfills from causing pollution of either ground or surface waters. This usually can be accomplished by picking sites neither over nor adjacent to a fresh water aquifer, or that will allow super saturation of the compacted refuse by rainfall runoff.

Relation to Water Table
State regulations provide that a safe vertical distance must be maintained between deposited refuse and the maximum water table elevation.

One of the St. Clair county landfills, in the village of Saugei, is required to have test wells for monitoring the quality of the ground water because of certain industrial wastes deposited there.

Sanitary landfills often result in improving land which otherwise would be of little value. But it must be recognized that landfilled areas have limited uses.

Before enactment of the current rules governing landfill construction, filled areas were subject to substantial settlement. Regrading of the finished surfaces often was necessary to prevent accumulation of surface water in settled areas.

Most Settle in 2 Years
Controls presently exercised over landfill operations will tend to minimize such conditions. Normally, well-constructed sanitary landfills can be expected to have most of the settlement occur within two years after completion.

Decomposition of putrescible matter present in mixed refuse produces gases, including methane, carbon dioxide, ammonia and hydrogen sulfide.

Explosive mixtures of such gases have been known to be present in structures in relatively close proximity to completed landfills.

Careful construction of landfills can be expected to control the escape of most of the gases generated, by means of granular vents, at least to a degree that will not create nuisances or excessive hazards.

Usual uses of completed landfills are for the development of

parks, playgrounds, grazing, parking areas, truck terminals and, on occasion, small airport landing strips.

Later Structures
Structures built on sanitary landfills should be located, if at all possible, on undisturbed land.

Any structures built over landfills should be constructed so as to prevent accumulation of explosive mixtures of gases. Extreme care should be taken in designing and constructing their foundations.

The sanitary landfill method of refuse disposal has advantages and disadvantages. Advantages are low initial cost, the lowest of the accepted disposal methods; lowest operating costs; reclamation of otherwise unusable land for at least limited use; accommodation of wide variations in the rate of refuse delivery to the site; and, if properly performed, lowest degree of air pollution of any of the methods.

Large Areas Needed
On the other hand, volume requirements normally are large. Large quantities of earth or other suitable cover material are required. Decomposition can generate flammable and odorous gases. Settlement limits final use of the filled land.

Blowing of paper and other lightweight materials requires special care to prevent nuisances to adjacent property.

The big land volume required, together with the usual reluctance of public officials to permit establishment of landfills in built-up areas, often result in remote sites and increased hauling costs.

There are possibilities of contamination of ground and surface waters from leachate from landfills if surface drainage is not adequately provided. And refuse haulers frequently complain of excessive tire maintenance costs due to damage from sharp objects present at the working faces of landfills.

But sanitary landfills are a necessary part of any of the presently accepted means of refuse disposal.

Next: Composting with salvage.

Former GC Resident Is Helicopter Pilot

A former local resident, W/O Raul David Storey, 19, is currently on leave, visiting his mother, Mrs. Melba Walker of Troy, before reporting July 31 at Ft. Lewis, Wash., enroute to Vietnam for assignment with the First Cavalry Division Airmobile Unit.

W/O Storey completed his training at Ft. Rucker, Ala., with a class of 186 helicopter pilots and received his wings this month after completing the advanced schooling.

He is a native Granite Cityan and attended Marshall and Central schools before being graduated in 1968 from Triad high school. He enlisted in the Army July 22, 1968, and completed basic training at Ft. Polk, La., before going to flight school last Oct. 1 at Ft. Wolters, Tex. His father is Arnold Storey of Granite City and he is the grandson of Mrs. Alice McQuinn of Granite City.

W/O Storey is married to the former Linda Atwood, daughter of Mr. and Mrs. Hubert Atwood of Troy, and they have an infant daughter, Lisa Marie. His wife and daughter are live in Troy while he is in Vietnam.

W/O STOREY Helicopter Pilot

Girl Hit by Bat
Goldie Skaggs, 14, Madison, was treated at St. Elizabeth Hospital for a head injury after she was struck by a baseball bat, Madison police reported Monday afternoon that the girl was struck by a bat while playing in the 900 block of Jefferson street.

Tri-City Port Board Re-Elects Officers

Officers of the Tri-City Regional Port Authority were re-elected to new one-year terms in a reorganization meeting Monday afternoon.

Harold Fischer was re-elected chairman; John Belcoff, treasurer; and Carl Rault, secretary. Other board members are Walter Simmons, William Harris, Harold Hillmer and Henry Kandruff.

The board also authorized preparation of easements across part of the Bi-State Wharf and Harbor, necessary to installation of new bulk loading facilities now under construction at the Tri-City Port. The easements will be sent to the Bi-State Development Agency for approval.

Plans for extension of Port rail lines to serve the new bulk facilities also were discussed during the regular board meeting.

3 Zoning Variances Ok'd for Garages

Granite City council approval was given three side lot line variances recommended by the Zoning Board of Appeals for construction of garages and a carport at homes. The action was taken during Monday night's session.

Approved for Ernest Barry, No. 25 Briarcliff, was a two-foot side yard, instead of an R-2 seven-foot line, to erect a 20x13-foot carport; George Perry, 3026 Washington avenue, a two-foot yard instead of an R-3 five-foot yard, to erect a 16x22-foot garage; and Charles Reynolds, 2912 Roosevelt street, a two-foot yard instead of an R-3 five-foot yard to erect a garage. The appeals board specified the Reynolds' garage is to be at least 10 feet away from the house.

Five Radar Arrests
Five drivers were issued speeding tickets Tuesday morning as traffic division police operated a radar unit in the 1700 block of Madison avenue. They are Ernest A. Kandruff, 22, of 2607 Cleveland Blvd.; Dorothy C. Gitch, 2 Frontenac lane; Richard T. Conway, 2520 Sheridan avenue; Gary K. Elwick, Collinsville; and Raymond L. Karrick, 2549 Hemlock street.

Man with Gun Charged
Halldger Burroughs, Lemay, Mo., was charged with disorderly conduct at 12:05 a.m. Tuesday after police received a report of a man with a gun at 21st street and Madison avenue. Police confiscated a .22 caliber pistol.

Council Agrees-- Bricklayer Union Pickets are Gone

City hall picketing by Bricklayers Local 65 ended Monday night when council members voted to contract any brick work to be done for street department projects.

It was indicated the department would use concrete for pouring any new catchbasins or manholes, but that brick repairs to old manholes would be contracted so that a bricklayer will be doing the job rather than a street department worker.

The proposal to end the picketing, made by Alderman Boyd, was approved by a vote of 10-4. Alderman Robinson declined to vote, and Alderman Rutledge was absent. Favoring the bricklayers were Aldermen Noon, Boyd, Dallas, Poirer, Green, Dawes, Jarrett, Morley, Schuler and Boker. Opposed were Whitmer, Basarich, Moerlen and Poulos.

Paul Zupan, business agent for the bricklayers, spoke to the council at the outset of the meeting. The aldermen had been greeted by pickets upon arrival for Monday night's meeting.

Zupan said he was there to repeat his request for brickwork to be done by bricklayers. He indicated it would not be necessary for the city to hire a fulltime bricklayer if there was not sufficient work, but any brick work should be done by contract.

Opposing aldermen said that to hire a bricklayer for the street department would result in similar requests from other unions for hiring heavy equipment operators and cement finishers for the department. Whitmer stressed the street department operation should be kept intact with employees permitted to do all types of work needed on city property.

Poulos called for the entire matter to be referred to the street committee of the council, but Boyd objected, saying it once before had been referred to the street superintendent and now council action is needed.

After the council vote, Zupan departed, and the pickets were gone when the council adjourned at 11:10 p.m.

Louis C. Werner, 76, Home Decorator, Dies

Louis C. Werner, 76, of 2171 Northland drive, a retired home decorator, died at 4:15 p.m. Monday at St. Elizabeth Hospital of an apparent heart attack.

He had been admitted to the hospital on Sunday after he slipped and fell in the home of his son-in-law and daughter, Mr. and Mrs. Barry (Ethel) Juteff of the Northland address, with whom he had his home. Born in Prairietown, Ill., Mr. Werner lived in Edwardsville for 32 years where he conducted his business, and moved to Granite City three years ago. He attended the United Methodist Church of Christ at Edwardsville.

His wife, Mabel, died in April 1956, and another son, Virgil Werner, died several years ago. Other survivors include a son, Clifford Werner of Detroit, Mich.; one brother, William Werner, Casper, Wyo., and a sister, Mrs. Frieda Knoche of Prairietown; nine grandchildren and four great-grandchildren.

Funeral services were held at 2 p.m. today at Edwardsville. Interment was in Sunset Hill Cemetery.

Daughter Arrives for Mr. and Mrs. Brinkhoff

Mr. and Mrs. Richard Brinkhoff of 3323 Maryville road, have selected the name of Beth Sue, for their first child born July 19 at Jewish Hospital, St. Louis. The new arrival weighed seven pounds and 14 ounces.

The father is the assistant director of the Gifted Children Program in the Granite City school district, and the mother, the former Sue Johannigmeir, was employed for nine years at Metropolitan Life Insurance Co. Grandparents are Mr. and Mrs. Harry Brinkhoff of 3323 Maryville road and Mr. and Mrs. Lester Johannigmeir of 1624 Primrose avenue.

Three Speeding Tickets

Speeding tickets were issued by Granite City police Monday afternoon to Larry Mangiacino, 1914 Grand avenue, at 2200 Grand; Leonard J. Berghoff, New Delhi, Ill., at 1200 Edwardsville road; and Beverly M. Hoffman, 815 Iowa street, Madison, in the 1600 block of Madison avenue.

Returns from Hospital

Ferd Pieper of Ferd's Flowers returned home Monday from Barnes Hospital, St. Louis, where he was a patient for three weeks after undergoing major surgery. He is convalescing but will be confined to a wheel chair for some time.

Circuit Court Disposed Of 3425 Cases in June

The Madison county circuit court disposed of 3425 cases during June, William V. Portelli, circuit clerk, reported.

He said, "We have gained currency in jury cases over \$10,000, non-jury cases over \$10,000 felony cases and misdemeanor cases. However, we have lost currency in all other cases."

"During the summer months there is usually a substantial increase in felony, misdemeanor and traffic cases, and they are being disposed of as rapidly as possible."

A breakdown showing the trend of all cases follows: Layoffs over \$10,000, jury, 33 started, 49 terminated, 1134 started; non-jury, 37 started, 35 terminated, 72 pending; layoffs under \$10,000, jury, 23 started, 22 terminated, 331 pending; non-jury, 67 started, 48 terminated, 322 pending.

Small claims, 271 started, 248 terminated, 1461 pending. Contempts, 18 started, 612 terminated, 47 pending; miscellaneous remedies, nine started, six terminated, 218 pending;

chancery, 15 started, 20 terminated, 349 pending; family, 123 started, 29 terminated; divorce, 133 started, 93 terminated, 1202 pending.

Probate, 62 started, 39 terminated; felony, 26 started, 17 terminated, 120 pending; misdemeanor, 703 started, 778 terminated, 1952 pending; traffic, 1764 started, 2008 terminated; total, 3282 started, 3425 terminated, 7889 pending.

Defendant cases disposed of in felony cases totaled 19. Four were dismissed, 11 pleaded guilty and two were convicted by juries. Five were imprisoned and 10 were granted probation.

There were 82 divorces and two annulments. Nine divorce cases were dismissed.

Conduct Charge Filed

Mike Robinson, 25, of Caseyville, was arrested on a charge of disorderly conduct at 1 a.m. Tuesday by Pontoon Beach police. He was released from the Granite City jail on notice to appear.

Annual Downtown GC Sidewalk Sale OK'd

Permission was given Monday night by Granite City council members for the Downtown Granite City Retailers to hold their annual sidewalk sales on Friday and Saturday, Aug. 8 and 9.

The request was submitted by Paul Niebur, president of the group. Alderman Jarrett called for a complete clean up of the downtown area after the sale. "I think last year the street department had to do the job," he commented.

Two Blaylock Brothers To Exhibit Paintings

The Blaylock brothers, Charles Blaylock of Granite City and Ted Blaylock of Collinsville will present a two-man exhibit of acrylic paintings at the Grandview Cinema lobby Art Gallery, July 29 through Aug. 25, daily from 1 to 11 p.m. The theater is located in the Grandview Plaza Shopping Center, Highway 270 and Washington avenue, Florissant. Mo. Both artists have won prizes for their work in the past and have had several paintings on display in area restaurants.

Granite City PRESS-RECORD Thurs., July 24, 1969 Page 41

Former Residents Welcoming Daughter

Mr. and Mrs. Bill Cress of Michigan City, Ind., are announcing the arrival of a daughter July 17. The baby weighed six pounds and she has been named Kelley Lynn. She has a brother, Michael Edward, 3 1/2 years old.

The grandparents are Mr. and Mrs. Roy Cress, 4117 Rede avenue, and Mr. and Mrs. Earl Phelps, 4808 Warnock avenue.

Services Conducted For Mrs. Alice Seipp

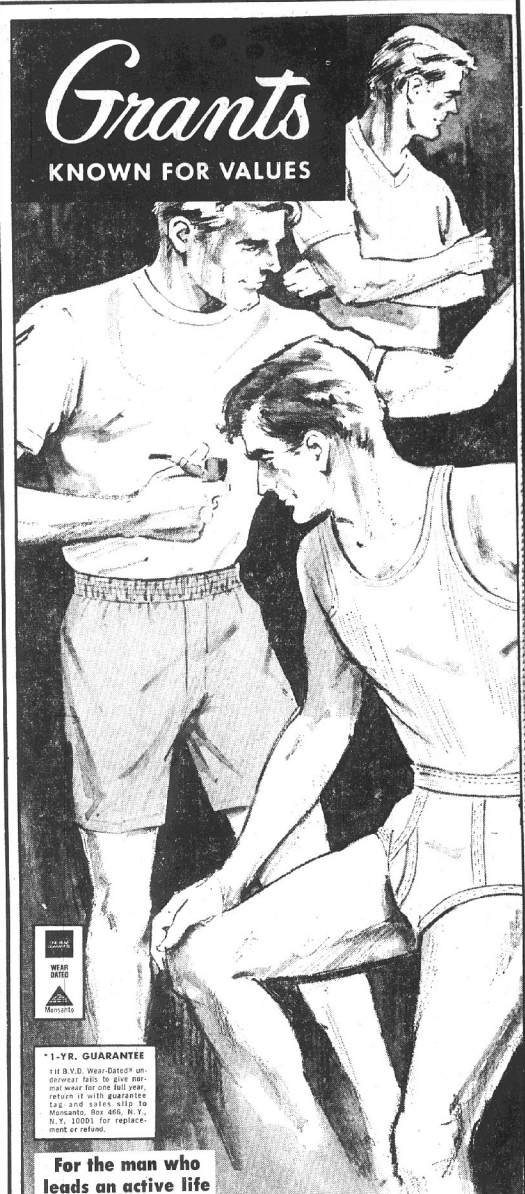

Funeral services were conducted at 10:30 a.m. Wednesday at Collinsville for Mrs. Alice A. Seipp, 70, of 1204 State street, Collinsville, a sister of George Held of Granite City.

Mrs. Seipp died Sunday at St. Joseph's Hospital in Highland. She had retired in 1961 from the Brooks Food, Inc., where she had been employed for 25 years.

JULY GATHERING OF FAITH CIRCLE

A monthly meeting of the Faith circle of Free-will Baptist Church was held Monday night at the church, 2312 Charles street. Mrs. Roberta Millap, president, called the meeting to order and Mrs. Lela Shrum led opening prayer.

A discussion of the church bond sale presently under way was held. It was decided that the circle will assist the building fund by having a bake sale and a rummage sale before school starts.

Mrs. Gladys Steelman reported that flower arrangements for use on the church altar have been purchased, and that supplies for the nursery have been provided by the organization.

A game was played under the direction of Mrs. Millap, with the prize won by Mrs. Elaine Schinger. Another prize was awarded to Mrs. Shrum.

Mrs. Steelman led those mentioned in the closing prayer. Next meeting will be Aug. 18 at the church.

CHURCH SKATING PARTY

A roller skating party was held at the Stardust roller rink Monday evening for members and youth of the Church of Christ, 2130 Clark avenue. The party was sponsored by the youth department, which is headed by Ray Kimberlin, director.

Skaters enjoying the party were Mrs. Imogene Cable, Mrs. Bonnie Goodson, Mrs. Inez Boyer, Mr. and Mrs. Kimberlin, Mrs. Mary Lou Skinner, Debbie, Donald and Denise Kimbrell, Ricky Ashby, Randy, Tony, Beverly and Kevin Cable, Dottie and Regina Byer, Mark, Steve and Penny Goodson, Sharon and Perry Heck, Mike Ishum, Kenny, Pat and Pam West, Jim Wyatt, Susan Sheffield, and David and Carl Harrison.

Others attending were Mrs. Cecilia Heck, Mrs. Floyd West and Mr. and Mrs. Leonard Ashby.

MEMORIAL SERVICE FOR PFC SULLIVAN HERE

A memorial service was held Sunday evening at the Church of Christ, 2130 Clark avenue, for Pfc Benjamin Sullivan, son of Staff Sgt. and Mrs. Kent Sullivan of the Granite City Army Depot. He was the brother of Gregory and Susan Sullivan, both residing at home.

SKOTTY'S
JEWELRY & CASH SHOP
1304 Niedringhaus
876-6414

Pfc Sullivan was killed in action July 16 while serving with the U.S. Army in Vietnam. He had been in that country since March 30.

Rev. Les Johnson delivered the eulogy in the absence of Rev. Phillip Powers. Burial will be at Abilene, Kan., Pfc Sullivan's birthplace, at a later date.

**CUB PACK 14 TOURS
TRANSPORTATION MUSEUM**
Cub Pack 14, sponsored by St. Peter's United Church of Christ, took a field trip Sunday afternoon to the Museum of Transportation, Kirkwood, Mo.

The trip was made possible by the success of a spring fund-raising project, sale of first-aid emergency kits for cars. Transportation was furnished by the parents. Cubmaster is Don Pinyne and den mothers are Mrs. Karen Cotter and Mrs. Mary Jo Hein.

Parents and cubs attending were Mr. and Mrs. Keith Cotter and sons, Mark and Jeff; Mr. and Mrs. Don Pinyne and son, Doug; Ed Von Hall and sons, David and Michael; Mr. and Mrs. Don Schoenhardt and family, Danny, Hummick, Robert, Ronney, Mr. and Mrs. George Groves and children, George and Tim; Mr. and Mrs. Bruce Wright and children, Lisa, Bruce and Kris; Mr. and Mrs. Earl Tucker and son, Eric; Mr. and Mrs. Jack Wetherholt and family, Mrs. Judy Hueselman and sons, Mark and Jeff; and Mrs. Bernelle Hein and children, Stephen, Connie and Beth.

The group was taken on a guided tour of the museum and received literature concerning the exhibits. A special comic book dealing with trains was distributed.

A picnic for the cub scouts and their families is tentatively planned for September.

JUNIOR, SENIOR HIGH GROUPS SEE MOON WALK

"Destination Unknown" was again the theme of the Sunday night meeting of the Junior and Senior High Group of the Namagawood Baptist Church.

The young people met at the church and were informed the evenings activities would take place at the home of Mr. and Mrs. Lloyd Seymour, 3404 Lydia lane. The Seymours' daughter, Janice, is a member of the group.

Marilyn Bess presented the lesson from the book, "Billy Graham Talks to Teenagers." Her topic was "Billy Graham, Sports Writer." A discussion concerning the text followed. Janice Seymour led closing prayer. Refreshments were served.

in the family room by the hostess. Enjoying soft drinks, homemade ice cream and cookies were Mr. and Mrs. Bill Fester and sons, Doug and Brad; Mr. and Mrs. Jack Luckert and children, Christy and David; Mrs. Joyce Tracy, Neil Seymour, Janice Seymour and her houseguest, Debbie Koetting of Perryville, Mo.; Allen Nancey and his guest, Gene Livingston; Joan Bess, Marilyn Bess, Cindy Staggs, Bob Staggs, Bill Cowan and Harry Smith.

Sponsors of the group include Mr. and Mrs. Luckert, Mr. and Mrs. Fester and Mrs. Joyce Tracy.

The remainder of the evening was spent in front of the Seymour television set watching activities taking place on the moon. The next meeting will be Sunday at another "destination unknown."

COOK FAMILY HOME

Mr. and Mrs. George Cook and their children, Danny, Neil and Carrie, reported Sunday on their trip to Training Union Week. They spoke to the suburban Baptist Church membership during the Sunday evening worship services.

Training Union Week was held at the Ridgecrest Baptist Assembly Grounds near Black Mountain, N. Car., July 9-16. The Cook family traveled through the Smoky Mountains to reach its destination. The week consisted of training sessions for adult leaders present and youth conferences for the young persons.

Mr. and Mrs. Cook received literature concerning programs to follow during the coming year, and were instructed in ways to work with leaders and potential leaders in their church. Children attended daily classes, grouped according to their ages. An evening worship service closed each day's program.

The trip back to Granite City took the family to Cincinnati, O., where they visited his brother-in-law and sister, Mr. and Mrs. Larry Morice.

RETURN FROM VACATION

Mr. and Mrs. Dean Andrews, 3247 Erin drive and their children, Kathy, Kim, Karen and Jeff, completed a two-week vacation with a prelude trip to their former home, Jacksonville, Ill. They were houseguests of Charles Collins and his daughter, Sandy.

Prior to the trip to Jacksonville, the family had visited Mrs. Andrews' parents, Mr. and Mrs. Erwin Kage of Edgar, Wis., and her brother-in-law and sister, Mr. and Mrs. Charles Jansen, who live in the nearby town of Marathon, Wis. The Jansens are parents of five children, Chuckie, Patrick, Andy, Debbie and Matthew.

Kathy Andrews celebrated her eleventh birthday at a family party given by the Jansens. Mr. and Mrs. Andrews were taken on a tour of the Brokaw paper mill, where Jansen is employed.

DANCE GROUP from the Mexican Honorary Commission which will perform at the Polka Festival to be held Aug. 1, 2 and 3 at the Sacred Heart Polish National Catholic Church grounds. They are, left to right—Kathy Ortiz, Raymond Lopez, Ellen Brown, Wesley Grim, Kathy Antoff, Ronald Goldschmidt, Lynn Ybarra and Juan Jose Ortiz.

played, and the entire family toured a local basket factory and watched production of such items as basenets and bicycle baskets.

Earlier in their vacation, they stopped in Knoxville, Tenn., enroute to the Myrtle Beach Resort area in South Carolina. A former Granite City resident, Mrs. Shirley Morrison, visited the family and gave them an auto tour of the Knoxville area.

Gatlinburg, Tenn., was another stop for the vacationers. While staying in this Smoky Mountain resort area, they toured Cold Rush Junction at Pigeon Forge, Tenn., made a skylit to the top of a mountain, viewed Clingman's Dome and toured Tusculum Caverns.

The Andrews spent their time at ocean beaches while in the Myrtle Beach area.

TWO AT CHURCH CAMP

Royal Ambassadors of Calvary Baptist Church met at the church Monday night with their counselors, Robert Stanton and Floyd Crews.

Two members are attending camp this week at the Southern Baptist camp near Pinckneyville—David Hapopian and Mike Pinkus. A church member, Ray Young, drove the boys to the camp Monday.

Monday evening was spent in fellowship, with the following joining in a softball game: Mark Lynn, Danny Stanton, Tommy Thomas, Jerry Thompson and David Thompson.

NEW FREEWELL BAPTIST BUILDING IS PLANNED

Members of the Freewill Baptist Church, 2312 Charles street, met Sunday night to complete plans for a bond sale which will finance construction of a new church. Kenny Marier is chairman of the sale, now in progress.

The new church structure is to be built on a lot adjoining the present church property. The building now in use will

Assigned in Vietnam

Army Specialist Four, Alan D. Johnson, husband of Mrs. Reudith Johnson, of the 2400 block of Sheridan avenue, has been assigned as a member of the American Division in Vietnam. He is a son of Mr. and Mrs. Alfred F. Johnson, 4542 Maryville road.

Sfc Hansen in Vietnam

Army Sgt. First Class Robert J. Hansen, husband of Mrs. Anne Hansen, of the 2300 block of Woodlawn avenue, has been assigned to the 20th Engineer Brigade in Vietnam as an engineer maintenance supervisor. His father, Robert C. Hansen, resides in Britt, Iowa.

become a classroom center and recreation area.

Pastor of Freewill Baptist Church is Rev. Lesley Logsdon.

AUXILIARY MEETS AT STANTON RESIDENCE

Shirley Williams opened Monday night's meeting of the Young Woman's Auxiliary of Calvary Baptist Church with prayer. The meeting was held in the home of the counselor, Mrs. Janet Stanton, 2940 Washington avenue.

Debbie Herring was in charge of the program for the evening, "Right Here and Right Now." All present participated in the presentation.

The business meeting was presided over by Rhonda Miller, president. The girls discussed community mission project and will meet today at 3:30 p.m. at the home of Mrs. Stanton to complete this project.

Mrs. Mabel Turnbull, past president of the Women's Missionary Union, led the closing prayer. Sherbet was served by the hostess, and the remainder of the evening was spent watching the moon exploration on television.

James C. Blankenship Aboard Ship in Arctic

Radarmen Third Class James C. Blankenship, USN, son of Mr. and Mrs. Clifton E. Blankenship, 2308 Clark avenue, is serving aboard the destroyer USS O'Hare. He is participating in anti-submarine warfare exercises in the Arctic. The O'Hare recently sailed through dense fog into Arctic waters and entered the Norwegian Sea. The ship will return to Norfolk this month after a six-month deployment that has taken her crew from the Eastern Mediterranean with the U.S. Sixth Fleet to the Arctic with the Atlantic Hunter-Killer Force.

Live below your means.

If you'd like to get around the high cost of living, we have a suggestion. Cut down on the high cost of getting around.

And buy a Volkswagen. It's only \$1799. That's around \$1200 less than the average amount paid for a new car today. (Leave in the bank. More's coming.) A VW saves you hundreds of dollars on upkeep over the years. It takes pints, not quarts, of oil. Not one iota of antifreeze.

And it gets about 27 miles to the gallon. The average car (thirsty devil that it is) only gets 14.

So the more you drive, the more you save.

And chances are, you'll drive it for years and years. (Since we never change the style, a VW never goes out of style.) Of course, a VW's not much to look at. So a lot of people buy a big flashy car just to save face.

Try putting that in the bank.

Rotary Club Hears School Supt. Davis

Granite City School Supt. B. J. Davis outlined teacher-administration negotiations for Granite City Rotary Club members during the club's luncheon meeting Tuesday at the YMCA. He was introduced by Eugene Coe, program chairman.

Davis related the background of contract talks between the teachers union and the administration, outlining steps that led to the deadlock. The next bargaining session will be Aug. 22.

John Polson, club vice-president, conducted a brief business session and announced Walter Milton will be next week's program chairman. The speaker will be Orville Brown, a state employee who will speak on "The Drug Scene in America."

GC Council Reluctant—Now—to Consider Tax Rate Hike

No action—absolutely none—was taken on suggestions made during Monday night's Granite City council session for consideration to boost tax rates for crossing guards, maintenance of sewers and fire protection.

Faced with possible \$3,000,000 budget for the current fiscal year, council members indicated a need to search for sources of added revenue, and Mayor Partney said he was merely pointing out the possibilities. Final action on the budget is not expected until next week.

The mayor agreed with objections raised by Alderman Nonn, who said his tax bill had gone up \$150 this year and that he would not favor any additional taxes for the city, especially

since tax bills for certain will be going up anyway next year for Granite Cityans.

Possible Boosts

Partney pointed out the tax for school crossing guards could be raised from the present two-mill (per \$100 assessed valuation) to two cents, and that the maintenance of sewers tax rate could be increased from two cents to 10 cents. He added that new legislation would permit the city to raise the tax for fire protection from the present maximum of 10 cents to 15 cents. "It once had been 18 cents, but was cut between the animal shelter and the junkyard to extend the screen. Council members readily agreed to grant the easement."

Screen at Junk Yard

The city was advised by a letter from District Highway Engineer Robert Kronst that the state will erect a screen at the entrance to the city on Route 3—once funds become available. Also, the city was asked to provide an easement between the animal shelter and the junkyard to extend the screen. Council members readily agreed to grant the easement.

Urges Airport for County

A resolution urging support of a major airport in Madison county was presented to the council by Alderman Schuler and was approved. An exact location was not specified. Copies are to be sent to Gov. Ogilvie, Lt. Gov. Simon, the Federal Aeronautics Administration and to the area's congressmen and state legislators.

broken during construction and hampered operation of the business.

Carnival at Skyslide

Permission was given for Quamar, Inc., operators of the skyslide at Nameoki Village shopping center to operate carnival rides Aug. 19-24.

Several requests for ordinances were made by aldermen.

Poulos asked for stop signs to be placed on Lincoln avenue at August street to make the intersection a four-way stop. Green asked for an ordinance to be prepared to prohibit parking on 25th street between Adams and Benton street on the east side.

Boker asked for an amendment to stipulate that anyone keeping more than two dogs in the city should be required to build a kennel with a concrete floor and drain. He said he has a situation in the Seventh Ward where a family has three large dogs and neighbors are complaining of the stench.

Investigation for possible purchase of a new weed killer,

License Charge Filed

Harvey J. Pulley, 46, of 1708 Cleveland blvd., was charged with driving without a license after he was arrested at his home at 5:45 p.m. Monday. He was released on notice to appear.

MARRIED RECENTLY. Ens. Michael Paul Manning U. S. Navy, and Mrs. Manning, who were married in Villanova, Pa.

Wedding at Villanova, Pa.

Mrs. Irma Manning, 2021 Hildebrandt avenue, Madison, is announcing the recent marriage of her son, Ensign Michael Paul Manning, U. S. Navy, and Miss Elizabeth Marie Paden, a daughter of Mrs. Norton Crane Paden, and the late Mr. Paden of Villanova, Pa.

The ceremony took place in St. Thomas of Villanova Church on the campus of Villanova University.

A reception was held here later at St. Joseph Church hall in Granite City.

FWM Society Elects Officers

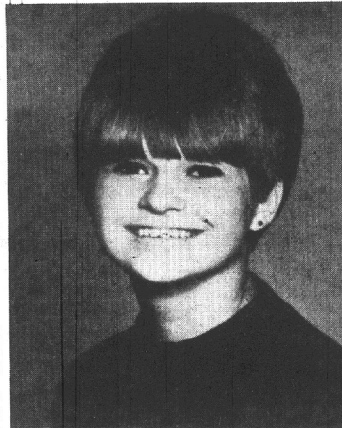

New officers for the coming year were elected Monday evening at a meeting of the Faithful Women's Missionary Society of Gracefield General Baptist Church.

The meeting, held in the church annex on Johnson road, opened with prayer by Mrs. Pat Campbell. Mrs. June Perkins was the leader and the following were named to office:

Mrs. Wilma Levart, president; Mrs. June Perkins, vice-president; Mrs. Campbell, secretary-treasurer and White Cross chairman; Mrs. Glenda Ballew, love gift chairman; Mrs. Jean Dickerman, program; Mrs. Ova Brown, publicity; Mrs. Perkins, song leader; Mrs. Brown, pianist; Mrs. Nettie Kean, librarian; and Mrs. Leona Angle, special missionary chairman.

The meeting was dismissed with prayer and refreshments were served by the hostess, Mrs. Dickerman.

ENGAGED. Miss Candace Troha, whose betrothal to Terry Mercer is announced.

Mercer-Troha Engagement

Announcement is made of the engagement of Miss Candace Troha and Terry Mercer.

Miss Troha is a daughter of Harry Troha, 1421 Washington avenue, and the late Mrs. Gaynelle Troha. Her fiancé is a son of Mrs. Faye Mercer, 3219 Maryville road, and Roy Mercer, 1929 Cleveland blvd.

Both young people are attending Granite City high school and are to graduate in June 1970.

VACATION IN SOUTH

Mr. and Mrs. Leo B. Gieselmarm, Rural Route Three, Edwardsville, formerly of Granite City, have returned home after two weeks spent visiting relatives in Satellite Beach, near Cape Kennedy, relatives in Fort Myers, and the Bahamas. They were accompanied by Mrs. Vernon Price of Columbia, Ill.

Navy Mothers' Day Proclaimed

A proclamation has been signed by the mayors of Granite City, Madison and Venice designating Aug. 5 as "Navy Mothers Day" for the start of a membership drive.

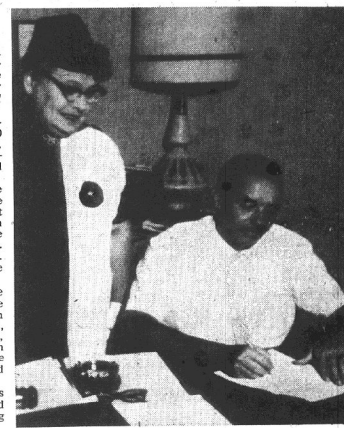

Mrs. Margaret Jones is commander of the local Unit 850 which has a membership of 80, including two Gold Star Mothers, Mrs. Eileen Bradley and Mrs. Marie Boyd.

The Navy Mothers donate money and their time to the men in service, and a current project is a book collection drive. Those wishing to donate comic books may call Mrs. Betty Metz at 877-8229, or Mrs. Jones, at 877-4678 to arrange for a pickup.

Other projects in which the Navy Mothers participate are bazaars, chili suppers, fish fries, bake sales, book fairs, rummage sales, Charity Days, candy sales and the July 4th festivities at Wilson Park. The funds raised go to Veterans and Naval Hospitals.

The organization also sends books, candy, wash cloths and other articles to the Da Nang Hospital in Vietnam.

Those interested in joining the Navy Mothers may phone the membership chairman, Mrs. Norma Darnell, at 877-5049.

PROCLAMATION designating Aug. 5 as Navy Mother's Day being signed by Mayor Donald Partney as Mrs. Margaret (Peggy) Jones, commander of the Quad-Cities Navy Mothers, Unit 850, looks on.

MISCELLANEOUS SHOWER FOR MRS. WILLTROUT

Mrs. Rose Willtrout, who will be married to Leo Scaturro jr., was guest of honor this week at a miscellaneous shower given by Mrs. Leo Scaturro sr., Mrs. Mary Bulle and Mrs. Irene Wein.

Those present were Mesdames Lena Ferro, Anne Rotter, Frances Scaturro, Russell Lockhart and daughter Maribeth, Nancy Grey, Mary Scaturro, Kate Svezia, Rose Ponce, Cathy Scaturro, Dorothy McCulla, Donna Ponce, Irene Wein and daughter Denise, Lena Ponce, Betty Ritz, Frances Mang, Ann Ciole, Carole McGee, Lillian Mang, Mary Bellue and daughter Elaine and Cheryl.

Rose Scaturro and daughter, Mary Donna, Shirley Morton, Elnora Scaturro and children Kathy, Shris and Teresa, Jeanette Svoboda, Mary Thael, Olga Trian and daughter Judy, Marie Hogan, Evelyn Harris and daughter Robin, Bonnie Cummings, James Morris, Angie Udel, Catherine Buechle, Mary Mang, Dolores Scaturro, Anna Lupo, Deloris Feche, Dora Bellue, Leo Scaturro, Miss Karen Scaturro, a bridesmaid, and the honoree.

Games were played and refreshments were served.

Golden Wedding Celebration

Mr. and Mrs. Robert F. Schaffner, former Granite Cityans now residing in Bland, Mo., celebrated their golden wedding anniversary this week at a party in their home.

The Schaffners were married in St. Louis July 19, 1919. They have two children, Robert B. Schaffner of Bland, and Mrs. Bill (June) Pickett of El Paso, Tex. There are also five grandchildren and one great-grandchild.

Mr. Schaffner, a former employee of the Southern Pacific Railroad, is now retired.

Among the guests attending the celebration, beside the immediate family, were Mrs. Ida Cariss of Granite City, and Mrs. Marsha Schmidt of O'Fallon, sisters of Mr. Schaffner, Lt.

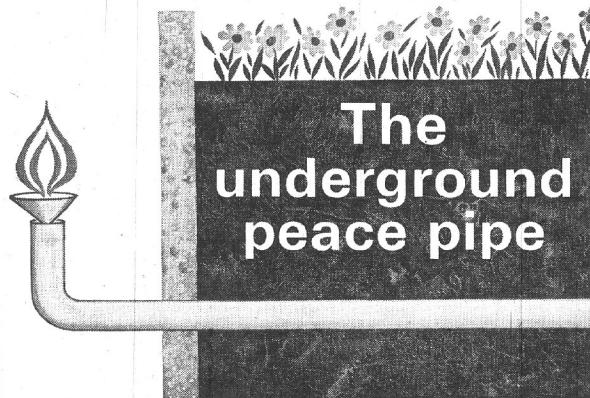

Col. and Mrs. W. M. Dinkins, and Mr. and Mrs. Richard Schmidt of O'Fallon, Sgt. and Mrs. Jim Faircloth of Fort Leonard Wood, Mo., Mr. and Mrs. Norman Grote and sons, and Mr. and Mrs. Arthur Helfman of Granite City.

For peace of mind, convert to natural gas heat

Are you still heating with a fuel that needs shaking and stoking at inconvenient hours? Or with a fuel that can freeze-up in a pipe-line just when you need it most? Could an ice or snow storm stop your fuel deliveries cold?

Then convert to natural gas heat right now. Gas is as problem-free as a fuel can be. Makes you independent of weather, delivery trucks, storage tanks or bins. Gives you clean, uniform, fully automatic comfort.

The time to convert to natural gas heat is right now—not next winter when your heating contractor will be at his busiest. So call your heating contractor today.

Ok for Vegetable Truck to Park on Madison Ave. Lot

Granite City council members voted Monday night to overrule the City Plan Commission's denial of permission for a vegetable truck to be placed in a residential yard at 2500 Madison avenue.

The aldermen, early in the meeting, had heard a petition signed by 32 adjacent property owners objecting to a C-1 commercial designation for the lot which is across the street from a tavern. The residents asked that all property in the block remain residential for at least 10 years.

The Plan Commission, in denying C-1 zoning for the R-3 residential lot on which a home is located near the alley line, did authorize a special use permit for parking, with a stipulation that no sales operation be permitted.

Owner of the lot, James Kostoff, was given permission to speak at the request of Alderman Nann, who noted the council had permitted dentists to locate offices in a dwelling in the same block. Nann added that the city should not deny Kostoff an opportunity to use the lot to a monetary advantage.

Nann called for a C-1 commercial zoning designation, but in face of opposition by other aldermen, the motion was changed to grant a special use permit for parking and for the vegetable truck to be on the lot to conduct sales. The truck has been parking in the 2500 block of Madison avenue.

In the debate, Alderman Poulos told Nann, "Keep your nose out of my yard." Poulos then voted for the proposal, which was approved by only one dissenting vote—by Alderman Dawes.

In separate action, pertaining to the 2500 block, the council upheld the Plan Commission's denial of a special use permit for Judy Brosnaw to operate a beauty shop in a dwelling at 2528 Madison avenue. Residents of the area had objected.

City Atty. Scroggins is to prepare annexation proceedings in compliance with the Plan Commission's approval of a petition by Harry L. and Frances Thomas for annexation to the city of their home at No. 5 Norwood terrace.

Approved by the council was the ordinance designating a plat for development of Shamrock shopping center at St. Clair avenue and Maryville road by Morris Realty Co.

Final MRF Concert to Feature Orchestra, with Cannon, Muskets

The St. Louis Symphony Orchestra will play the final series of concerts at the Mississippi River Festival on the SIU-SW campus on Friday, Saturday and Sunday.

The Friday and Saturday concerts will feature Maestro Walter Susskind as pianist, Baritone Dale Moore and Soprano Veronica Tyler. Friday and Saturday's concerts will begin at 8:30 p.m. and Sunday's program at 7:30 p.m.

The Sunday concert will be an all orchestral Beethoven concert and will feature a performance of "Wellington's Victory," the orchestra augmented by cannons and muskets.

Susskind, distinguished musical personality who has toured the world as both conductor and pianist, became conductor last year of the 83-member orchestra, second oldest in America.

Firearms Licensing Ordinance is Tabled

The proposed ordinance to establish a \$300-a-year license fee for dealers and sellers of handguns was tabled Monday night by Granite City council members with one dissenting vote—by Alderman Jarrett.

The ordinance, designed to eliminate individual dealers, was opposed by local hardware and sporting goods store operators, who asked customers to voice objections to the aldermen after the bill had been placed on first reading at the July 7 council meeting.

Several gun dealers were in the audience Monday night but departed before tabling action was taken on the ordinance late in the session.

Attempted Auto Break-In

Thieves attempted to break into the auto of Arthur Neidhardt, 1689 (r) Second street, Madison, early Tuesday morning, but failed to gain entry. Neidhardt told officers a coat hanger, apparently used as a tool, was found by the car. There were marks on the right front window and the glass was chipped.

Face Trespass Charges

James H. Aubuschon, 19, of 2214 East 20th street, and William F. Evans, 18, of 2210 East 20th street, were arrested at 6 p.m. Monday on warrants charging criminal trespass to a vehicle. They were released on \$1000 bond to appear. The complaints were filed June 17 by Rno Zurkubien.

MAESTRO SUSSKIND

BARITONE MOORE

SOPRANO TYLER

Born in Prague, where he began his musical career as a concert pianist, Susskind has conducted the Scottish National Orchestra, Sadlers Wells Opera, Glyndebourne Opera, Australian Broadcasting Commission and Victoria Symphony in Melbourne and the Toronto Symphony, of which he was conductor for nine years. Since 1959, he has been conductor and music director of the Aspen Music Festival. He is also well known to music lovers through his many recordings.

Weekend Selections

At the Mississippi River Festival this weekend Susskind will play Mozart's Concerto No. 20, K. 466.

Also included at the Friday and Saturday evening concerts will be a rendition of Carl Orff's "Carmina Burana," featuring Veronica Tyler, soprano, Richard Miller, tenor, and Dale Moore, baritone, and the SIU-SW summer chorus and graduate vocal ensemble, prepared by Leonard Van Camp, director of choral activities at Southwest campus.

Miss Tyler began her formal musical training as a scholarship student at the Peabody Conservatory of Music in her native Baltimore. There she received the John Hay Whitney Fellowship which took her to the Juilliard School in New York for graduate study.

Winner of many awards and scholarships, included the first Tchaikovsky vocal competition in Moscow, Miss Tyler now wins her "prizes" from critics and audiences. When she opened the New York City Opera's 1967-68 season in a new production of "Magic Flute," the New York Times reported "The lovely Veronica Tyler as Pamina revealed a consistent sense of line, an affinity for dynamic shading, and the ability to produce a flexible stream of limpid tones."

A touch of magic came through her singing... With her on the stage the performance acquired more life.

Miss Tyler made her European debut in Norway during the 1967-68 season. During the record artist will sing in Venice the coming season the Columbia

SIU-SW Voice Prof

Dale Moore, professor of voice at SIU-SW received his music degrees from the University of Kansas. As a Fulbright scholar, he studied at Mozarteum, Salzburg, Austria. His recitals include appearances in Austria and in Town Hall and Carnegie Hall in New York. This past winter he was featured in recital in the Philadelphia Civic Center Museum. This year he also sang Schubert's "Winterreise" in Ethical Society Hall in St. Louis.

One of the leading German Liedersingers in the nation, Prof. Moore has studied this field of vocal music with Ernst Reicher and Ernst Wolff. He has also studied opera with John Nefield, Fritz Tutenberg, Ber-

GC Sales Tax Income For April—\$42,799

Sales tax income for the city for April amounted to \$42,799, the Granite City council was advised Monday night by the state department of revenue.

Steps were taken by the council for preparation of an ordinance to meet state requirements for securing one-cent revenue from each five cents of sales tax instead of the present three-fourths of a penny City Atty. Scroggins said he will have the ordinance ready for the July 28 council meeting.

Marine Craig Woods

Promoted in Vietnam

Craig Woods, 21, of the U. S. Marines has been promoted to the rank of lance corporal, according to word received by his parents, Mr. and Mrs. Eddie Woods, 4089 Vesel avenue.

Lt. Woods arrived in Vietnam in February of this year and is serving with the artillery with the First Marine Division at An Hoa, 55 miles from Da Nang. A graduate of Hillsboro high school in Nashville, Tenn., he enlisted in the service on June 11, 1968.

GSI Net Sales Reach \$47 Millions in 2nd Quarter

Last Rites in Michigan For Robert Lindner, 49

Mrs. Della Hedstrom of 2419 Anchorage avenue with several other local residents, returned home this week after attending the funeral services of Mrs. Hedstrom's nephew, Robert E. Lindner, 49, in Ann Arbor, Mich., Friday.

Lindner, a former Granite Cityans, died of a heart attack on Tuesday. Accompanying Mrs. Hedstrom was her daughter, Mrs. Pauline Mahon, Jim Lindner and family, Mr. and Mrs. Grover Young and Claude Cochran all of Granite City.

HOSHS CLEANS CARPET WITHOUT WATER FEDER & HUBER FURNITURE 1908 STATE

General Steel Industries, Inc., had net sales of \$47,411,000 and net income of \$1,340,000, or 55 cents per share of common stock, for the second quarter this year compared with sales of \$34,751,000 and income of \$1,216,000, or 49 cents per share, in the second quarter of 1968, W. Ashley Gray Jr., president, announced Tuesday.

The second quarter's results brought GSI's sales for the six months ended June 30 to \$86,166,000 and income to \$2,311,000, or 52 cents per share, compared with sales of \$63,434,000 and income of \$2,280,000, or 52 cents per share, in the first half of 1968.

GSI's operating results in 1968 are restated to include Simplicity Engineering Company of Durand, Mich., which was acquired in April 1969 on a pooling of interests basis.

To Excel Year Ago

Gray said GSI's sales and earnings in the second half of this year "are not expected to equal those of the first six months but should be substantially better than the second half of last year when serious labor problems were encountered at three of our divisions."

Gray said first half profits at several GSI divisions were reduced by "acute local labor shortages." The Castings Division plant in Granite City was the most seriously affected although, he said, the shortage there "has eased in recent weeks and the Division is now engaged in an intensive training program for its new employees."

New Bid Opportunities

The St. Louis Car Division will have several opportunities to bid on transit and commuter

cars later this year, Gray said, including computer cars for use in Chicago and new design rapid transit cars for the New York Metropolitan Transportation Authority. Shipments of cars now on order with this Division are scheduled to be completed in the fourth quarter this year.

A prolonged building industry strike in St. Louis which began in late May has delayed completion of a 325,000 square-foot plant for the Ludlow-Saylor

Stops at Sign, Struck

An auto driven by Jerome J. Ropac, 109 Riviera drive, who was stopped at a stop sign at Johnson road and Wabash avenue, was struck by a car driven by Stanley M. Allman, 2125 Lindell blvd., who also had stopped but proceeded ahead, at 7 p.m. Monday.

Wire Cloth Division, Gray said, production equipment and operations will be moved to the new Ludlow-Saylor plant as soon as the strike is settled.

GSI's National Roll Division in Avonmore, Pa., had the best first half sales and earnings in its history, he said.

General Steel Industries, Inc., operates six divisions and one subsidiary with 25 plants in the United States and abroad. The company supplies a wide range of basic industries.

Man Takes Pills

A Granite City man took an overdose of pills and passed out at his home after his wife began yelling at him, it was reported to police at 10:16 p.m. Monday. He was taken by ambulance to St. Elizabeth Hospital for treatment.

\$45,450 City Bills Approved by Council

A bill list totaling \$45,450 was approved Monday night by Granite City council members, with only one objection.

Nonn complained of a Civil Defense expenditure at an out-of-town store amounting to \$429 for 13 pair of police breeches. "They should have bought them locally," the alderman remarked. "That's \$33 a pair."

Major items on the bill list included payment of \$4642 to Aetna Life Insurance Co. for July premium on employee insurance, and \$4665 to H. W. Lochner Co. for engineering and inspection services for the storm sewer project in June. The Bond Men Co. was paid \$714 as premium for the city's workmen's compensation insurance.

Associated city engineering firm, was paid \$1079 for inspection and supervision on sewer repair work at Amos and Franklin avenues and on Fehling road and for inspections of lift stations during June.
